Department of Housing and Residence Life & Judicial Affairs

MISSION STATEMENT

The Department of Residence Life & Judicial Affairs supports the Student Services mission through the development of safe, comfortable living learning communities that are conducive to academic success and personal and social development.

COMMUNITY LIVING EXPECTATIONS: THE BASICS

Introduction

- Blinn College is a multi-campus postsecondary educational institution with a residence life program contained on the Brenham campus. Residence halls and on campus apartments are available for students to live in while pursuing their educational endeavors. Blinn College has the responsibility to ensure that residence life is supportive of the educational mission of the institution while maintaining a safe and supportive housing experience for each student. This publication is subject to change without notice. Additional information that the resident may find helpful is included.
- By completing the Residence Life Application and signing the Housing Agreement students agree to adhere to the Blinn College policies and procedures set forth in this document while residing on campus. Lack of familiarity with applicable policies does not constitute a reasonable defense for violation of policies. Blinn College reserves the right to institute additional policies and procedures applicable to Blinn College Residence Life and to amend or modify any policy or procedure contained herein as Blinn College determines to be appropriate.

Housing Agreement

- Each resident must electronically sign the Housing Agreement as part of their housing application. The Housing Agreement the full academic year that the resident is enrolled at the Brenham Campus of Blinn College. Spring Housing Agreements are available for those students who only attend summer.

Room Assignments

- The Housing Office reserves the right to move residents to another hall for safety reasons, to conserve energy, to conduct repairs, or other circumstances deemed necessary by College staff.
- **Room Changes** - No room changes are made until after the first day of class in a long semester. Summer students may only request a room

change after the start of their respective summer term due to an extreme circumstance. Residents who wish to make a room change should contact their Hall Director/Apartment Manager for availability. All room changes must be approved by the Main Housing Office. Any resident requesting a new roommate will usually be required to change rooms. Residents changing rooms must follow standard check-out procedures. Failure to follow this process will require the students to return to the assigned room and/or be assessed a fee.

- **Hall Transfers** -If space is available, residents may be permitted to transfer to another residence hall or apartment. This change must be made in the Housing Office. The same procedure must be followed in checking out of the room as stated above.
- **Special Housing Assignments** - Students with disabilities requiring special housing arrangements must complete an application for housing to the housing office and submit justification to Department of Housing & Residence Life.
- **Room Consolidation** - The Department of Housing & Residence Life reserves the right to make assignment and reassignment of accommodations as considered necessary. Residents will be required to consolidate in order to allow residents wishing to occupy a private room to do so. Residents occupying single rooms must select one of the following options:
 - Elect to contract and pay the additional fee for the private room. This option is permitted only if space is available and approved by the Housing Department.
 - Choose to move to another half-filled room in the same building.
 - Residents, who are directed to consolidate, but fail to do so, will be billed automatically for a private room. Residents who refuse to accept an assigned roommate, or who elect to pay for a private room after a roommate is assigned, will also be automatically charged the private room rate prorated from the date single vacancy occurs.
 - If a resident is occupying a double room without a roommate, the resident must:
 - Keep the unoccupied half of the room in the condition that would allow someone to move into the room on short notice.
 - Agree to accept a roommate assigned by the Department of Housing & Residence Life.

Criminal Background Check

- Blinn College conducts criminal background checks on all housing residents prior to acceptance into campus housing and prior to each semester. Additional background checks may be conducted at any point during the school year. Students with a pending Class B or higher charge will not be allowed to live on campus until verification of dismissal from the court has been provided to the Judicial Officer. Should a student be charged with a criminal offense during the course of a semester which would preclude them from being a housing resident, that resident will not be eligible to remain in housing. The student may reapply for housing at a later date, but will be subject to all housing requirements.

