ADMISSIONS AND RECORDS

**How to Enroll at Blinn College**

1. Ask the student's high school to send an official transcript, complete with test scores, to Blinn College. If it is before the high school can certify that the student has graduated, they will need to submit another one after graduation. If the student has attended a college or university, a transcript from each institution attended will be required. The student must request that an official transcript be sent to the Office of Admissions and Records at Blinn College. Students registering at the Brenham, Bryan, Schulenburg or Sealy campuses should send all items to the Admissions and Records Office of the campus they will be attending. All other students should send items to the Brenham Admissions Office. Failure to do so will delay acceptance and registration.

2. The American College Test (ACT) and the Scholastic Aptitude Test (SAT) are not required for Admission to Blinn College. Students intending to transfer to a senior college should take the specific test(s) recommended by the senior college.

3. The Texas Success Initiative was enacted by Texas legislators for all public state institutions of higher education to follow. The TSI Assessment (TSIA), which may be required of all first-time entering students, will determine students’ readiness for college-level coursework in reading, writing, and mathematics. Students who do not meet the minimum passing standards will be required to follow a developmental education program designed to help them achieve college-level readiness. Results from this assessment will be used for course placement only and not as a condition of admission to the college. There is a fee charged for this assessment and prior registration may be required. A Pre-Assessment Activity (PAA) is required prior to paying for and taking the assessment. (http://www.blinn.edu/testing/tsia.html)

4. A prospective housing student must first apply for admission to Blinn College. When admitted, the student will receive instructions for logging into his/her myBlinn account.

NOTE: If a student's admission file is incomplete due to missing documents or application materials, the student will not be able to access the housing links in his/her myBlinn account. When the prospective student has access to his/her myBlinn account, he/she will follow the instructions for Login of myHousing. Students requesting to live in on-campus housing must complete the online housing application and pay a NON-REFUNDABLE $125 application fee in order to be considered for a housing assignment. A Thank You confirmation page will be emailed when the Housing Application is completed successfully. It is recommended that students apply early for housing, as spaces are limited.

Admission requirements are available for review in the following pages. Former Blinn College students should submit transcripts from any school attended while away from Blinn and may be required to reapply depending on length of time away. All documents submitted to Blinn College become the property of the college upon receipt and should be turned in or mailed to the appropriate campus.

Admissions Testing Requirements
Blinn College does not require students to take either the ACT or SAT test for admittance. Students are recommended to take either or both of these tests and have their scores sent to the college. Scores from these tests may be used for placement of Texas Success Initiative (TSI) exemptions.

Depending upon their status, students may be required to take a test for TSI compliance and/or for placement (see the Texas Success Initiative section).

Advising Requirements
Blinn College encourages all students to be academically advised each semester. Some student populations are required to be advised and registration holds will be placed on their accounts until the advising process is completed. Students required to be advised include:

- students who are NOT “College Ready”* •
- students returning from academic suspension

Students on academic probation and first time freshman are strongly recommended to meet with an advisor prior to registration.

*College Ready is defined as one who has passed all sections on, or is exempt from, the state-approved placement test, Texas Success Initiative Assessment (TSIA).

TSI: Texas Success Initiative
Students enrolling for the first time in college after August 26, 2013 are required, unless exempt, to be assessed for college readiness by completing the Texas Success Initiative Assessment (TSIA) in the areas of reading, mathematics, and writing. This initiative further requires that students who do not meet the passing standard of an area of the assessment are not allowed to enroll in college level classes requiring skills in the unmet area until those college readiness skills are met. Students can meet the skills requirement by completing the sequence of college developmental courses for that area or by passing a retest of the TSIA.

Admissions & Records / Student Services / Financial Aid / 5

There is a fee charged for these placement tests and prior registration may be required. For information on testing visit (http://www.blinn.edu/counseling/testing.html) or contact the Testing Center/Academic Advising and Counseling Office on the campus the student plans to attend.

Reading Section
If the student failed the reading section of one of the approved assessment tests, use the following charts based on the student's initial reading score to find the course placement and “track” required for reading developmental courses. Once the student has determined their “track”, refer to the second chart for the course sequence the student is required to complete prior to enrolling in the related academic courses. Students will need to complete the course sequence to be considered “College Ready” in each section.

Math Section
If the student failed the math section of one of the approved assessment tests, use the following charts based on the student's initial math score to find the course placement and “track” required for math developmental courses. Once the student has determined their “track”, refer to the second chart for the course sequence the student is required to complete prior to enrolling in the related academic courses. Students will need to complete the course sequence to be considered “College Ready” in each section.

