**MLA Heading (“ID Block”)**
- This heading appears on the first page of your essay only.
- Your last name and page number should appear on every page (use the MS Word Header feature for this).
- The font is Times New Roman, 12 pt., throughout the entire paper, including the page number.
- Do not boldface, enlarge, italicize, use quotation marks, or leave extra spaces before or after title. Use title case.
- Use the “Tab” key once to indent a paragraph.

**Works Cited Page**
- It is the last, new page of your paper, not a new document, and it is also double-spaced. Margins are 1”.
- ALPHABETIZE! (Do NOT number.)
- The title on this page should be centered. If there is only one entry, the title is Work Cited.
- Make sure every source cited (including PRIMARY sources) is on your Works Cited page.
- Abbreviate names of months using the first three letters, except September (Sept.). Do not abbreviate May, June, and July.