Attendance Policy/Below Hours

- Students who live in campus housing are required to enroll in a minimum of 12 credit hours per semester and remain enrolled in 12 hours throughout the semester. Students are required to attend all of their classes regularly. If the student accumulates two weeks' of absences the student will be administratively withdrawn from class. For more information on Blinn College's Attendance Policy see Board Policy FG (Local).
- When a resident drops below 12 credit hours, the resident has 3 class days to begin the academic reinstatement process or complete an appeal to stay in Residence Life. If reinstatement is not possible and the appeal is denied the resident must move out within 48 hours.
- Appeals will be heard by the Assistant Director of Housing and will take academic performance, discipline record, and additional circumstances into consideration. If a resident is approved to remain on campus below (12) hours and commits a discipline violation, the student must move from campus housing within 48 hours of notification. All class drops must be approved by the Housing Office. No refunds will be issued for housing or meal plans after the eighth week of class. Prorated amounts can be issued for a cancelled housing assignment prior to the eighth week of class.

Grade Point Average (Required GPA)

- No student with less than a 2.0 cumulative grade point average (GPA) will be allowed to live in student housing. At the end of each long semester, students who fail to have a 2.0 cumulative GPA are notified by email that they no longer meet the GPA requirement to live on campus, and that their room will be cancelled. An appeal to remain in housing below the GPA requirement may be filed. Failure to submit an appeal by the appeal due date results in automatic cancellation of the

students room for the upcoming semester. Students will not be eligible to live on campus again until their institutional cumulative GPA has been raised to 2.0 or higher and reapply to return to housing.

Identification Card (Blinn ID)

- Each student must obtain a Blinn College Student Identification Card (ID) from Enrollment Services prior to moving into their housing assignment. A Student ID is not transferable and may not be used by or given to others. It can be used to swipe for meals in the Dining Hall and other food service locations, to check out materials in the library, and is needed for entrance to College sponsored activities. Students must have their current Student ID with them/on their person at all times and present it willingly upon request by any student or professional staff member, or any Blinn College Police Officer. Students must present ID when entering a residence hall.

Keys, Cards, & Fob Access

- Keys, access cards, and fobs to doors/rooms/apartments are issued during the check-in process. Duplication of keys and loaning keys to others is strictly forbidden. Locks must not be altered or added or charges will be assessed. Keys are the property of Blinn College and must be returned to the Hall Director/Apartment Manager at the end of the resident's occupancy. Residents must carry their keys or cards at all times. Broken, lost, or stolen keys/cards/fobs must be reported to the Hall Director/Apartment Manager immediately. Lost key, card, or fob fees are charged to the student's account before replacements will be issued.
- Residence hall access (white) cards and fobs will be replaced for \$25 each. If a student loses their room (gold) key, the student will be subject to a room door lock change, the charge is \$50, which includes the new key. Failure to return keys at check-out will result in a charge of \$50 room key and lock change fee.
- The Blinn College Park Apartment key will be replaced for \$50. When an apartment key is lost and 3-5 locks must be re-keyed, the replacement charge is \$150 charged to the resident who lost the key. Failure to return the BCPA room key at check-out is \$150 room key and lock change fee.
- **Improper Use of Room Key** - All occupants are issued a designated key and/or access card/fob to gain entrance into their residence hall and/or apartment. At no time may a resident allow anyone other than themselves to be in possession of these items. Allowing another resident, student, or person access to a living space they are not assigned to jeopardize the safety of all students residing within a hall.

Individuals who violate room key usage will be issued a disciplinary summons. If an individual loses possession of their key(s) and/or access card, they should contact Hall Staff immediately. Hall staff will apply the appropriate charge to the students account for replacement keys, white cards, and fobs.

- **Improper Change of Room** - All occupants are assigned a given space (Hall, Room #, Bed #.) No resident is allowed to switch rooms with any other resident without proper clearance through the Housing & Residence Life office. No resident may move out and allow another person to move into their assigned space without proper clearance through the Housing & Residential Life office. Residents who do so will be issued a disciplinary summons and will be fined.

