AGREEMENT FOR THE
BLINN COLLEGE DUAL CREDIT PROGRAM

This Agreement for the Blinn College Dual Credit Program ("Agreement") is by and between BLINN COLLEGE DISTRICT, a public community college established under Chapter 130 of the Texas Education Code and political subdivision of the State of Texas, ("College"), and the KOR EDUCATIONAL SCHOOL, a Texas Private school and political subdivision of the State of Texas, ("District) with an effective date of September 1, 2017 ("Effective Date"). Individually, the College and the District are referred to herein as "Party" and collectively as "Parties."

Recitals

WHEREAS, Texas Education Code ("TEC") §§ 28.009, 29.182, 29.184, and 130.008; and 19 Texas Administrative Code ("TAC") Chapter 4, Subchapter D and Chapter 9, Subchapter H authorize an institution of higher education to contract with a public school district for the provision of instruction resulting in dual credit received by a student for such course; and

WHEREAS, the College and the District desire to establish a dual credit program ("Dual Credit Program") to be operated as part of the District's KOR Educational School ("School").

NOW THEREFORE, for the mutual promises and covenants contained herein and other good and valuable consideration, the Parties agree as follows:

Agreement

Section 1. GENERAL CRITERIA

A. BLINN COLLEGE

1. The College will designate an administrator to be in charge of the management and supervision of the Dual Credit Program.

2. In accordance with Applicable Law (as hereinafter defined), the College will offer for dual credit selected college-level academic and technical courses as listed in the current edition of the Texas Higher Education Coordinating Board’s ("THECB") Lower Division Academic Course Guide Manual ("ACGM") and Workforce Education Course Manual ("WECM"). The course or courses to be taught in a given semester shall be determined by the College and agreed upon by the District. Courses provided by the College under this Agreement shall be consistent with the educational purpose, mission, and goals of the College and shall be under the direct control of the College.

3. Course selections may be offered during the fall, spring, and summer semesters in a classroom located at either the School or College with such location to be determined between the College and the District each semester. The College will seek every opportunity to use the available technology as is appropriate to deliver courses to off-campus sites. College and District representatives at each site will assess the facilities, determine the class size, and select the instructional modality for each course in accordance with the Interactive Video Classroom Regulations set forth in Appendix B, attached to and incorporated into this Agreement.
4. Courses may be offered by mutual agreement, but the School is responsible for assuring that the College course offered for dual credit meets the Texas Essential Knowledge and Skills (“TEKS”) for the District's course.

5. All College prerequisites must be met and all College course sequencing shall be followed.

6. A participating student’s satisfactory academic performance in a course provided under the Dual Credit Program shall be determined in accordance with EGA (Local) of the College Board Policies, which are attached as part of Appendix A.

7. The College reserves the right to set a minimum number of students for enrollment in each course. If this minimum is not met, Blinn reserves the right to cancel the dual credit component of the course.

B. THE DISTRICT

1. If dual credit courses are taught on the School campus, the District will provide a learning atmosphere and classroom facilities comparable to those in which dual credit courses are taught on the College campus, regardless of modality of instruction.

2. The District will provide instructional technology and other auxiliary equipment typically used in support of classroom instruction.

3. The District will provide facilities, personnel, and equipment to meet the particular requirements for the Online/Internet, Interactive Video Conference (described and/or as set forth in Appendix B) or blended classes when any of these distance education options are selected for instruction in courses under the Dual Credit Program.

4. The District will assign professional-level personnel, as applicable and as agreed upon between the Parties, who will be responsible for identifying and verifying the eligibility of prospective students to participate in the Dual Credit Program in accordance with Applicable Law.

5. The District will assign trained professional-level personnel, as applicable and as agreed upon between the Parties, to assist with College registration functions, including but not limited to, completing and collecting appropriate admissions forms, collecting required fees, providing District documents, and collecting student documentation.

