

Other Visa Types International Student Admissions Checklist

(International students who hold a different visa type beyond the F-1 student status; such as F-2, E-2, H-4, L-2. Note: This does not include the B-1 or B-2 Tourist/visitor visa status which are not permitted to enroll in a course of study at a U.S. SEVP certified school, please contact the International Student Program office to further discuss your status.)

Admissions Deadline:

Other visa status students do not have a specific admissions deadline but must submit admissions requirements for processing prior to the start of a term to ensure ability to enroll in classes during the Add/Drop period for the term.

Admissions Documents:

Initial Admission items should be submitted through the student's myBLINN portal using the Admissions Forms icon. Click the items below to be directed to the submission portal (you must have your myBlinn log-in). Some items can only be temporarily accepted via the portal, see these items as noted by the * below.