Writing Section
If the student failed the writing section of one of the assessment tests, use the following charts based on the student's initial writing score to find the course placement and “track” required for writing developmental courses. Once the student has determined their “track”, refer to the second chart for the course sequence the student is required to complete prior to enrolling in the related academic courses. Students will need to complete the course sequence to be considered “College Ready” in each section.

The Blinn College Success Initiative Plan states that students are considered “College Ready” if they have passed the section of the test or completed the highest developmental course in reading, writing, or mathematics with a grade of “C” or better. A student cannot enroll in any of the approved related academic courses in the failed area until the developmental sequence is completed, or until the failed section of the state-approved placement test is retaken and passed.

Students enrolled in developmental courses must follow the Blinn College attendance policy. A student who is subject to the Success Initiative rules and who acquires the equivalent of two weeks of absences in a required developmental course(s) will be withdrawn from the course. Likewise, a student who is not subject to the Success Initiative rules and acquires the equivalent of two weeks of absences will also be withdrawn from the course. Refer to the “Class Attendance” section for more information.

Students may choose to enroll in developmental courses for one or all areas of skill deficiency. The sooner the developmental sequence is completed with a grade of “C” or better, the sooner the related academic courses may be attempted. Students who believe their study patterns and skills need improvement, should consider enrolling in study skills.

Credit for International Baccalaureate Diploma (IBD)

The International Baccalaureate Diploma is an international program of courses and exams offered at the high school level. In keeping with Senate Bill 111 passed in 2005, Blinn College will grant (CR) credit for IB exams with certain required scores. Texas institutions of higher education must award 24 hours of course specific college credit in subject appropriate areas of all IB exam scores of 4 or above as long as the incoming freshmen have earned an IB diploma. However, course credit does not have to be awarded on any IB exams where the score received is a 3 or less. This may mean that such students will not receive 24 hours of college credit, even if they have an IB diploma.

Students must send an IB transcript to Blinn College. All IB students must show proof of meeting the Texas Success Initiative (TSI) requirements prior to their enrollment at Blinn.

STUDENT RECORDS
Privacy Rights of Students (FERPA)

Notification of Rights
Every Fall and Spring semester, Blinn College informs students of the Family Educational Rights and Privacy Act (FERPA) of 1974. This act was designed to protect the privacy of student educational records. It establishes the right of students to inspect and review their educational records. It also provides guidelines, through informal and formal hearings, for the correction of the educational records that a student believes to be inaccurate, misleading, or otherwise in violation of his/her privacy rights.

Students also have a right to file complaints concerning FERPA with the U.S. Department of Education concerning alleged failures by the institution to comply with the requirements of the Act and 34 CFR part 99. Complaints should be filed with the Vice President of Student Services. Questions concerning FERPA may be referred to the Office of Admissions and Records.

Disclosure of Student Records
The term “education records” means those records, files, documents, and other materials that contain information directly related to a student and are maintained by Blinn College.

In general, no personally identifiable information from a student’s educational records will be disclosed without written consent from the student, except to the extent that the Act and 34 CFR 99.31 authorize disclosure without consent. Two exceptions include: (1) directory information will be released unless the student requests that it be withheld; (2) records may be disclosed to parents of students who depend upon them as defined by Internal Revenue Code 1954, Section 152. Parents must submit a notarized Certification of Dependency annually, in order for the student’s record to be disclosed.

If a student would like to grant another party access to their educational records they must submit a FERPA Release form for each proxy, to the office of Enrollment Services. FERPA Release forms are valid until the student revokes the proxy’s access in writing with the office of Enrollment Services.

In order for students to withhold their directory information, they must submit the Request to Withhold Directory Information form to any office of Enrollment Services. Once the Request to Withhold Directory Information has been processed it will remain active until revoked by the student in writing, with the office of Enrollment Services. All of these forms can be found on our website www.blinn.edu/admissions/forms.html; under the Forms category.

A student may not use the right of refusal to opt out of directory information disclosures to prevent a College District from disclosing or requiring a student to disclose the student’s name, identifier, or institutional e-mail address in a class in which the student is enrolled. Blinn College will continue to honor any valid request made in the last semester attended of a former student to opt out of the disclosure of directory information, unless the student rescinds the opt-out request. The College will not disclose or confirm directory information without meeting the written consent requirements in 34 CFR 99.30 if a student’s Social Security Number or other non-directory information is used alone or combined with other data elements to identify or help identify the student or the student’s records.