6. The District will require students enrolling in the Dual Credit Program who have documented disabilities that require accommodations or are receiving services under an Individual Education Plan (“IEP”) to provide a copy of their documentation and/or IEO to the Office of Disability Services at the College in order to receive accommodations in any College course.

7. Whereas the College will follow existing Board of Trustees policies with regard to assigning a grade for College credit in the dual credit courses, if the College grading scale differs from the District's grading scale, the District will provide participating students with a comparative document displaying both the College grading scale and the District's grading scale. See Appendix A.

8. Although a student may pass a College class with a grade of D, the District will be responsible for
communicating to students and parents that under 19 TAC § 74.26(c), credit for courses for high school graduation may be earned only if the student received a grade which is the equivalent of 70 on a scale of 100. See Appendix A.

C. APPLICABLE LAW

The Parties agree to operate the Dual Credit Program and perform their obligations under this Agreement in compliance with the applicable federal, State, and local laws, implementing regulations, executive orders, interpreting authorities, and administrative rules and requirements, including, but not limited to, (a) the following federal statutes as may be amended: Title VI of the Civil Rights Act of 1964; Title VII of the Civil Rights Act; Title IX of the Education Amendments of 1974; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; the Americans with Disabilities Act; the Family Educational Rights and Privacy Act of 1974 ("FERPA"); Title IV of the Higher Education Act of 1965; and Individuals with Disabilities in Education Act; (b) the Texas constitution; (c) applicable provisions of the Texas Education Code; (d) State and federal laws regarding the reporting of any and all alleged child abuse, school-related crimes, and sexual molestation of students; (e) State record retention laws; (f) applicable provisions of Title 19 of the Texas Administrative Code, including, without limitation, Chapter 4, Subchapters D and Chapter 9, Subchapter H; (g) TEA guidelines and requirements, including, the Student Attendance Accounting Handbook and the Financial Accountability System Resource Guide; (h) THECB guidelines and requirements; and (i) the rules, regulations, and requirements imposed by accrediting agencies applicable to either Party, including, the Southern Association of Colleges and Schools. The Parties agree to operate the Dual Credit Program in compliance with their respective applicable board policies and procedures. The foregoing as set forth in this Section 1.C and any other laws, rules, and guidelines applicable to the subject matter of this Agreement collectively shall be referred to as "Applicable Law" or "Applicable Laws" when used herein

Section 2. DUAL CREDIT ADMISSION

A. Students may attend the College during the semester in which the student demonstrates readiness for College-level courses or otherwise is eligible in accordance with Applicable Law. The following requirements for admission must be met:

1. Obtaining written permission from the high school principal or the principal's designee, as set forth in Appendix C.

2. Earning a "B" or better average in all high school work attempted or a "C" for WECM trades courses– if the student has a lower average than this, he or she must obtain a written letter from the principal stating why the College should allow him or her into the course(s). Upon receiving this letter, the College will determine if the student will be allowed to register.

3. Completing a College Application for Admission Form through ApplyTexas;

4. Completing the "Dual Credit Course Approval Form," attached as Appendix C.

5. Providing an official high school transcript indicating course work completed up to the time of enrollment in the College.

6. Meeting the following requirements of Applicable Law:
a. Have satisfied current TSI criteria for dual credit as determined by the THECB. Scores or exemptions must be furnished by the District or the student on an official document at the time of registration. Current eligibility scores and exemptions are available on the College's website (www.blinn.edu).

b. Proof of Bacterial Meningitis Vaccine. The College, in compliance with TEC § 51.9192, requires the bacterial meningitis vaccination for all new students enrolling in classes after January 1, 2012. Students must provide to the College Enrollment Services Office a certificate signed by a health practitioner indicating they have been vaccinated against bacterial meningitis. This requirement does not apply for students enrolled in the Dual Credit Program who will be taking the courses at a District facility not located on a higher education institution campus. Dual credit students taking classes in-person on any College Campus must provide proof of the meningitis vaccination. Refer to http://www.blinn.edu/immunization.html for detailed information regarding Bacterial Meningitis.

