

Library Mission Statement

The Blinn College Library supports teaching and learning, intellectual and professional growth, and the aesthetic and cultural development of Blinn College students, faculty, staff, and community populations. We provide resources, services, and expertise to enrich the lives and broaden the horizons of our users while preparing students to be informed, responsible citizens and life-long learners who function effectively in a technological, information-based society.

“Word” Shop: How to use Microsoft Word to write your paper.

Wednesday September 21st @ 1:00 pm

Wednesday September 21st @ 7:00 pm

Don't know what a hanging indent is? Can't figure out your works cited page in Word? The library will cover the basics of using Microsoft Word to format your paper. There will be hands on practice in using Word to create Headers and Footers, insert page numbers, and more.

Downloading eBooks: How to use the Library's eBook databases for research

Thursday October 13th, 3:00 pm

Come to the library for a demonstration of how to download eBooks. We will take an in depth look at EBSCO eBooks, ebrary, and our AXIS 360 database. We will show how to use these resources in your research assignments.

Fact or C.R.A.A.P.?: How to determine if a website is appropriate for research.

Monday October 31st @ 3:00 pm

Think Google is the only thing needed for research? Come to the library and get hands on experience in evaluating websites and determining where they fit in to the research process.