Public Notice Designating Directory Information
The College District designates the following categories of student information as public or directory information. Such information may be disclosed by the institution:

Category I: Name, classification, major field of study, home address, and College District e-mail address.

Category II: Previous institutions attended, attendance status, awards, honors (including Distinguished and President’s lists), degree(s) conferred (including dates), past and present participation in officially recognized sports and activities, and physical factors (height, weight of athletes).

Currently enrolled students may withhold disclosure of either or both categories of information under the Family Educational Rights and Privacy Act of 1974. To withhold disclosures, written notification must be received in the office of admissions and records on the Brenham campus or Bryan campus within 12 calendar days from the first day of registration for each long term or four days for summer terms. Forms requesting the withholding of directory information shall be available in the offices listed above. The College District shall assume that failure on the part of any student to specifically request the withholding of directory information indicates individual approval for disclosure.

Custodian of Records
The Registrar is custodian of all records for currently enrolled students, for all official academic records, and all other records. The address for the custodian of records shall be included in the Annual Notice of Student Rights under 20 U.S.C. 1232g.

Change of Name or Address
A student who changes his or her name or permanent address shall be asked to notify the Office of Admissions in writing of this change immediately (admissions@blinn.edu). A student can change his or her local address in their myBlinn account. Any communication from the College District, which is mailed to the name and permanent address on record, shall be considered to have been delivered and the student shall be responsible.

Request Procedures
The College District shall make a student’s records available to the student. The records custodian or designee shall use reasonable procedures to verify the requestor’s identity before disclosing student records containing personally identifiable information.

Records may be reviewed in person during regular business hours without charge upon written request to the records custodian. For in-person viewing, the records custodian or designee shall be available to explain the record and to answer questions. The confidential nature of the student’s records shall be maintained at all times. Records to be viewed shall be restricted to use only in the District President’s office or other restricted area designated by the records custodian. The original copy of the record or any document contained in the comprehensive record shall not be removed from the school.

Copies of records must be requested in writing and shall be available at a per copy cost, payable in advance. Financial hardship cases shall be dealt with on an individual basis. A student may be denied copies of records if he or she fails to follow proper procedures or pay the copying charge.

Blinn Board Policy FJ (Legal)
Procedures to Amend Records
Within 15 College District business days of the record custodian’s receipt of a request to amend records, the College District shall notify the student in writing of its decision on the request and, if the request is denied, of his or her right to a hearing. If a hearing is requested, it shall be held within ten College District business days after the request is received.

Students shall be notified in advance of the date, time, and place of the hearing. An administrator who is not responsible for the contested records and who does not have a direct interest in the outcome of the hearing shall conduct the hearing. The student shall be given a full and fair opportunity to present evidence, and at his or her own expense, may be assisted or represented at the hearing. The student shall be notified of the decision in writing within ten College District business days of the hearing. The decision shall be based solely on the evidence presented at the hearing and shall include a summary of the evidence and reasons for the decision. If the decision is to deny the request, the student shall be informed that he or she has 30 College District business days within which to exercise his or her right to place in the record a statement commenting on the contested information and/or stating any reason for disagreeing with the College District’s decision.

Information Required To Initially Establish Resident Status

EVIDENCE OF RESIDENT STATUS
To initially establish resident status under 19 Administrative Code 21.24, a person who qualifies for residency shall provide the institution with a completed set of Core Residency Questions. A person who qualifies for residency under 19 Administrative Code 21.24(a)(1) and who is not a Citizen of the United States or a Permanent Resident of the United States shall, in addition to the other requirements of this section, provide the institution, including a college district, with a signed affidavit in the form provided in 19 Administrative Code 21.25 Chart I stating that the person will apply to become a Permanent Resident of the U.S. as soon as the person becomes eligible to apply.

An institution may request that a person provide documentation to support or clarify the answers to the Core Residency Questions. Appropriate documents are not limited to those listed in 19 Administrative Code 21.25 Chart II. In addition, the institution may request documents that support the information the student may provide in the Core Residency Questions, Section H.

An institution shall not impose any requirements in addition to the requirements established in this section for a person to establish resident status. Education Code 54.075(b); 19 TAC 21.25.

INTENT TO ESTABLISH AND MAINTAIN DOMICILE IN TEXAS
Although not conclusive or exhaustive, the following factors occurring throughout at least 12 consecutive months immediately preceding the census date of the semester in which a person seeks to enroll may lend support to a claim regarding the person’s intent to establish and maintain domicile in Texas:

1. Sole or joint marital ownership of residential real property in Texas by the person seeking to enroll or the dependent’s parent, having established and maintained domicile at that residence;
2. Ownership and customary management of a business, by the person seeking to enroll or the dependent’s parent, in Texas that is regularly operated without the intention of liquidation for the foreseeable future;
3. Gainful employment in Texas by the person seeking to enroll or the dependent’s parent; and
4. Marriage, by the person seeking to enroll or the dependent’s parent, to a person who has established and maintained domicile in Texas.