B. Students who are enrolled in private or non-accredited secondary schools, or who are home-schooled must meet all admission requirements set forth in this Agreement.

Section 3. CLASSES AND SCHEDULES

A. Prior to the start of each semester, the College will coordinate and finalize the proposed course schedule with the District in a timely manner. To facilitate meeting College faculty and course scheduling deadlines, the District will submit the proposed course schedule and anticipated number of students per course for the next school year by May 30th prior to the beginning of that school year.

B. All high school students enrolled in a College academic dual credit class will follow the official College calendar regardless of dual credit class location, course instructional modality, or District calendar. Neither the College nor the District shall cancel a class unless absolutely necessary. The cancellations shall be processed through the District administration upon consultation between the appropriate representatives of the District and the College. If deemed necessary by the College, lost instructional time shall be made up by arrangement with the District.

C. A student participating in the Dual Credit Program may take the number of academic classes permitted by Applicable Law for dual credit only if the student meets the College's success standard. The College's Dual Credit Program administrator will confer with the District's representative under the Dual Credit Program to confirm such standards. See also Appendix C.

D. Academic dual credit courses must be taught in classes composed (1) solely of academic dual credit students; or (2) of both dual credit students and advanced placement students. In the case of technical classes being approved as an articulated course, the dual credit class can include a combination of technical dual credit students, college credit students, and/or local articulation students.

E. In order for the College to provide face-to-face instruction for an academic dual credit course on the School's or another high school campus, which campus must be within a reasonable commuting distance from a College campus, a minimum class size number will be required. The Parties agree that the minimum number of students for a dual credit course in which the instructor is to provide
face-to-face instruction may be composed of students from the District as well as one or more other school districts or educational institutions. If there are fewer than the minimum number of students required, the College Coordinator of Dual Credit Programs will confer with the District's dual credit representative to explore instructional alternatives.

Section 4. INSTRUCTORS

A. The College will approve or select qualified instructors to teach the courses that result in the awarding of dual credit. An instructor is qualified if he or she meets the requirements set forth in Section 130.008(g) of the TEC and other Applicable Law (including, but not limited to SACSCOC Comprehensive Standard 3.7.1 of the Principles of Accreditation and Blinn College’s Faculty Credentialing Guidelines). Each new dual credit instructor who is a District employee or is not otherwise a College employee will be required to follow the same hiring procedures as any College faculty member, which would include, without limitation, completing an application, interviewing, performing a teaching demonstration, credentialing review, and undergoing a background check. Each such new non-College employee who will teach a dual credit course also must attend a one-day orientation session on a College campus.

B. The faculty teaching dual credit courses will be compensated as set forth in Section 5 – Tuition.

C. The College’s academic dean as applicable to the specific dual credit course being provided will have the responsibility for the oversight, supervision, administration, and evaluation of the instructional delivery provided by each instructor teaching a dual credit course under this Agreement, whether such instruction is delivered at a College facility, a District classroom, or another location. The oversight, supervision, administration, and evaluation by the College's academic deans will be in accordance with College instructional policies and procedures as applicable to the course being taught. The responsibilities set forth in this Section 4.B. does not alter that employment status of any Party's personnel, create liability for either Party, or negate the requirement of an employee of either the College or the District to comply with the policies of that employee’s employer.

Section 5. TUITION

A. Students enrolled in dual credit courses under the Dual Credit Program will pay tuition and the faculty providing instruction in the ACGM and WECM dual credit courses will be compensated in accordance with the option(s) chosen by the District as marked below:

- **Option 1** – **IF**, an instructor who is a College employee provides dual credit instruction, regardless of location or modality; **THEN**, a student enrolled in the Dual Credit Program will pay tuition and fees for the current academic year in the amount of $92 tuition per credit hour and $14 in general fees* per credit hour (e.g. $ 318 for a three (3) credit hour course, or $ 424 for a four (4) credit hour course).

