Bissonnet/Southampton Veterinary Clinic, established March 1981, has developed a reputation for compassion and excellence in veterinary care. We are a four doctor, small animal/avian/exotic clinic located in the Rice University-Texas Medical Center area of Houston. We are a high-quality, high-touch practice that cares for the patient as well the owner. We follow a doctor/staff team-oriented approach regarding management. In addition, our staff is outstanding and lots of fun!

Our compensation package includes paid CE, dental/medical insurance, employee pet discounts, paid time off, paid holidays, simple retirement plan, and uniform allowance. Hourly wages are commensurate with experience. Please email or fax your resume.

We are currently hiring for the following positions:

**Licensed Veterinary Technician – Full time**

Applicants must have graduated from an AVMA approved Veterinary Technician Program and have obtained their LVT, or be scheduled to take the Veterinary Technician National Exam (VTNE). We value technicians in our practice and utilize their skills to the fullest. Because we pride ourselves in the quality care provided our patients and the family environment created by our staff and clients we seek an energetic, friendly, compassionate, self motivated technician who is experienced, technically competent as well as people oriented. Duties include; laboratory, x-rays, surgical assistance, dentistry, pre and post surgical care, phlebotomy, EKG’s, cardiac monitoring, client education, and maintaining patient records.
Veterinary Assistants – Full or part time
This is an entry level position. Applicants must be able to work weekends and holidays, be able to lift 40 pounds, be detail-oriented, compassionate towards animals, be a team player, and have a great attitude. Job Duties include (not limited to); Clean/Disinfect Cages, Laundry, General Cleaning , Walk, Feed, Medicate Animals, Restrain Animals, Assist Doctors and Technicians, and bathe animals.