An individual whose initial purpose for moving to Texas is to attend an institution of higher education as a full-time student will be presumed not to have the required intent to make Texas his or her domicile; however, the presumption may be overruled by clear and convincing evidence.

An individual shall not ordinarily be able to establish domicile by performing acts that are directly related to fulfilling educational objectives or that are required or routinely performed by temporary residents of the state. 19 TAC 21.24(e)–(g)

BURDEN OF PROOF
The student has the burden of proof to show by clear and convincing evidence that residence or domicile, as appropriate, has been established and maintained. 19 TAC 21.24(b)

Written Documentation
At minimum, each institution must file and maintain a copy of one or more appropriately dated documents which will certify that the student classified as a resident has legal right to such classification as of the official census date of the semester or term for which enrolling. Documents acceptable but not limited to for this purpose include:

- Texas high school transcript
- Texas college or university transcript
- Employer statement of date of employment
- Permanent driver’s license (at least one-year-old); generally, the license expiration date minus date of enrollment should not exceed three years.
- Property tax payments
- Bank statement
- Utility bill
- Other third party documentations Chart III: 19 TAC §21.25(b) Documentation to Support Domicile and Residency http://info.sos.state.tx.us/fids/200802309-2.html

Students may be asked to present proof of residency at the time of initial admission or at any time following registration. A student who believes he/she qualifies for a change of residency status for tuition purposes may file a Petition for Change of Residency. The petition must be filed by the Official Day of Record (twelfth class day of regular semesters and fourth class day of summer semesters) in order to receive any refund of tuition paid.
State Residence Classification
Under state statutes and Texas Higher Education Coordinating Board (THECB) rules and regulations interpreting these statutes, a prospective student will be classified as an in-state (in-district or out-of-district), out-of-state, or foreign student. A person who has lived in the state of Texas under circumstances specified in the THECB rules above will be eligible for classification as an in-state resident.

A person who has not been classified as an in-state resident but who is a United States citizen, a permanent resident of the United States, or an eligible nonimmigrant will be classified as an out-of-state resident.

A person who is not a United State citizen, permanent resident of the United States, does not hold a visa which allows domicile in the United States, or does not meet specific circumstances outlined by THECB above will be considered a Foreign Student.

District Residence Classification
An individual must first qualify for in-state residency before he or she may be classified as an in-district or out-of-district student. An individual who qualifies as an in-state resident may also qualify as an in-district resident if he or she has established residency in Washington County.

To establish residency in Washington County, a student or the parent of whom the student is a dependent, must establish a domicile* or own ad valorem tax property in Washington County not less than six months before the census date of the academic semester in which the student enrolls at the College District.

*Established domicile in Texas means physically residing in Texas with the intent to maintain domicile in Texas for at least the 12 consecutive months immediately preceding the census date of the term of enrollment, allowing for documented temporary absences. 19 TAC 21.22(10) Blinn Board Policy FDA (LEGAL)

All other in-state residents will be classified as out-of-district residents.

Residency rules are pursuant to change as per the Texas Legislature and the THECB. For the latest rules and regulations, contact the Admissions Office or view them on the THECB web site at http://www.thecb.state.tx.us/apps/Laws/

Classification of Students
A full-time student is one who is registered for 12 or more semester hours in a regular term or 4 or more hours in a summer term. In order to be classified with sophomore standing, a student must have completed a total of 30 or more semester hours.

Blinn Board Policy EGB (LOCAL)

Academic Transcript
An official transcript of college credits is a record of the student's academic record bearing the college seal and the signature of the Registrar. Students may order a transcript anytime during a semester and/or request that it be held and then sent out after all current semester grades or degrees are posted. Official transcripts can be requested from Blinn College in one of two ways – online or in person (online requests are preferred and processed within 24 hours of receipt).

Official transcripts can also be obtained in person at Enrollment Services on the Brenham campus and Bryan campuses. The request must include full legal name or name attended under, dates of attendance, student ID/Social Security number, and a legible signature. All admission information must be on file, all holds cleared, before an official transcript will be released. Official transcripts can be requested by logging into myBlinn and completing the online request through Parchment or visit: https://www.blinn.edu/admissions/transcripts.php.