- **Option 2** – **IF**, a qualified and approved instructor employed by the District is utilized for a course and the College pays that instructor the College’s faculty overload rate; **THEN**, a student enrolled in the Dual Credit Program will pay tuition and fees for the current academic year in the amount of $92 tuition* per credit hour and $14 in general fees* per
credit hour (e.g. $318 for a three (3) credit hour course, or $424 for a four (4) credit hour course). However, if the minimum number of students for the course is not met, then the instructor pay will be prorated to a per student rate of 1/15 of the faculty member’s overload rate.

Option 3 – IF, a qualified and approved instructor employed by the District is utilized for a course and the College does not pay the selected instructor a faculty overload rate; THEN, the current academic year tuition fee is waived and the student would only pay $14 per credit hour in general fees* (e.g. $42 for a three (3) credit hour course, or $56 for a four (4) credit hour course). Additionally, under this option, the District will receive a reimbursement of service payment of $500 for each course section of dual credit. A minimum of four (4) students are required for each course in the Dual Credit Program.

Option 4 – IF, a qualified and approved instructor employed by the District is utilized for a technical dual credit course and the College pays no compensation to the instructor; THEN, both the tuition and the general fees for each student enrolled in that course are waived (e.g. there is NO COST to the student for a College technical dual credit course taught on a high school campus by a high school instructor).

*During the Term (as hereinafter defined) of this Agreement, the credit hour tuition and fees are subject to change as established by the College’s Board of Trustees.

Section 6. INSTRUCTIONAL SUPPLIES

The College will provide students enrolled in the Dual Credit Program with any supplies normally furnished by the College to its on-campus students.

Section 7. CURRICULUM and TEXTBOOKS

A. In accordance with THECB regulations, Dual Credit instruction follows the same curriculum, materials, grading, and rigor used in the same class taught at the College to non-dual credit College students. The College’s Academic Deans, Assistant Deans and Department Heads, through continual monitoring, assure the integrity and rigor of the curriculum in all sections of their discipline or program, both for courses taught as part of the Dual Credit Program and the non-dual credit courses.

B. The College will use the same textbooks for courses taught as part of the Dual Credit Program as the ones used for the identical on-campus course or an equivalent textbook approved by the College. Students, at their cost, are responsible for the procurement of their textbooks.

Section 8. STUDENT SERVICES

A. The College will provide adequate instructional support services, as determined in its discretion, including advising and counseling, to meet the needs of dual credit students.

B. Dual credit students and instructors may use the materials and services at the College libraries on the Brenham, Bryan, Schulenburg, and Sealy campuses. Circulation privileges and other services
available to students and instructors who are part of the Dual Credit Program are identical to those provided to students and instructors not participating in the Dual Credit Program.

C. Dual credit students may use the computer labs, writing centers, and learning centers on the Brenham, Bryan, Schulenburg, and Sealy campuses.

Section 9. FUNDING and PAYMENT

A. Tuition and fee payments in the amounts set forth in Section 5 are due from students at registration. A payment plan is available upon request. Payment is required by the stated due date; all tuition and fees must be collected and remitted to the College prior to the beginning of classes. Failure to pay by the due date will result in the student being dropped from classes.

B. Financial Aid is not available to dual credit students. The Higher Education Technical Amendments of 1987 (P.L. 100-50) states, "A student who is enrolled in an elementary or secondary school is not eligible for Title IV assistance for any courses taken at the post-secondary level for the same period" [Compilation of Federal Regulations (CFR) 668.7(a)(2)].

C. The state funding for dual credit courses will be available to both the District and the College based on the current funding rules of TEA and the THECB. The College may only claim funding for students receiving college credit in core curriculum, career and technical education, and foreign language dual credit courses.

