

**Credit by Examination Program (CLEP & AP)  
Application for Credit-Blinn College**

Students may be awarded up to 12 semester hours based on credit-by-examination test results. Students must take the College Level Examination Programs test (subject matter tests only) or the Advanced Placement examination. To receive credit for English 1301, English 2322 and English 2328 using the CLEP test, the student must qualify on both the objective and essay parts of the exam. A grade of "CR" will be posted to the transcript when the student has successfully completed 6 semester hours at Blinn College and also earned a cumulative grade point average of 2.0 at Blinn College. The application for credit by examination may be made at any time while the student attends Blinn College as long as he or she has not attempted the course for which credit is being sought. There is no charge for this service. Return this form to the Office of Admissions and Records; 902 College Ave.; Brenham, Texas 77833 or fax to 979.830.4110.

**Blinn College does not administer the CLEP exam. It is the responsibility of the student to locate a CLEP testing center and to have exam scores sent to the Office of Admissions and Records at Blinn College.**

## Credit by Exam Policies

Blinn College will accept hours for credit by examination earned through the College Board Advanced Placement Program (AP), the College Level Examination Program (CLEP) Subject Examination, and the International Baccalaureate Program (IB). The Blinn College Office of Admissions and Records evaluates AP, CLEP and IB credit as transfer credit.

### Conditions for AP and CLEP Subject Examinations

1. Credit, up to 12 hours, will be granted only if the student completes 6 semester hours at Blinn College and earns a cumulative grade point average of at least 2.0. Students must present evidence of completion with acceptable scores of AP or CLEP exams along with a completed application for credit. The request for credit may be made at any time while the student attends Blinn College but will not be granted if the student has attempted, is enrolled in or has completed the course for which credit is being sought.
2. Credit earned by examination may not be used to meet the minimum residence requirement for the Blinn College degree or certificate awarded at graduation.
3. Students should understand that each college and university has its own policy with respect to credit earned by examination and that any such credit allowed by one institution may not necessarily be accepted by another.
4. Credit through CLEP assumes the student has had no formal classroom instruction as an enrolled student or as an auditor.
5. To receive credit for ENGL courses through CLEP examination, the essay portion of the exam must be taken. Students must qualify on both the object and essay parts of the CLEP exam.
6. Blinn College does administer the CLEP Subject Examinations. To schedule your appointment go to <http://www.blinn.edu/testing/index.html> and fill-out the CLEP Appointment Form.

U.S. History	3 and higher	HIST 1301 & 1302	6

### Credit for International Baccalaureate Program (IB)

The International Baccalaureate Diploma is an international program of courses and exams offered at the high school level. In keeping with Senate Bill 111 passed in 2005, Blinn College will grant (CR) credit for IB exams with certain required scores.

Texas institutions of higher education must award 24 hours of course specific college credit in subject appropriate areas of all IB exam scores of 4 or above as long as the incoming freshmen have earned an IB diploma. However, course credit does not have to be awarded on any IB exams where the score received is a 3 or less. This may mean that such students will not receive 24 hours of college credit, even if they have an IB diploma.

Students must send an IB transcript to Blinn College. All IB students must show proof of meeting the Texas Success Initiative (TSI) requirements prior to their enrollment at Blinn.

<b>IB Examination</b>	<b>Minimum Score Required for Credit</b>	<b>Equivalent Blinn Course</b>	<b>Credit Hours</b>
Biology (SL)	4, 5, 6 or 7	BIOL 1406	4
