Create a Desire2Learn drop box.
- On the Properties tab under the **OriginalityCheck** title select the **Enable for this folder** checkbox.
- Additional settings for the Turnitin drop box are at the bottom of the Properties tab. Please **scroll down the tab** and locate **OriginalityCheck options** section.

**OriginalityCheck options.**

- Select the **Show Advance Originality Checking Options** link. This displays the advanced options.
- Select the items you require for your assignment.

**Questions?**

**How do I see the originality reports?**
Once a student submits to the dropbox the instructor grades it as a Desire2Learn drop box. Go to Dropbox on the course navbar and select the drop box you wish to grade. Click on the a student’s submission icon to open Turnitin’s webpage.