D. If a student requests to take a class more than twice, he or she will be responsible for the tuition for that course and $50.00 per semester hour for the course. Technical courses are exempt from this fee. (see Blinn College Catalog – College Expenses, page 3)

Section 10. RECORDS AND REPORTING

A. Class Rosters. The College will provide class rosters (listing the names and grades in a numerical format of dual credit students completing the course) to the District at the close of each semester.

B. Student Records; Record Retention; FERPA. In accordance with Applicable Law, each Party will maintain student records and as may be necessary or advisable to operate the Dual Credit Program; provide the other Party copies of the grades, progress, and other informational data on student progress and assessment. Both Parties will be responsible for maintaining student records and records pertaining to the Dual Credit Program in conformity with the Texas Record Retention laws. Each Party designates the other Party as its agent with a legitimate educational interest in students’ educational records for purposes of FERPA. Both Parties shall institute policies and procedures reasonably designed to ensure that its employees and agents comply with these and all other federal and state laws governing the rights of the dual credit students with respect to educational records, and shall protect student education records against accidental or deliberate re-disclosure to unauthorized persons.
Section 11. TERM AND TERMINATION

A. Term. The Term of this Agreement shall commence upon the Effective Date ("Commencement Date") and shall expire on the last day of the second summer semester of 2020 ("Expiration Date"). Notwithstanding the foregoing, both Parties acknowledge and agree that a condition precedent to a Party’s signing the Agreement is approval of the Agreement by that Party’s governing board. The time period between the Commencement Date and the Expiration Date shall be referred to as the “Initial Term.” Upon mutual written agreement by the Parties and approval as may be required by the Parties’ governing boards, this Agreement may be extended for a renewal term ("Renewal Term"). As used in this Agreement, the term “Term” shall mean the Initial Term, the Initial Term as may be extended by the Renewal Term, or such shorter period of time in the event of termination of this Agreement as set forth herein.

B. Termination. This Agreement may be terminated with or without cause by either Party upon providing written notice to the other Party no later than sixty (60) days prior to the end of the current semester with the termination date being the last day of school under the College’s calendar for that semester. Notwithstanding the foregoing, no termination shall take effect with regard to students already enrolled in the Dual Credit Program until such time as those students have completed their dual credit courses.

Section 12. GENERAL CONTRACT TERMS

A. Entire Agreement. This Agreement, including the Recitals, the Appendices, and any exhibits, all of which are incorporated herein, constitutes the entire agreement of the Parties regarding the subject matter herein described. This Agreement supersedes all negotiations or previous agreements between the Parties with respect to the subject matter hereof. The Parties expressly acknowledge that in entering into and executing this Agreement the Parties rely solely upon the representations and agreements contained in this Agreement and no others.

B. Amendments. This Agreement may be modified and amended only by written signatures of both Parties, and any such modification or amendments shall be attached to and become a part of this Agreement.

C. Governing Law; Venue. This Agreement and the rights and obligations herein shall be performable under, governed by, and interpreted in accordance with the laws of the State of Texas without regard to its choice of law or conflicts of law provisions. The parties irrevocably consent to the sole and exclusive jurisdiction and venue of the courts of Washington County, Texas for any action under this Agreement.

D. Notice. All notices hereunder by either party to the other shall be in writing and delivered (1) personally; (2) by certified or registered mail, return receipt requested; (3) by overnight courier; (4) by facsimile or other electronic means including electronic mail; or (5) in any manner permitted under the Texas Electronic Transactions Act. Such notice shall be deemed to have been duly given when delivered personally, when deposited in the United States mail, postage prepaid, or when received addressed as follows:
or to such other persons or places as either party may from time to time designate by written notice to the other.

