A Letter from our Program Director

Dear Physical Therapist Assistant Program Candidate:

Thank you for inquiring about the Physical Therapist Assistant (PTA) Program. Enclosed you will find program information, including the admission requirements, and an admission application for the PTA Program at the Bryan Campus of Blinn College.

The PTA program begins in the fall semester each year, and is designed to be completed in two years. Although many students take their general education courses toward their degree prior to admission, sequencing of the physical therapist assistant classes will still require two years to complete the program.

If you wish to be considered for admission into the program, you must submit evidence of meeting all of the Application/Admission requirements. It is the applicant’s responsibility to ensure that all Application information has been received at the Blinn College PTA Program office, and that their admissions file is complete.

It is recommended that all interested applicants attend an Information Session where you will learn about the application process, the Physical Therapy profession, the Blinn College PTA Program, and course scheduling options. Please e-mail pta@blinn.edu or call Mrs. Mary Hamblin at (979) 691-2010 with questions, or to sign up for an information session.

Best wishes in the pursuit of a rewarding career in Physical Therapy through the PTA program at Blinn College.

Sincerely,

Christy Gantt

Christy Gantt, DPT, PT
Program Director
APPLICATION REQUIREMENTS

The following are requirements for application to the Physical Therapist Assistant Program. All of these requirements must be fulfilled and evidence of their completion must be submitted. Failure to submit evidence of fulfilling ALL application requirements will exclude applicant’s consideration for admission.

- Complete all admission requirements and be admitted to Blinn College.
- Complete all prerequisite courses as per PTA curriculum.
- Provide official transcripts from ALL colleges that you have attended in your application packet to the PTA office. Current Blinn College students may provide a current unofficial transcript for Blinn college hours.
- Submit a completed PTA Program Application. (Please note that admission to the PTA Program is a separate process from admission to Blinn College and requires separate application and transcripts.)
- Include an official passport-type photograph taken recently with your application.
- Take the TEAS V Test (previously the Health Occupational Basic Entrance Test or HOBET) administered by the Center for Student Development. Please see the TEAS V information form in this packet for further details. It is the student’s responsibility to obtain a copy of their TEAS V score and provide to the PTA office. Do not rely on the testing center to send in your scores, as very often they are never sent.
- Submit the Documentation of Experience Form(s) included in the application packet for physical therapy work or volunteer hours verified by a physical therapist or physical therapist assistant. A minimum of 20 hours of work or volunteer experience is required; it is recommended that a combined minimum of 60 hours volunteer/work hours which will be obtained with 3 separate disciplines to include a minimum of 20 hours at each (i.e. acute care, rehab, outpatient, etc.). It is the applicant’s responsibility to contact a physical therapist department to arrange for this observation of physical therapy. Most physical therapy departments are accustomed to student volunteers and will help you in obtaining these observation hours. It is advisable to start your physical therapy experience as soon as possible to be sure you are making the correct career choice for yourself. Please note, volunteer hours will not be accepted if more than one year old. Applicants will waive the right to review the completed volunteer form in order to afford an unbiased evaluation by the supervising therapist.

Submit completed application packet to the Physical Therapist Assistant Program office by March 1.

Application Packets can be submitted beginning January 1 of each year
NO packets or forms will be accepted before this time.

It is required that students complete the courses in the prerequisite semester and it is strongly recommended that students complete as many of the other general education core courses as possible prior to applying to the PTA Program. Because admission to the program is extremely competitive, the students who will be more likely to be accepted are those that score highest on admissions criteria including the early completion of general education core courses in the degree plan with the highest grade possible (at least a “C” or higher).

Please go to the PTA program website, [http://www.blinn.edu/twe/pta/index.html](http://www.blinn.edu/twe/pta/index.html), to review the application packet or to find details on Information Sessions.
