The “actual” class time for activity classes will:

Start: 10 minutes later than posted
End: 15 minutes earlier than posted

Example:
“Posted time: 9:10-10:25
“Actual time: 9:20-10:10

A student will be capable of enrolling in a 7:45 – 9:00 on campus class and enrolling in any activity class beginning at 9:10.

The “actual start time” (9:20) will allow enough time for the student to drive to any one of these locations. The student is also allowed enough time to travel back to campus for a 10:35 class.
