2+2 Articulation Agreement between Blinn College and TAMU Biomedical Sciences

This agreement serves to facilitate the admission and academic transfer of students from Blinn College to the Biomedical Sciences program (BIMS) in the Texas A&M University College of Veterinary Medicine and Biomedical Sciences. As students successfully progress toward the completion of the Associate of Science degree, this agreement will ensure the seamless transition of students into the BIMS program according to the provisions and conditions below:

Blinn College students who complete the attached degree plan, as full time students will be admitted to the BIMS program automatically, provided:

- 1. They meet all other general admission requirements (i.e., transcripts, applications, time lines, deadline dates, etc.) for transfer admission to Texas A&M University.
- 2. Students must have maintained no less than a cumulative 3.4 GPA in the courses taken at Blinn College and be eligible for graduation from Blinn College.
- 3. Students must not have made any grade below a "B" in all of their Common Body of Knowledge (CBK) science and math course work.
- 4. This agreement will be reviewed on an annual basis and may be amended by mutual written consent of both parties by issuing an addendum to this agreement.
- 5. This agreement will commence effective the Fall 2015 semester with commitment of a five (5) year period.