Room Condition Sheet

- The evaluation of the room condition and the inventory of the furnishings must be recorded on the Room Condition Sheet prior to move in. It must be signed and returned to the housing staff prior to move-in in order to be valid. A complete listing of existing room damages, missing furniture and other irregularities is imperative. This form serves as a contract between Blinn College and the occupying resident on the move in condition of the student's residence hall room or apartment. Any excessive wear or damage to the room located at check out that is not indicated on the Room Condition Sheet at move in is the responsibility of the resident and damage charges may be assessed accordingly.

Personal Data Sheet

- Each student is responsible for completing a Personal Data Sheet upon move-in to their residence hall room or apartment. On this form residents should list a reliable Emergency Contact for Blinn College staff to contact in the event that the resident is involved in an emergency. Whoever the student lists as their emergency contact is who will be contacted by Blinn staff in the event of an emergency.

Buc E-mail Accounts

- The student email account is the primary communication method between Blinn College and students. Students are required to activate their account to receive College communications. Failure to activate the account does not relieve the responsibility of not receiving important messages sent to the student. Blinn College partners with Microsoft Windows Live @ Edu to provide e-mail accounts to future, current and former Blinn students. Each student is provisioned an account once their application is complete.

- To verify your email address in MyBlinn
 1. You can log into MyBlinn to determine your Blinn e-mail account.
 2. It should appear as the following:
Firstname.LastnameLast2digitsBlinnID@buc.blinn.edu

Community Living Agreements

- All students must complete a Community Living Agreement within the first week of moving into their residence hall. This document is a living contract between the resident and their roommates and suitemates addressing how cleaning, conflict, and shared living issues will be handled throughout the semester. Students complete this document in the presence of their Resident Assistant who will help mediate concerns of residents as they work through the document. Students are expected to uphold the agreement they set forth with their roommates at the beginning of the semester. Any changes to the original contract need to be updated with the Hall Director of the residents respective building.

Signs/Notices/Fliers

- Residents must pay special attention to all signage posted in the hallways and on resident doors. This is a frequently used means of communication by the college to distribute information regarding registration, check out, holiday close down, etc. Do not remove or tamper with notices posted by College staff. All signs or posters must be approved before they are displayed. If signs are tampered with, damaged or removed, general charges will be issued to the entire hall \$10 per sign for replacement. This will be included in the Group Billing. Some communication requires the recipient’s signature.

Safety Tips

In such cases, every effort will be made to redact the records in order to protect the privacy of individuals.

However, such wishes will be considered in the context of the College's legal obligation to ensure a working and learning environment free from sexual harassment. It is imperative that the due process rights of the accused to be informed of the allegations and their source also not be violated. Some level of disclosure may be necessary to ensure a complete and fair investigation, although requests for confidentiality will be maintained to the extent possible.

Once I turn in a complaint, what is the process?

- When a report of sexual misconduct is obtained the following courses of action will take place:

 - Once a judgment is rendered **both** parties involved have the right to appeal the decision of the Title IX coordinator to the Disciplinary Appeals Committee.

Therefore, if a complainant or a witness is retaliated against for participating in a Title IX investigation disciplinary actions will be taken.

My friend told me he or she was sexually assaulted, what should I do?

- Be supportive.
- Listen to what she or he has to say.

EMERGENCY PROCEDURES: A – Z

Active Shooter & Bomb Threat

- In the event of an imminent threat to life safety (i.e., an active shooter on campus, bomb threat) Blinn Alerts will be sent. Please follow all

instructions provided within the alerts, or given by emergency response personnel. When in doubt, find shelter in a safe, secure area. More information on emergency preparedness can be found at <http://www.blinn.edu/emergencymanagement/>

Blinn Alert System

- The Blinn Alert System is an emergency mass notification tool used by Blinn College to inform students and provide safety information in the event of an emergency. This system can alert students via e-mail, phone call, and text message. To be warned of any pending danger, students must update their cell phone, text messaging and/or alternative email contact information by going to their MyBlinn portal and completing the instructions for setup. All residents are expected to activate their Blinn e-mail account and check it regularly as Blinn Alert messages will be sent to this account.
- When the College initiates an emergency message the student will be contacted by the method(s) selected. The call sequence will cease, when the affirmative response message has been received.
- Enrollment in the program is free. Cell phone carriers may charge for a text message if students do not possess a plan that includes messaging; consult carrier for details. Blinn College will not use this contact information except in an emergency that has the potential to affect your health and safety.

