INSTRUCTIONAL USE OF VIDEOS REQUEST FORM

Instructor: ____________________________________________________________

Class: ________________________________________________________________

Instructional Objective: ______________________________________________
____________________________________________________________________
____________________________________________________________________
____________________________________________________________________

*Name of Video: _______________________________________________________

Source of Video (ESC, Unit Purchase, Etc.)

Length of Video: ______________________________________________________

*Please respond to the following WSD criteria “Instructional Use of Videos” before submitting form.

YES NO
1. Was the film developed and produced for training or educational purposes (i.e., entertainment films are inappropriate.)?
2. Is the film media directly related to attainment of instructional objective/goals?
3. Is the film media appropriate for use in a secure, correctional environment (e.g. does not attempt to stimulate sexual response, does not glorify violence, is not provocative or inflammatory, etc.)?
4. Is the film media appropriate in length for use in an instructional environment (e.g., typically no more than 45 minutes in length)?
5. Would use of such film media violate copyright laws?

If you were unable to answer “YES” to all of the above questions, except #5, the video is not suitable for use in a Windham classroom.

**Please post approved video request form in window of classroom when showing a video.**