E. Relationship of the Parties. In the performance of their respective duties hereunder, the Parties hereto and their respective employees and agents, are at all times acting and performing as independent contractors of each other (notwithstanding the foregoing, employees of the District may teach college courses as adjunct professors of the College or through some other teaching arrangement, if such arrangement is approved in advance by the Parties). No Party will have the authority to act for or bind another Party in any respect or to incur or assume any expense, debt, obligation, liability, tax, or responsibility on behalf of or in the name of another Party hereto. Neither party shall have control over the other party with respect to its hours, times, employment, etc. The Parties acknowledge and agree that no Party will be liable for the activities of another Party, including, but not limited to, any liabilities, losses, damages, suits, actions, fines, penalties, claims, or demands of any kind arising out of this Agreement.

F. No Waiver. No delay or failure by a Party in exercising any right, power or privilege under this Agreement or any other instruments given in connection with or pursuant to this Agreement will impair any such right, power or privilege or be construed as a waiver of or acquiescence in any default. No single or partial exercise of any right, power or privilege will preclude the further exercise of that right, power or privilege or the exercise of any other right, power or privilege. By entering into the Agreement, neither Party waives any immunity to which that Party is entitled under law.

G. Assignment. Neither Party may assign its interest in the Agreement without the prior written consent of the other Party. Any such assignment made without such prior written consent shall be void.

H. Captions. The captions contained herein are used solely for convenience and shall not be deemed to define or limit the provisions of this Agreement.
I. Severability. If any provision of this Agreement is held to be invalid or unenforceable for any reason, this Agreement shall remain in full force and effect in accordance with its terms disregarding such unenforceable or invalid provision.

J. No Third Party Rights. This Agreement is made for the sole benefit of the College and the District and their respective successors and permitted assigns. Nothing in this Agreement will create or be deemed to create a relationship between the Parties to this Agreement and any third person, including a relationship in the nature of a third-party beneficiary or fiduciary.

K. Counterparts; Electronic Signatures; Electronic Transmissions. This Agreement may be executed in identical counterparts, all of which will be deemed an original, but all of which will constitute one and the same instrument. Each Party may rely on facsimile or electronic signature pages as if such facsimile or electronic pages were originals. The Parties consent to receive documents, information, and notices via electronic mail.

Blinn College Board Policy Manual EGA (Local)

This Appendix A is attached to and incorporated into the Blinn College Dual Credit Program Agreement ("Agreement") between the Parties (as that term is defined in the Agreement). Any capitalized term used in this Appendix that is not otherwise defined herein shall have the meaning set forth in the Agreement or in the Blinn College Board policies.

The Board shall establish the manner by which grades shall be determined and credit shall be awarded. These provisions shall include the methods for reporting student grades, the calculation of a student’s grade point average (GPA), the classification of students based on credits earned, the transfer of credits, student standards of performance, grade appeal procedures, and any other relevant matters. The provisions shall be published in the College District catalog. The District President shall develop written procedures to implement the grading and credit provisions adopted by the Board.

Current College Procedures for Grading and Credit

GRADE REPORTING
At the end of each semester, students receive a final grade report which becomes a part of their permanent record.

GRADING SYSTEM
The College District’s grading system applies to all courses and programs offered by the College District except those that utilize competitive admissions, e.g., allied health, where external accrediting agencies require special grading scales or standards. The grading system is as follows:

A (90-100)   Excellent
B (80-89)    Good
C (70-79)    Average
D (60-69)    Poor
F (Below 60) Failure
I (Incomplete)
Q (Dropped)
QF (Dropped Failing)
W (Dropped Due to Good Cause or Withdrawals from College)
CR (Credit)
P (Passing)
NP (Not Passing)

FS (Academic Fresh Start)

I – Incomplete: indicates that the course work was incomplete because of serious illness or other justified emergency. The instructor shall change the grade of "I" to a grade based on the work completed for the course in addition to the work specified in the Course Completion Contract. All incomplete work shall be completed within 90 days of the start of the next long semester. Failure to complete the work specified in the Course Completion Contract shall result in a grade of zero that is factored into the final grade calculation with appropriate weighing relative to other course grades.