Camera (Surveillance) System

- To help deter theft, damage, and to monitor the traffic flow in and out of the residence halls, surveillance cameras are installed. Tampering with surveillance camera equipment is viewed as a threat to community safety and may result in damage charges, removal from housing, and possible legal action. Recorded activity may be used as evidence in the campus judicial system or in legal proceedings.

Fire & Fire Alarms

When the fire alarm sounds, EVERYONE must exit the building immediately. Follow instructions below.

Primary Escape Route: Emergency exit doors at the end of each hallway.

Secondary Escape Route: Inner common use stairwells.

Prior to Evacuating the Residence Hall Room

1. If your door is hot to touch, **DO NOT OPEN IT!**
 - a. Roll up a wet towel and place it at the base of the door to prevent smoke penetration.
 - b. Use a secondary means to exit the room.
2. If your door is cool to the touch, **OPEN IT SLOWLY.**

- a. If you encounter heat and/or pressure in the hallway, leave your room carefully, closing the door behind you, and proceed to the nearest exit/stairwell to the designated area to be counted by a staff member. (If possible, alert other students on your way to the exit.)
 - b. If the hallway is clear, close your door behind you and proceed to the nearest exit/stairwell. (If possible, alert other students on your way to the exit.)
3. Always use stairs to evacuate the building.
 4. If you encounter smoke, take short breaths through your nose and stay close to the floor (crawl if possible.)
 5. DO NOT attempt to remove personal items.
 6. If your clothing catches fire: STOP...DROP...AND ROLL!!!
 7. Once outside the building, move far away from the building and wait until recalled by an authorized College official.
 8. Disabled persons who require assistance in evacuating should alert their Hall Director and Resident Assistant in advance.
 9. ALWAYS REMEMBER YOU ARE NOT EXPECTED TO FIGHT A FIRE YOURSELF.

Fire Drill

- Fire drills are conducted every semester to educate residents on how to react in the event of a fire in the residence hall. Fire safety and evacuation safety routes and procedures are explained at the first Hall Meeting. Become familiar with the exit routes, posted at focal points in each building. You are required to participate, if present, in periodic fire drills. **Evacuation is mandatory when the alarm sounds.** Failure to evacuate during a fire alarm could result in summons, fines, or legal repercussions.

Fire Extinguishers

- Fire extinguishers are provided in the halls as a safety device for use in the event of a fire. As a student, your responsibility is to evacuate the building. **YOU ARE NOT EXPECTED TO FIGHT A FIRE.** If you attempt to fight a fire or use the fire extinguisher, you do so at your own risk.

Missing Person

- In the event of a Missing Person, the student's designated emergency contact (as listed on the student's Personal Data Sheet) will be contacted no more than 24 hours after the time the student is determined to be missing. If there is reason to believe that a student is missing, all possible efforts will be made to locate the student to determine the student's state of health and well-being. The efforts to

locate the student will be a collaborative effort between Blinn College Division of Student Services and Blinn College Police Department, fellow students, family, and friends.

Severe Weather

- In the event of immediate severe weather (i.e., tornado, severe thunderstorm), a Blinn Alert will be sent and Residence Hall Staff will direct students into a location within the Residence Hall to take shelter.
- In the event of inclement weather (i.e., hurricanes, winter weather, flash flooding) Residence Hall Staff will coordinate with students to make arrangements for evacuation or shelter within the halls. Blinn Alerts and Announcements will be used to communicate with students as severe weather situations develop.

COMMUNITY LIVING: A – Z

Abandoned Property

- Abandoned property is defined as items of value that are left when residents check-out of their residence hall room or apartment. A fee of \$50 will be charged to the responsible resident. If the property is not picked up within one (1) week of check-out, the items will become the property of Blinn College. Abandoned items will be confiscated and the contents will be disposed. Abandoned cars will be towed at owner's expense.

