\* Computer literacy is a program prerequisite. Student must show computer literacy either through high school transcripts showing computer science course(s), college transcripts showing computer science course(s), or recent work history with data management and/or word processing (via Employer letter).

\*\* Successful completion of AP course(s) result(s) in credit for ENGL 1301, MATH 1314, HIST 1301, lower level CHEM and languages.

\*\*\* Students who take any 2 or 3 hour pre-employment lab or coop course, or band, may be exempted from 1.5 (or more) PE credits.

Language requirement may include any foreign language, as well as American Sign Language. Languages that are especially helpful in the Allied Health Occupations in this part of the country include Spanish, German, Latin, and American Sign Language.

! Helpful but not required for degree plan.

⊗ Post-grad Advanced Skills Certificate optional—in planning stages.
