LVT WANTED IN WALLER, TEXAS

We are a privately owned AAHA accredited hospital located just inside Harris County in Waller, Texas. We are a small, but growing practice. If you are a licensed veterinary technician that is passionate about helping pets and their people, then this is the job for you!

We are seeking a full time experienced Licensed Veterinary Technician who is eager to share our Vision, Core Values, and Mission to provide excellence in patient care. The ideal candidate will be a passionate, hard working, self motivated team player who values ethics, professional dedication, growth opportunities, and FUN!

Duties will include, but are not limited to the following:

- Client communication
- Patient care
- Laboratory testing (Idexx Catalyst and Lasercyte)
- Radiology
- Anesthesia
- Surgical assistance
- and variety of other general technical duties for outpatient, inpatient, surgery, and minor emergencies

The successful candidate must be proficient in clinical laboratory procedures, IV catheter placement, dental procedures, vital sign monitoring, compassionate animal restraint, physical assessments, radiographic techniques and venipuncture. Excellent communication skills are required. Important factors: ability to handle stressful situations, ability to complete assigned tasks without supervision, ability to multi-task and willingness to learn. We maintain a professional, friendly, team environment, so a positive attitude and good sense of humor are a must! The ideal applicant would be a detail oriented individual that possesses a strong work ethic. We are looking for someone willing to grow and advance with the hospital as well as transition into a managerial position.

Compensation is based on experience and other qualifications. Generous benefits for our full time employees include medical insurance, uniforms, CE, paid vacation, and some holidays.

Qualifications:

- High school diploma or equivalent
- LVT required
- Minimum of 2 years prior experience as a technician
- Must be able to communicate clearly with clients and staff
- Must have the ability to work as part of a team and be able to work with all levels of the veterinary team
- Must be able to work in a fast paced environment and still maintain a calm and friendly attitude
- Must be able to lift and carry up to 40 pounds, walk or stand for extended periods of time. You will be kneeling, stooping and bending frequently.
- Must possess leadership qualities and be willing to transition into a managerial position
