Through the program, students will be able to enroll in a major at Baylor while spending their first year at Blinn College. Their Blinn classes will then seamlessly transfer toward their Baylor degree.
• **BRENHAM CAMPUS LVN PINNING:** Our Brenham Campus Licensed Vocational Nursing Program recently welcomed 20 graduates into the profession at the Dr. W.W. O'Donnell Performing Arts Center. This marked the program’s 52nd graduating class. Since 2009, all 81 program graduates to take the National Council Licensing Exam from the Texas Board of Nursing have passed.

• **LIVESTOCK JUDGING CAMP:** Our inaugural Livestock Judging Camp hosted at the W.J. "Bill" Rankin Agricultural Complex drew more than 100 participants earlier this month. Some of the participants came from as far as Oregon, Indiana and Illinois to learn from our nationally-recognized Agricultural Sciences instructors.

Our largest growth has come on the Bryan Campus and Dr. Sylvia McMullen will speak more regarding those numbers and how we are addressing that growth. Our Distance Learning Programs continue to see the highest percentage of growth, with 811 students enrolled only in online classes, a 33.4 percent increase.

She discussed potential implications of a recently designated Medical District adjacent to our campus.

Dr. McMullen also reported on the following:

• **BRYAN LVN PINNING CEREMONY:** Last week, the Bryan Campus Licensed Vocational Nursing Program hosted it’s pinning ceremony as well, recognizing 29 graduates. Over the past two years, all 48 Bryan Campus graduates to take the National Council Licensing Examination have passed.

• **EMS PINNING CEREMONY:** The EMS Program recognized 23 graduates. The Paramedic Technology Certificate qualifies graduates for jobs as paramedics and can go toward a bachelor’s degree
• **ENROLLMENT:** As of August 11, our Bryan Campus enrollment was up 10.8 percent and contact hours were up 10.5 percent compared to this time last year. The construction of our modular buildings was completed as scheduled and we began moving into these buildings on Friday. With the recapturing of classroom space as recommended by BOKA Powell, we have added 85 class sections this Fall, bringing our total up to 1,657 - a 5 percent increase in availability.

• **DISCUSSIONS WITH BRYAN ISD / TXDOT:** We are exploring an agreement with Bryan ISD that would allow us to offer Workforce Education Programs from Bryan High School. When Bryan High divided into two campuses, it left available space on their old campus that we can move our equipment into. During the school day, Blinn instructors would teach workforce classes to Bryan ISD students, then conduct regular adult classes during the evenings.

We have also continued discussions with TXDOT and Texas A&M regarding an interagency transfer of that facility from TXDOT to Texas A&M. Blinn and Texas A&M could then each offer programs from that location. All the letters of support and request from Blinn, Texas A&M and Rep. John Raney are in to TXDOT and we’re waiting to hear back.

ACTION ITEMS:

ITEM 12. REVIEW AND POSSIBLE ACTION TO ADOPT BUDGET FOR THE 2014-2015 FISCAL YEAR

Ms. Shomaker reviewed the 2014 - 2015 proposed budget.

The Administration previously submitted a $93.9M proposed FY’15 budget during the July Board meeting for review and at the July Board Budget Workshop for discussion. Based upon all information obtained during those meetings, the final version of the $93.9M FY’15 budget is proposed for adoption. The FY’15 proposed budget takes into account increased revenues associated with:

1) Previously approved general fee and housing rate increases,
2) Increased tuition and fees associated with increasing course offerings and an increase in enrollment, and
3) The State’s portion of the 7% increase in health benefits for full-time employees.

And, increased expenditures associated with:

1) Blinn’s portion of the 7% increase in health benefits for full-time employees,
2) Longevity for full-time faculty and a 2% cost of living increase,
3) Approximately $2M for new faculty and staff positions from FY’14 and proposed for FY’15,
4) Increases to technology, services, travel, equipment, and consumables,
5) Increases in full-time staff salaries to meet the market discrepancies identified by the Fox & Lawson survey of FY’14 that will keep Blinn moving forward towards meeting that goal. Increases will vary per DBM band and position. A minimum of $600 will be provided to each full-time staff employee to offset the annual increase in health care benefits, and
6) An approximate $1M contingency to assist in the capital/master planning needs associated with the Brazos Valley Campus.

Mrs. Miller inquired about the funds for a potential pilot program for faculty load incentives, when the details of the program are finalized it would be taken from contingency. She responded to questions from the Board regarding potential uses of contingency funds. Dr. Nolte asked Mrs. Miller to explain a potential faculty load incentive pilot program. Additional research needs to be done. Mr. Toubin inquired about any budgeted funds for the Kruse Center. Ms. Shomaker responded that any debt service related to the Kruse Center would not have a budget impact until 2015 - 2016.

On a motion by Mr. Sommer, seconded by Mr. Toubin, the Board voted to adopt the Budget for the 2014-2015 Fiscal Year, as presented by the Administration (a copy of the budget is attached and made a part of these Minutes).
