DISCUSSION AND POSSIBLE ACTION ITEMS:

ITEM 10. ADOPT 2015 TAX RATE

Mrs. Cathy Boeker, Associate Vice President, Government and Public Affairs, reviewed the College's process for adopting the 2015 property tax rate.

Mrs. Boeker reminded the Board that at the August 18th Board meeting, she reviewed the effective tax rate calculated for Blinn College by the Washington County Appraisal District. She stated the effective rate is designed to give a taxing entity essentially the same property tax revenue as the prior year. The 2015 effective rate for Blinn College was calculated to be $0.0557 per $100 valuation. This rate would have resulted in an assessment of $55.70 in annual taxes for Blinn College on each $100,000 worth of property in Washington County.

The Board voted unanimously in August to propose a tax rate of $0.0601 per $100 valuation, which is estimated to yield $1,798,045 in tax revenue. This proposed rate will equate to $60.10 in annual taxes for Blinn College for a Washington County Taxpayer per $100,000 worth of property. This equates to $4.40 more per $100 valuation per year than if the effective tax rate had been adopted.

Mrs. Boeker reported all required notices have been published in the newspaper and posted on the College's website in accordance with the Tax Code. She stated that the two public hearings were held; therefore, the Board has for its consideration, a Resolution that would set the 2015 Blinn College property tax rate for Washington County at $0.0601 per $100 valuation.

Mr. Kenjura read the Resolution regarding the adoption of the tax rate and levying ad valorem taxes for the year 2015 for the support, maintenance, and operation of the Blinn College District.

Mr. Kenjura made a motion that the property tax rate be increased by the adoption of a tax rate of $0.0601 per $100 valuation. The motion was seconded by Mrs. Boehm.

Mrs. Aschenbeck read the following statement:

"There seems to be some confusion about why the Board has chosen to raise taxes. The Board has heard many concerns regarding the raising of taxes in Washington County used to support Blinn College. Unfortunately, times have changed and so has the state of education. Blinn-Brenham has fallen behind economically, and as a Board, we are working to make it as economically viable as possible. In order to grow the number of students at Blinn-Brenham, we need to work on the campus and make it a place that is up-to-date and welcoming to students from the surrounding areas, as well as increase the housing in order to allow more students to live on campus. If we do not grow the Brenham campus of Blinn, it will not be able to survive. As a Board, we know that this tax increase is in the best interest of our community because of the number of people that Blinn employs. In addition, think of all the businesses that are supported by Blinn students, by sports teams that travel to Brenham, or Agriculture Departments that come here for events. Blinn is vital to our community, and because it is, we need to pull together and make it more financially stable than it has been in the last several years."

On a record vote, the Board adopted a Resolution setting the 2015 tax rate at $0.0601 per $100 valuation. All Board Members present voted in favor of the Resolution. (A copy of the Resolution is attached and made a part of these Minutes).
Mr. Sommer read the following statement from Mr. Borchardt after the record vote was taken:

"Because of a long-standing prior commitment, I am unable to attend the Board meeting. While I understand that my vote cannot be accepted due to me not being present, I do want the record to reflect that I am in total support of adopting a 2015 tax rate of $0.0601 per $100 valuation. Could I have been present, I would have voted for the increase."

ITEM 11. ADOPT ADDITIONAL OR REVISED FEES BEGINNING SPRING 2016

Ms. Kelli D. Shomaker, Senior Vice President, Finance and Administrative Services/CFO, reviewed the reasons for the implementation of a diploma printing fee, the ratification of the Holleman housing fee, the pass-through testing fees, and the physical therapist simulation laboratory fees.

On a motion by Mr. Moser, seconded by Mrs. Aschenbeck, the Board voted unanimously to adopt the new and increased fees beginning Spring 2016, as presented by the Administration.

ITEM 12. AUTHORIZE BLINN COLLEGE REPRESENTATIVES TO SIGN FINANCIAL DOCUMENTS AND/OR INITIATE FINANCIAL TRANSACTIONS WITH BANK OF BRENHAM