Grades
At the end of each semester, students shall receive a final grade report that shall become a part of their permanent record. The College District's grading system shall apply to all courses:

A (90-100) - Excellent  
B (80-89) - Good  
C (70-79) - Average  
D (60-69) - Poor  
F (Below 60) - Failure  
I Incomplete  
Q Dropped  
QF Dropped Failing  
W Dropped Due to Good Cause or Withdrawal from College  
CR Credit  
P Pass  
NP Not Passing  
FS Academic Fresh Start

I – Incomplete: indicates that the coursework was incomplete because of serious illness or other justified emergency. The instructor shall change the grade of “I” to a grade based on the work completed for the course in addition to the work specified in the course completion contract. All incomplete work shall be completed within 90 days of the start of the next long semester. Failure to complete the work specified in the course completion contract shall result in a grade of zero, which shall be factored into the final grade calculation with appropriate weighting relative to other course grades.

Q – Dropped: assigned before or on the official “Q-Date” as indicated on the College District calendar when a student is officially dropped from a course.

A “Q” may also be given after the “Q-Date” if the student is passing the course at the time the official drop is processed.

QF – Dropped Failing: assigned after the official “Q-Date” as indicated on the College District calendar when a student is officially dropped from a course.

A “QF” may also be given at any time during the semester if a student:
1. Is administratively dropped from a course;
2. Has exceeded the six-drop limit; and
3. Does not meet any of the areas of exemption for good cause.

W – Dropped Due to Good Cause: assigned before or on the official “Q-Date” as indicated on the College District calendar when a student has officially withdrawn from the College District or is officially dropped from a course for any of the following “good cause” reasons:
1. A severe illness or other debilitating condition that affects the student’s ability to satisfactorily complete a course;
2. The care of a sick, injured, or needy person if providing that care affects the student’s ability to satisfactorily complete a course; relationship to the student;
3. The death of a member of the student’s family;
4. The death of a person who has a sufficiently close relationship to the student;
5. The student’s active military service;
6. The active military service of a member of the student’s family or a person who has a sufficiently close relationship to the student; or
7. A change in the student’s work schedule that is beyond the student’s control and affects the student’s ability to satisfactorily complete the course.
For definitions of a student's “family” and “a person who has a sufficiently close relationship to the student,” see DEFINITIONS FOR GOOD CAUSE EXEMPTION in ECC (LEGAL). A “W” may also be assigned to a student not impacted by SB 1231 when he or she drops a course or withdraws from the College District.

Health Sciences Grading System
The grading system for Health Science programs may differ from the approved Blinn College Grading Scale as noted in their program handbook and course syllabi. Students not meeting these standards in competitive entry programs may continue to enroll in courses outside the discipline as long as they maintain minimum college requirements.

Grade Point Average (GPA)
College District progress is normally determined by a grade point average or ratio. Grade points shall be calculated by assigning values to each grade. The value is illustrated in the chart below:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Grade Points per Semester Hour</th>
</tr>
</thead>
<tbody>
<tr>

</table>

The highest grade of a repeated course shall be used in determining the cumulative grade point average. A grade of "W" or "Q" shall not replace a grade of "F" or higher in a repeated course, but a grade of "F" shall replace a grade of "W" or "Q".

All grades earned while enrolled in the College District shall be used in computing a student’s College District grade point average (GPA), except grades of I, W, Q, NP, P, FS, and CR.

The computation of a student’s College District Graduation GPA shall include transfer coursework but shall not include developmental coursework. [See the College District Catalog for detailed information about specific degree requirements]

Grade Change
For any questions regarding grade changes, call the Vice President of Instruction at (979) 830-4130. Blinn College procedure is that grades older than one year will not be changed.

Academic Fresh Start
State law (Education Code, Sec. 51.931) allows students who have academic credits earned 10 or more years prior to the starting date of the semester in which they seek admission to any public institution of higher education to have those credits or grades not considered in the admission decision. If admitted under this “academic fresh start” provision, the student may not receive any course credit for courses undertaken 10 or more years prior to enrollment.

Academic Good Standing
In order to remain in academic good standing with the College District, a student must maintain a cumulative grade point average of at least 2.0 (C). A 2.0 cumulative grade point average is the minimum average required for graduation.

