Historical Statement

Blinn College, the Junior College District of Washington County, is located in Brenham, Texas, and serves a thirteen-county service area with campuses in Bryan, Schulenburg and Sealy. The school was founded in 1883 by the Southern German Conference of the Methodist denomination under the name of Mission Institute. In 1889, the name was changed to Blinn Memorial College in honor of the Reverend Christian Blinn of New York who had donated a considerable sum of money to make the school possible. The institution was originally founded for the purpose of training young men for the ministry, but in the course of time, to meet the demands of the public, academic courses were added. After operating for five years as an institution for men only, Blinn College was made coeducational in 1888. Until 1927, the school was of academy rank. In 1927, the Board of Trustees, under the leadership of President Philip Deschner, organized a junior college. In 1930, the school was merged with Southwestern University (Georgetown, Texas). In 1934, a new charter was procured by the citizens of Brenham, and a private nonsectarian junior college, under the name of Blinn College, was organized with nine regents as the board of control. In February 1937, all connection with Southwestern University and the Methodist denominations was severed. An election held in Washington County on June 8, 1937 for the purposes of creating a public junior college district and for levying a small tax was successful. Blinn thus became the first county-owned junior college district in Texas. The college continues to operate as one of the largest 50 public junior/community college districts in Texas.

Locations

The home campus of Blinn College is located at 902 College Avenue, Brenham 77833, Washington County, Texas. The A.W. Hodde Technical Education Center is located at 2910 S. Blue Bell Road, Brenham, Texas 77833. Brenham has a population of approximately 13,500. It lies in the south central part of the state about 90 miles east of Austin, Texas, and 70 miles west of Houston, Texas. It is the hub of three major highways: State Highway 105, U.S. Highway 290, and State Highway 36. Somerville Lake, about 12 miles north on Highway 36, affords excellent facilities for fishing, boating, and water sports. Independence, Washington-on-the-Brazos, and Brenham itself played major roles in the early development of Texas -- politically, socially, and educationally.

Blinn College has offered a full schedule of classes in the Bryan/College Station area since 1970. The Bryan campus is located at 2423 Blinn Blvd., Bryan, Texas 77802. The Post Office Campus is located at 301 Post Office Street (off Texas Ave.), Bryan, Texas 77801, the Physical Fitness Building is located on 3608 Old College Road, Bryan, Texas 77801; the Workforce Education Center is located at 5303 Raymond Stotzer Parkway, College Station, Texas 77840; and the Texas A&M Health Science Center-Clinical Building I, is located at 8441 State Highway 47, Suite 2500, Bryan, Texas 77807.

A campus was opened in Schulenburg, Texas (Fayette County), in the fall of 1997. It is located at 100 Ranger Drive, Schulenburg, Texas 78956. A campus was opened in Sealy, Texas (Austin County), in the spring of 2005. It is located at 3701 Outlet Center Drive, Sealy, Texas 77474.

Library

Blinn College has libraries at its campuses in Brenham, Bryan, and Schulenburg. The library room at the Sealy Campus provides access to electronic resources as well as delivery of materials requested from the other libraries.

Each library provides books, periodicals, reference tools, movies, electronic resources, and Internet access for student assignments, research, and recreation. The library's web site provides access to the library's online catalog, electronic subscription databases and much more. A daily (Monday-Friday) delivery service generally assures that materials ordered from one library location in the morning will be available at the pickup location that afternoon. Students taking classes on any campus may check out materials at any library location. Items may be returned at any library location. Periodical articles requested from other campus libraries can be delivered directly to students via e-mail.

A valid Blinn I.D. card is required for most library services including checking out reserve materials, books, movies and using computer workstations. Fines are charged for overdue materials, and any student who neglects to pay library debts or return library materials will be placed on Blinn Administrative Hold at the end of the current semester. This blocks access to grades, registration, including adding or dropping classes, and issuance of official transcripts until the situation is resolved. Students must know their Blinn I.D. number and password to log on to computers on campus. When computers or study areas are at capacity, preference will be given to those students using library databases and materials.

Professional librarians and support staff are available to help students find and use materials. Students are also encouraged to participate in library instruction sessions offered each semester. Additional information is available on the library web site at <http://www.blinn.edu/library>.

Library Guidelines:

The following general usage guidelines apply for all Blinn libraries:

- Beverages are allowed in closed, spill-proof containers.
- Food items that do not disturb others with noise or odor and that do not leave crumbs or sticky residues are allowed.
- Cell phones and pagers must be set to silent.
- Tobacco products are not permitted.
- Blinn dress code and behavior expectations are enforced.

Blinn College District Notification of Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) afford eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student's education records within 45 days after the day the Blinn College District receives a request for access. A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask the school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the university discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the Blinn College District in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of the Blinn College District who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the Blinn College District.

Upon request, the school also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Blinn College District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

Directory information shall be released to a qualified individual or organization that files a written request with the District President or designee.

The College District shall give public notice of the categories of information designated as directory information and of the period of time after such notice for a student to inform the College District that any or all of the directory information should not be released without prior consent.

The College District designates the following categories of student information as public or directory information. Such information may be disclosed by the institution:

Category I: Name, classification, major field of study, home address, and College District e-mail address.

Category II: Previous institutions attended, attendance status, awards, honors (including Distinguished and President's lists), degree(s) conferred (including dates), past and present participation in officially recognized sports and activities, and physical factors (height, weight of athletes).

Currently enrolled students may withhold disclosure of either or both categories of information under the Family Educational Rights and Privacy Act (FERPA) of 1974. To withhold disclosures, written notification must be received in the office of admissions and records on the Brenham campus or Bryan campus within 12 calendar days from the first day of registration for each long term or four days for summer terms. Forms requesting the withholding of directory information shall be available in the offices listed above. The College District shall assume that failure on the part of any student to specifically request the withholding of directory information indicates individual approval for disclosure.

FERPA permits the disclosure of PII from students' education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student.

These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