Q – Dropped: assigned before or on the official “Q-Date” as indicated on the College District calendar when a student is officially dropped from a course. A "Q" may also be given after the “Q-Date” if the student is passing the course at the time the official drop is processed.

QF – Dropped Failing: assigned after the official “Q-Date” as indicated on the College District calendar when a student is officially dropped from a course. A “QF” may also be given at any time during the semester if a student:
1. Is administratively dropped from a course;
2. Has exceeded the six-drop limit; and
3. Does not meet any of the areas of exemption for good cause.

W – Dropped Due to Good Cause: assigned before or on the official “Q-Date” as indicated on the College District calendar when a student has officially withdrawn from the College District or is officially dropped from a course for any of the following "good cause" reasons:
1. A severe illness or other debilitating condition that affects the student’s ability to satisfactorily complete a course;
2. The care of a sick, injured, or needy person if providing that care affects the student’s ability to satisfactorily complete a course; relationship to the student;
3. The death of a member of the student's family;
4. The death of a person who has sufficiently close relationship to the student;
5. The student's active military duty service;
6. The active military service of a member of the student’s family or a person who has a sufficiently close relationship to the student; or
7. A change in the student's work schedule that is beyond the student’s control and affects the student’s ability to satisfactorily complete the course.

[For definitions of a student’s “family” and “a person who has a sufficiently close relationship to the student,” see DEFINITIONS FOR GOOD CAUSE EXEMPTION IN ECC (LEGAL).]

A “W” may also be assigned to a student not impacted by SB 1231 when he or she drops a course or withdraws from the College District.

HEALTH SCIENCES GRADING SYSTEM

The grading system for Health Science programs may differ from the approved Blinn College Grading Scale as noted in their program handbook and course syllabi. Students not meeting these standards in competitive entry programs may continue to enroll in courses outside the discipline as long as they maintain minimum college requirements.
GRADE POINT AVERAGE
College District progress is normally determined by a grade point average or ratio. Grade points are calculated by assigning values to each grade. The value is illustrated in the list below:
Grade | Grade Points per Semester Hour
--- | ---
A | 4
B | 3
C | 2
D | 1
F, Q, QF | 0
I, W, CR | 0
P, NP, FS | 0

The highest grade of a repeated course shall be used in determining the cumulative grade point average. A grade of "W" or "Q" shall not replace a grade of "F" or higher in a repeated course, but a grade of "F" shall replace a grade of "W" or "Q".

All grades earned while enrolled in the College District shall be used in computing a student's College District grade point average (GPA), except grades of I, W, Q, NP, P, FS, and CR.

The computation of a student’s College District Graduation GPA shall include transfer coursework but shall not include developmental coursework. [See the College District Catalog for detailed information about specific degree requirements]

GRADE CHANGE POLICY
For any questions regarding grade changes, call the office of the Vice President of Instruction. Blinn College policy is that grades older than one year will not be changed.

COURSE GRADE COMPLAINTS
A student who feels his or her final grade is in error, for whatever reason, has recourse to appeal. Please see Blinn College Board Policy FLDB (Local): Student Complaints: Course Grade Complaints within the Blinn College Catalog.

ACADEMIC GOOD STANDING
In order to remain in academic good standing with the College District, a student must maintain a cumulative grade point average of at least 2.0 (C). A 2.0 cumulative grade point average is the minimum average required for graduation.

SCHOLASTIC PROBATION OR SUSPENSION
A student with a cumulative grade point average below 2.0 at the close of any long semester or summer school shall be placed on scholastic probation. A student who fails to achieve a minimum 2.0 semester and cumulative GPA at the end of the subsequent semesters will be placed on scholastic suspension. A student with a semester GPA of greater than 2.0 and a cumulative GPA of less than 2.0 will remain on scholastic probation. Students being placed on scholastic probation at the end of the long semester will receive an email at their Blinn College Buc account. Student being placed on scholastic suspension at the end of the long semester will be mailed a letter at their permanent address and will receive an email at their Blinn College Buc account.