Credit for Military Experience and Coursework
Students may receive credit for military experience and courses taken while in the military. Two hours of Kinesiology credit will be awarded to students who have completed basic training. An official DD-214 must be on file in the Admissions and Records Office to receive this credit. The College also awards academic credit to students based on the American Council on Education (ACE) and Department of Defense (DOD) guidelines specified by their Military Occupational Specialty (MOS) credentials. These recommendations are published in the Guide to the Evaluation of Educational Experiences in the Armed Services and are found online at http://www.militaryguides.acenet.edu. Both proficiency exam scores and completed service schools are documented on military separation papers such as the DD-214 military release document, the Army/American Council on Education Registry Transcript System (AARTS), or the Sailor/Corps/ACE Registry Transcript (SMART). The Registrar evaluates these documents and awards up to twelve hours of academic credit based on the ACE recommendation.

Scholastic Probation or Suspension
A student who falls below a 2.0 cumulative grade point average (GPA) at the close of any long semester or summer school will be placed on scholastic probation. A student who fails to achieve a minimum 2.0 semester and cumulative GPA at the end of subsequent semesters will be placed on scholastic suspension. A student with a semester GPA of greater than 2.0 and a cumulative GPA of less than 2.0 will remain on scholastic probation. Students being placed on scholastic probation [at the end of the long semester] will receive an email at their Blinn College Buc account. Students being placed on scholastic suspension [at the end of the long semester] will be mailed a letter at their permanent address and will receive an email at their Blinn College Buc account.

Students transferring from another college with less than a 2.0 GPA, if admitted, are admitted on scholastic probation. These students must meet the same requirements in subsequent semesters as all other students on scholastic probation (see above).

A student placed on scholastic probation becomes ineligible to be a candidate for an elective or appointive office of a college-sponsored activity or social organization. This restriction does not apply if participation in the activity or organization is part of the requirements of a college course. The student may be required to forfeit college scholarships, be ineligible to represent the College, and may be subject to a loss of veteran’s benefits and other financial aid. A student on scholastic probation is required to be advised prior to registration. A student that registers prior to the conclusion of the semester they are placed on probation must be re-advised in order to keep their courses.

A student placed on scholastic suspension will not be allowed to attend Blinn College for one long (fall, spring) semester. At the conclusion of this suspended semester, the student can reenter the College and will be placed on scholastic probation.

For those students who have been scholastically suspended but have extenuating circumstances preventing them from achieving the minimum 2.0 GPA, an appeal for reinstatement may be made. This appeal must be made in writing to the scholastic appeals committee. Information on the appeal procedure and deadline is included in the letter sent to suspended students. The decision of the scholastic appeals committee is final. No appeal for reinstatement may be made after the appeal deadline. If required, a student must make a separate appeal for reinstatement of financial aid funds.

Disciplinary Probation
Blinn College maintains rules and regulations and reserves the right to dismiss or to place on disciplinary probation a student for violation and infraction of rules. The College reserves the right to remove the probation. A student who is placed on disciplinary probation forfeits the privilege to hold elective offices and honors.

Blinn Administrative Procedure
If a student is placed on disciplinary probation or is dismissed by the Disciplinary Committee, the student will be afforded due process as provided by Blinn Board Policy FMA (Local).

**Tuition Charged for Excess Credit Hours**

Students who accumulate 45 or more undergraduate semester hours beyond the minimum hours required for their first bachelor’s degree at a four-year university may be charged a higher tuition rate by the university. These hours will include hours earned at a community college and/or university. For example: Texas A&M University charges their non-resident tuition for hours earned over the excess amount.

The semester credit hours counted toward the limitation include all hours attempted by the student except: courses taken prior to fall 1999, developmental education courses, technical courses, and workforce education courses.

**Limitation on the Number of Transfer Hours**

Blinn College is ranked number one in the state of Texas for the percentage of academic students who transfer to senior colleges and universities in Texas. Students transferring to a college or university in Texas need to be aware that there are limits on the number of lower-division (freshman and sophomore) courses that Texas public universities accept in transfer. In many cases, the maximum number of lower-division semester credit hours accepted in transfer is sixty-six (66), although some universities may accept slightly more in special cases. If a student accumulates more than 66 semester credit hours in lower-division courses, it is unlikely that the additional hours will apply to a bachelor’s degree. Blinn’s advising staff can assist with making appropriate decisions, if the student’s goal is to transfer to a university and obtain a bachelor’s degree.

**Important Information Related to Adding/Dropping/Deadlines of Courses**

The Texas Education Code stipulates that for first time enrolled students, beginning with the Fall 2007 semester, an institution of higher education may not permit an undergraduate student a total of more than six (6) dropped courses, including any course a transfer student has dropped at another institution of higher education. Moreover, each institution must establish standards for “Good Cause” drops (SB 1231) Rule §4.10. (Note that a student may drop a course, without the ramifications of SB 1231, if the student was able to drop the course without receiving a grade or incurring an academic penalty.)

