Obtain Blinn College credit hours by attending the TEEX Central Texas Police Academy

Sound Easy? It Is.

Attending and successfully completing the TEEX Central Texas Police Academy allows you to receive 20 college credit hours and the Basic Peace Officer Academy Certificate from Blinn College. Additionally, those college credit hours can be used to earn Blinn’s Criminal Justice Associate in Applied Science (AAS) degree.

College credit allows you to expand your potential job opportunities.

Financing your education is another advantage that you will be eligible for through Blinn College. Financial aid may be used to reduce the cost of the police academy (if your sponsoring agency does not cover this fee in its entirety) or you may use financial aid to assist with other Blinn College courses that count toward a certificate or degree.

Asking your sponsoring agency if you are receiving college credit while attending the TEEX Central Texas Police Academy is a great first step. Remember, all cadets are eligible to receive 20 college credit hours and the Basic Peace Officer Academy Certificate.