Students transferring from another college with less than a 2.0 GPA, if admitted, are admitted on scholastic probation. These students must meet the same requirements in subsequent semesters as all
other students on scholastic probation (see above).

A student placed on scholastic probation becomes ineligible to be a candidate for an elective or appointive office of a college-sponsored activity or social organization. This restriction does not apply if participation in the activity or organization is part of the requirements of a college course. The student may be required to forfeit college scholarships, be ineligible to represent the College, and may be subject to a loss of veteran's benefits and other financial aid. A student on scholastic probation is required to be advised prior to registration. A student that registers prior to the conclusion of the semester they are placed on probation must be re-advised in order to keep their courses.

For those students who have been scholastically suspended but have extenuating circumstances preventing them from achieving the minimum 2.0 GPA, an appeal for reinstatement may be made. This appeal must be made in writing to the scholastic appeals committee. Information on the appeal procedure and deadline is included in the letter sent to suspended students. The decision of the scholastic appeals committee is final. No appeal for reinstatement may be made after the appeal deadline. If required, a student must make a separate appeal for reinstatement of financial aid funds.
APPENDIX B

Interactive Video Class Regulations

This Appendix B is attached to and incorporated into the Blinn College Dual Credit Program Agreement ("Agreement") between the Parties (as that term is defined in the Agreement). Any capitalized term used in this Appendix that is not otherwise defined herein shall have the meaning set forth in the Agreement or in the Blinn College Board policies and procedures.

The College is pleased to work with area high schools, the District, and Education Service Centers VI and XIII to offer college credit courses to high school students via interactive video conferencing (IVC) and will seek every opportunity to use the available technology to deliver courses to off-campus sites. In order to ensure the highest quality education possible using this technology, the following items must be agreed to by the parties involved.

Determining Appropriateness of Interactive Modality

The College and District representatives shall reach a consensus to determine whether interactive video is an appropriate means to offer a course.

The College will retain final authority as to the instructional modality used (traditional or IVC) depending on course enrollment and the appropriateness of the equipment and room configuration at the District site. Modification to room location or room configurations shall be agreed to in writing, and the modifications shall be completed by the first day of instruction. Any expenses incurred shall be paid by the District.

Class Size and Scheduling

The number of sites in a combined class shall be limited to a total of three sites, including the originating site. The total number of students at all sites shall not exceed the class limits of a traditional class in the same subject at the College.

To determine how many students a remote site can reasonably accommodate, an assessment of the room layout and equipment will be made by a member of the College’s Distance Education program.

Classes will be scheduled and held according to the College’s calendar.

Site Facilitators and Technical Support

Site facilitators or technical personnel must be available before the beginning of each class session to initiate and test the connection to the Educational Service Center and the College.

Each District shall provide an adult site facilitator in the room during the entire class period to monitor class activities, including exams. Each District shall assume the costs of the site facilitators and technical support technicians. Technical support staff must be on site (not necessarily in the classroom) to assist in resolving technical problems. Site facilitators must have access to a fax machine.

There will be a central point of contact designated at the District. The College’s central point of contact for classes conducted via IVC will be designated by the College’s Distance Education office.

The College shall pay for mailings originating from Blinn College; the District shall assume costs of mailings originating from the District.

Telecommunication Requirements

Each District shall pay for its T1 and other telecommunication fees, including Educational Service Center fees, and shall be responsible for providing and maintaining its own equipment and connection to the Educational Service Centers. The District shall be responsible for maintaining its T1 lines.
There must be a separate dedicated telephone line with access to long distance and a speakerphone in each interactive classroom. A working document camera must be available for use for each class session.