In compliance with SB 1231 the Blinn College Board of Trustees adopted local policies that affirm the state defined limit on the number of dropped courses and a specific set of exceptions (Good Cause Exemptions), which is detailed in Board Policy ECC (LOCAL) and published for students within the Admissions information section of the Blinn College Online Catalog.

**Dropping Courses:** It is the responsibility of the student to officially drop or withdraw from a course. Failure to drop/withdraw may result in a grade of “F” for the course. A grade of “Q” or “W” will be given for student-initiated withdrawals that are submitted on or before the withdrawal deadline.

**Important Definitions:**

- A grade of “Q” or “QF” is recorded for a student initiated drop that will be counted towards the six (6) drop rule.
- A grade of “W” is recorded for a student initiated drop that indicates a “good cause” drop/withdrawal and does not count towards the 6 drop rule.

**Good Cause Exceptions for Withdraw/Drop**

Good cause shall be determined in Enrollment Services and will be based on the student choosing one of the aligned responses on the drop form that include: (1) Severe illness; (2) Care for a sick, injured, or needy person; (3) Death of a close relative; (4) Military Duty (to include a family member); (5) Change in work schedule; or (6) Other reason. This information may also be found in more detail within Board Policy ECC (LOCAL) and in the Blinn Catalog Online.

**Board Policy ECC (LOCAL)** specifically outlines the timeline for the designation of grades for student initiated withdrawals based on the length of the course. Prior to the Day of Record, no grade is awarded. After the Day of Record, students will receive a W only for the withdrawal from all classes or in the case that a “Good Cause” drop circumstance applies as defined by the state and Board Policy.

**The Impact of a Drop on Student Grades**

The following is the list of grade designations based on student initiated drop dates by session.

**Adding and Dropping Courses**

**ADDING COURSES:** No courses may be added later than the date specified in the college district calendar for that particular semester. A student adding a course must make up the work missed within two weeks after a course is added.

**DROPPING COURSES:**

A student shall receive a grade of “W” or “Q” if they drop a class after the:

- first two weeks of a regular semester;
- fourth class day of a summer session;
- ninth class day of a 10-week summer session;
- second class day of a minimester;
- sixth class day of an 8-week session; or
- ninth class day of a 12-week session.

A student may drop a course with a grade of “W” or “Q” until the:

- Friday of the 12th class week in a regular semester;
- Fifteenth class day in a summer session;
- Seventh class week in a 10-week summer session;
- Eighth class day of a minimester;
- Thirtieth class day of an 8-week session; or
- Tenth class week of a 12-week session.

Thereafter a grade of “QF” shall be recorded. A grade of “Q” shall only be awarded if the instructor deems it appropriate. A student may not drop or be dropped from a class once the final examination period begins. Blinn Board Policy ECC (Local)

The only exception for the grade of “QF” is in the case of the minimester. The “QF” designation does not pertain to the minimesters. Since a student may only enroll in one class, a drop in the minimester is a complete withdrawal and the grade status becomes a “W”.

A student disputing a final grade is required to initiate the final grade appeal with their instructor. The student must initiate this contact no later than the end of the next long semester. The appeals process is described in Board Policy FLDB (LOCAL).

The Drop/Withdrawal Chart that follows provides a quick reference to information contained within this document. However, for actual dates based on a specific semester, always consult the official online Blinn Academic Calendar.
Withdrawals for Excessive Absences
and the Six Drop Rule

Students who are administratively withdrawn from a course due to excessive absences will have that course counted toward the six drop rule.

Withdrawal from College
A student who desires to withdraw from the College District on or after the first day of class for a semester can do so by dropping all their classes through myBlinn. The effective date of withdrawal shall be the date when all classes have been dropped.

Refunds
In accordance with state statute, if a student withdraws prior to the first day of the semester, all tuition, room, board, and fees (except registration fee and identification card fee) will be refunded.

Student Complaints:
Course Grade Complaints Policy

EXCLUSIONS
Student complaints, including but not limited to, discriminatory issues are covered by separate procedures [see FLD]. Student complaints regarding disciplinary issues are covered by separate procedures [see FM and FMA].

PURPOSE
The purpose of this policy is to provide students with an opportunity to appeal faculty decisions made in regards to scholastic dishonesty and final grades.

