A Message from Coach McIntyre

Our showcases will be a valuable opportunity for all 2010 and younger to showcase their skills in front of our staff here at Blinn College.

The day's workout will include a Pro-style tryout as well as a simulated games for us to evaluate your baseball skills.

In the past 3 seasons Blinn has signed over a dozen athletes out of our camps and tryouts.

“We believe that our showcases and camps are a wonderful opportunity to get a first hand look at a lot of the players in our area that we have not had a chance to see play. There really is no substitute for seeing a player in person right here in our facility. “—
