THE RULES AND PROCEDURES FOR ONE-ACT PLAY

The following rules are designed to allow for the One-Act Play Contest to run effectively.

1. Load-in will be at the rear of the Dr. W. W. O'Donnell Performing Arts Center. After entering the wide drive between the theatre and the baseball field, turn left after passing the Center into the rear parking lot. Loading and unloading will take place at the two large double doors. (The loading dock will NOT be used.)
2. During rehearsals, the auditorium and stage are to remain entirely clear of any and all persons except those in the rehearsing company.
3. Each school's scenery will be stored at the rear of the auditorium, behind the cyclorama. Cast and crew will be expected to take hand props with them to and from rehearsals. Please make certain that all of your scenery fits in the allotted space.
4. Cast and crew must be absolutely quiet both when approaching and leaving the dressing room area during both the rehearsal and the performance times.
5. Each cast and crew is responsible for bringing their own mirrors.
6. In accordance with UIL rules, alternates, parents, and other non-cast/crew shall not be in the dressing area during the official preparation time or during the contest. If you have concerns about this rule, check with the contest manager for clarification.

Cast members are to enter directly to the stage when notified. Please do not ask that exceptions be made to these rules.

Participants are reminded that the contest begins at 1:00 p.m. and that the plays will run back to back.

All directors will meet briefly with the critic judge at 12:30 p.m. in the MRW Studio Theatre, which is located within the W. W. O'Donnell Performing Arts Center.

Following each performance, the participants must return to the dressing area to remove any costumes and makeup. Cast and crew are reminded not to reenter the auditorium in makeup or costume or while a play is in progress.

10. **AWARDS AND CRITIQUES:** The announcement of winners, the presentation of awards, and the oral critiques will follow the last performance and as soon as the judge is ready.
