Memorandum of Understanding

Introduction

Blinn College wishes to collaborate with transfer institutions interested in ensuring students take the maximum courses possible prior to transfer with all college-level courses earned counting toward their intended field of study or major at the four-year college or university. This Memorandum of Understanding (MOU) formally recognizes that Blinn College and Texas A&M University-San Antonio are actively committed to providing greater educational opportunities and services for students transferring between institutions.

Blinn College is accredited by the Southern Association of Colleges and Schools Commission on Colleges. Texas A&M University-San Antonio, located in San Antonio, TX is accredited by the Southern Association of Colleges and Schools Commission on Colleges. This commitment strongly supports the concept of seamless transfer that embraces the principle that transfer students should not be required to repeat courses already successfully completed.

Each institution, furthermore, is dedicated to serving students from all walks of life in compliance with state and federal law.

Purpose

The purpose of this MOU is to formalize a relationship to assist students to achieve both associate and baccalaureate completion. This MOU enables students at Blinn College who transfer to Texas A&M University-San Antonio to have the college-level credits earned apply, to the greatest extent possible, toward their intended major, resulting in degree completion and successful employment. Transfer articulation is with Blinn College.

Advising Guides

In collaboration with Texas A&M University-San Antonio, Blinn College will develop appropriate advising guides to identify all freshman and sophomore level courses required for specific baccalaureate degrees. This will ensure maximum transferability of courses with the intent that courses taken at Blinn College will count toward degree requirements. Where applicable, Texas A&M University-San Antonio will encourage students to complete an Associate degree at Blinn College before transfer. If the advising guide does not meet Associate Degree requirements, both institutions agree that the student should transfer and achieve the Associate Degree through reverse transfer.

The advising guides for each major will specify the amount of transfer credit that will be accepted towards a baccalaureate degree. Where advising guides include greater than 60 credit hours, the student is encouraged to earn the maximum allowable hours before transfer.

Texas A&M University-San Antonio will notify Blinn College annually of any changes in degree requirements.

Bridge to Transfer

By the completion of 30 college-level hours, students at Blinn College will declare the college/university to which they intend to transfer. Upon receiving notice of intent to transfer,
Texas A&M University-San Antonio’s and the advising/mentoring teams of the colleges will work together to actively engage the student to support successful completion of the advising guide courses and prepare for transfer.

Blinn College and Texas A&M University-San Antonio agree to provide direct links between their institutional Web sites indicating the existence of this Agreement. Official lists of advising guides (AA, AAT, AS, and AAS) reviewed by both the faculty of Blinn College and Texas A&M University-San Antonio will be made available at both institutions.

Core Curriculum

Completion of the Core Curriculum of Blinn College will transfer as a block and will satisfy the Texas 42-hour core general education requirements at Texas A&M University-San Antonio. If any courses are preferred or required for specific baccalaureate degrees, the courses will be indicated as such in the advising guides.

Transfer Admissions Requirements

Upon completion of an advising guide, students at Blinn College will go through Texas A&M University-San Antonio’s transfer process and therefore must meet all applicable requirements and deadlines pertaining to application for admission, orientation and registration, and payment of tuition and fees. They will abide by the policies and procedures, along with any revisions thereof that apply to all students from that institution. Texas A&M University-San Antonio will apply the advising guide applicable in the year the student enters Blinn College in compliance with Texas Administrative Code Title 19, Part 1, Subchapter B, Rule 4.25.g.

Associate in Applied Science (AAS) Degree

The Associate in Applied Science (AAS) Degree represents the attainment of depth of technical competency in identified occupational areas. Students transferring an AAS degree to Texas A&M University-San Antonio will have achieved competency in many areas generally considered to be upper division. However, some courses in the area of general education may still need to be earned. Texas A&M University-San Antonio will provide advising guides that maximize the transfer of AAS course requirements to baccalaureate degree programs as the student completes the advising guide courses and prepares for transfer. Vocational and technical hours completed as part of an AAS degree will only be accepted for credit in the en bloc section of applicable Bachelor of Applied Arts and Sciences (BAAS) degrees at Texas A&M University-San Antonio.

Provision for Student Financial Assistance

Blinn College and Texas A&M University-San Antonio understand that all rules and regulations regarding the administration of Federal Title IV Student Financial Aid apply to students who may wish to attend both institutions simultaneously. A consortium agreement must be obtained by the student from the Financial Aid Office of their primary "home" institution and submitted to the Financial Aid Office of the "host" institution for completion. All consortium agreements must be approved by the appropriate Blinn College official.

Provision for Campus Visits/Transfer Fairs

Texas A&M University-San Antonio will be offered many options designed to recruit students and alumni. Opportunities include but are not limited to: transfer fairs, campus visits, events
posting, and university-specific fairs. Information sessions and Advisors will be available on
campus by appointment for transfer planning.

Any marketing or advising materials developed by Texas A&M University-San Antonio will
adhere to the terms of this MOU.

Exchange of Data

Blinn College and Texas A&M University-San Antonio agree to exchange data and documents
as agreed that will contribute to the maintenance and improvement of these transfer
arrangements, and promote effective cooperation between the two institutions.

Any exchange by the parties of student record information protected by the Family Education

Reverse Transfer

"Reverse Transfer" allows students to transfer course work from Texas A&M University-San
Antonio back to Blinn College to complete requirements for the associate degree from Blinn
College. This program is specifically designed to allow students to receive the advantages
pursuant to completion of the associate degree when they transfer prior to degree completion.
Texas A&M University-San Antonio and Blinn College will develop a reverse transfer process to
provide students with the opportunity to complete the associate's degree while working on their
Texas A&M University-San Antonio bachelor's degree. Student records will be exchanged
between Texas A&M University-San Antonio and Blinn College for this purpose, strictly adhering
to all privacy regulations and ensuring compliance with Texas House Bill 3025.

Any student who transfers from a two year degree awarding institution to another Texas public
college or university, has completed 25% of the Associate degree (usually 15 college-level
credit hours) and has subsequently earned credits at the transfer institution may qualify for an
Associate's Degree at the two year institution.

Earned hours must include the courses required by the Texas Higher Education Act as set forth
in Subchapter F, sections 51.301 and 51.302 (six [6] semester hours in U.S./Texas government