Animals

- Animals are not permitted (even temporarily) in the student rooms of the residence halls and apartments, for hygienic purposes as well as for those who have allergies. Animals include mammals, fish, reptiles, birds, rodents, and insects. Feeding stray animals is prohibited. If an animal is found in a resident's room, disciplinary action will be taken. An exception to this policy will be made for non-sighted, hearing-impaired residents who depend on a guide dog or other exceptions covered under the Americans with Disabilities Act.
- **Service & Emotional Support/Comfort Animals** - Exceptions are made for Service Animals and Emotional Support Animals according to the guidelines outlined below. Students interested in bringing an Emotional Support Animal on campus must meet a number of guidelines and submit their request to the Vice Chancellor of Student Services. Paperwork for this process can be picked up at the Main Housing Office Monday through Friday between 8am and 5pm.

Apartment Manager & Assistant Apartment Manager

- These are live-in staff members who work to develop a community for the academic and personal growth of their residents. Staff office hours are posted within each hall/facility, including after hour contacts and emergency phone numbers.
- Their office hours are as follows:
 - Apartment Manager: Monday- Friday 8am to 5pm
 - Assistant Apartment Manager: Sunday-Thursday 3pm to 12am

Bicycles

- Bicycles racks are provided near Residence Halls. Bicycles cannot be stored in hallways, stairwells, or resident rooms or apartments.. Bicycles should not be stored or chained to outside stairwells. Blinn College is not liable for damage to or loss of bicycles. If bicycles are left chained to bicycle racks more than one (1) week after the end of a semester, the bicycles will become property of the Blinn College Police Department and will be removed. Residents should register bicycles with the campus police department. The Blinn College Police Department is located on the first floor of the Student Center.

Check-in & Checkout Procedures

- Check-in and checkout procedures are crucial. Students must complete all check-in paperwork before occupying a room. Prior to leaving campus at the end of every semester, each student must complete designated checkout procedures. Students will be notified of designated checkout procedures by fliers placed on resident doors and in hallways. Students are expected to check out within 24 hours of their last final or by the designated closing date and time, whichever comes first.
- **Residents must check out with Residence Life Staff** - Failure to follow the posted check-out procedures, including leaving on time, will result in the resident incurring a \$25.00 improper checkout charge. Residents are expected to checkout and complete a checkout form for Thanksgiving Break, Winter, End of Semester, and Spring Break. Residence Life staff will inspect and collect these forms.
- **When a resident leaves early**, the student must remove ALL possessions. Items cannot be stored in the room with the roommate or another resident. Charges will be placed on the former resident's account. The abandoned items will be confiscated and the contents will be disposed. If residents agree to hold belongings from another resident after a resident is removed from housing and fails to remove that student's belongings upon checkout, each student will be charged a \$75 fee for abandoned property.

- **Holidays** - College housing is officially closed for designated holidays as listed on the [Blinn College Calendar](#). Room payments do not cover these holiday periods. Housing officially closes at 5:30 pm before the holiday period begins. **ARRANGEMENTS MUST BE MADE TO LEAVE ON TIME.** Only in an emergency situation are students allowed to remain on the premises after that 5:30 pm deadline and only with approval from the Main Housing Office. Valuable possessions should be removed during these periods. Blinn College is not liable for property that is vandalized or stolen.
 - **Winter Break (Three Criteria)** - In order to leave things in rooms between the Fall and the Spring semesters, residents must meet three criteria. The resident must: (1) be returning to the same room, (2) be registered for the next semester, and (3) their next semester bill must be paid IN FULL or have verification of adequate scholarship or financial aid. If the resident does not meet these 3 criteria, all possessions must be removed from the room. Leaving items will incur a \$75 abandoned property fee. Leaving items between any other semesters is not allowed without express written permission from the Main Housing Office. Housing may be available for student populations who need to remain on campus due to an extreme circumstance or related to a College sponsored event(s).
