

Co-Enrolled F-1 International Student Admissions Checklist

(Students with an F-1 visa and an active I-20 through another U.S. institution who wishes to take one or more courses at the Blinn College District while remaining in full-time status at their current institution.)

Admissions Deadline:

Co-enrolled students do not have a specific admissions deadline but must submit admissions requirements for processing prior to the start of a term to ensure ability to enroll in classes during the Add/Drop period for the term.

Co-enrollment Permission:

Co-enrolled students must receive permission from their current International Office/DSO to be able to enroll at the Blinn College District. This permission must be sent directly from their current international office to the Blinn International Student Program office to be accepted. This permission should state the student's requested term and approved number of hours. Permissions can be emailed from the DSO to international@blinn.edu.

Admissions Documents:

Initial Admission items should be submitted through the student's myBLINN portal using the Admissions Forms icon. Click the items below to be directed to the submission portal (you must have your myBlinn log-in). Some items can only be temporarily accepted via the portal, see these items as noted by the * below.
