ARTICULATION AGREEMENT
Between Texas A&M University-Corpus Christi
and
Blinn College

Introduction

The purpose of the articulation agreement is to provide a clear path for those Blinn College students who either intend to complete the AS Degree in Business or intend to complete the required lower-division coursework toward an Online BBA Degree Completion at Texas A&M Corpus Christi ("TAMU-CC").

This agreement establishes guidelines for course articulation and course substitutions between both institutions per award, certificate, or selected courses. The agreement of articulation and course substitutions will be in accordance with the minimum standards as set in this agreement by both the respective programs at Blinn College and TAMU-CC.

Course Substitution Process

Both Blinn College and TAMUCC acknowledge that they have compared the class descriptions, syllabi, and other course documents to confirm that courses listed in Table 1, are suitable matches between the two programs.

The following procedures will be used by TAMU-CC to approve any course substitutions from Blinn College students:

- Each student must follow the submission requirements set forth by TAMU-CC as stated in the Admissions section of the official University catalog available at http://catalog.tamucc.edu;
• The process will consist of a comprehensive review of the students' transcript, including course descriptions, course grades and GPA of each applicant before admittance into TAMU-CC;

• Only applicable academic courses as outlined in Table 1 (see attached Transfer guide) per Bachelor Degree program may be accepted as substitutions; and

• Students may be required to complete additional courses to satisfy the lower-division general education requirements of TAMU-CC for the Bachelor degree plan.
