Just Cats Veterinary Services is seeking energetic, career minded individuals to join our team. We have the following positions open:

**Veterinary Technician** – Full and Part Time – Candidates for this role must have graduated from an AVMA approved Veterinary Technician Program and have obtained their LVT, or be scheduled to take the exams. Our Veterinary Technicians are widely utilized at Just Cats, your skills will be acknowledged and utilized. We will train you in proper handling and safety techniques for working with cats.

**Veterinary Assistant** – Full and Part Time – Candidates must have at least a year of experience working in a veterinary hospital and have knowledge of basic husbandry for felines and common vaccine protocols. This is a very important role in our hospital; you will not only be helping the doctors, but also the technical and reception staff in their daily duties.

**Veterinary Receptionist** – Full and Part Time – Candidates must have at least a year of experience in a veterinary hospital, be able to answer multiple phone lines, and be able to communicate efficiently and empathetically with clients and co-workers.

Jus Cats Veterinary Services exists to practice leading edge veterinary care in order to provide improved quality of life to our patients and happiness to their “parents”

We strive to promote responsible pet ownership, the human-companion animal bond, and compassionate care during all life stages. We are dedicated to pursuing professional continuing education as well as educating clients on the latest developments in veterinary medicine.