SCHOLASTIC INTEGRITY
-FACULTY RESPONSIBILITY AND STUDENT RIGHTS
It is the responsibility of faculty to maintain scholastic integrity at the College District by refusing to tolerate any form of scholastic dishonesty. Adequate control of test materials, strict supervision during testing, and other preventive measures should be utilized, as necessary, to prevent cheating or plagiarism. If there is compelling evidence that a student is involved in cheating or plagiarism, the faculty member should assume responsibility and address the infraction. Likewise, any student accused of scholastic dishonesty is entitled to due process to resolve the allegation.

SCHOLASTIC DISHONESTY
“Scholastic dishonesty” shall include, but not be limited to, cheating, plagiarism, and collusion.

“Cheating” shall include, but shall not be limited to:
1. Copying from another student’s test or class work;
2. Using test materials not authorized by the person administering the test;
3. Collaborating with or seeking aid from another student during a test without permission from the test administrator;
4. Knowingly using, buying, selling, stealing, or soliciting, in whole or in part, the contents of an unadministered test, paper, or another assignment;
5. The unauthorized transporting or removal, in whole or in part, the contents of an unadministered test, administrator;
6. Substituting for another student, or permitting another student to substitute for one’s self, to take a test;
7. Bribing another person to obtain an unadministered test or information about an unadministered test; or
8. Manipulating a test, assignment, or final course grades.

“Plagiarism” shall be defined as the appropriating, buying, receiving as a gift, or obtaining by any means another’s work and the unacknowledged submission or incorporation of it in one’s own written work.

“Collusion” shall be defined as the unauthorized collaboration with another person in preparing written work for fulfillment of course requirements.

SCHOLASTIC DISHONESTY RESOLUTION
A student accused of scholastic dishonesty shall make an appointment with his or her faculty member. If the student does not appear for the appointment, the faculty will render a decision and, if applicable, an appropriate penalty for the infraction.
After discussing the incident with the student, the faculty member may dismiss the allegation, issue a verbal warning, issue a written warning (to be forwarded to Student Services for recordkeeping), assign a grade to the assignment, dismiss the student from the class, and/or assign a grade for the class.

A student who wishes to appeal the faculty member’s decision may appeal according to the process below.

FINAL GRADE DISPUTE
The College District recognizes that the evaluation of student performance is based upon the professional judgment of its faculty. Faculty will clearly outline their grading procedure in their course syllabus. It is the student’s responsibility to be familiar with the grading process and seek clarification when needed. A student may question a course grade that the student believes has been awarded in a manner inconsistent with College District policies or class syllabus details or that has resulted from calculation errors on the part of the faculty member.

A student who has questions about his or her grade or who disagrees with a grade assigned should contact his or her faculty members to discuss his or her concerns as soon as possible following receipt of the grade.

FINAL GRADE DISPUTE RESOLUTION
A student disputing a grade shall make an appointment with his or her faculty member. Because grade and course materials are not readily accessible after the next long semester, the student must initiate contact no later than the end of the next long semester (e.g., fall to spring, spring to fall, and summer to fall). If the student does not appear for the appointment, the grade shall stand.

After discussing the incident with the student, the faculty member may change the grade or uphold the grade.

A student wishing to appeal the faculty member’s decision may appeal according to the process below.

APPEAL PROCESS
The process for appealing faculty decisions shall be initiated by the student as soon as possible following receipt of the decision but shall be filed no later than the end of the next long semester (e.g., fall to spring, spring to fall, and summer to fall).

The student shall be afforded the following rights within the academic appeals hearing process:
1. Right to written notice of meeting dates and committee decisions.
2. Right to discontinue the appeals process at any time.
3. Right to reasonable access to the file relating to this matter. Reasonable access provides the student with an opportunity to review the case file in the presence of a College District faculty member, staff member, or other authorized designee of the College District. The student shall be entitled to photocopy relevant items that are directly related to his or her appeal.
4. Right to appeal alone or with legal counsel. The student may not be represented by an attorney unless three days’ advanced written notice is provided to the College District detailing the name, address, and telephone number of the student’s intended counsel of record. The College District reserves the right, upon receipt of such notification, to have its legal representative present.

If the student wishes to appeal the findings at any level, it is the sole responsibility of the student to provide written notice of his or her intention, in that regard, to the administrator at the next highest level within the time frame(s) provided by this policy.

DEFINITIONS
The following definitions shall apply:
1. Evidence - Written proof concerning disputed issues shall be the responsibility of the student. The course syllabus, with the method of grade calculation, and any other document that explains or clarifies issue being disputed will be included but will be provided by the student. The appeals committee may request clarification of information from the instructional dean.

STANDARD OF REVIEW
The standard of review to be used in all proceedings under this policy shall be that of fundamental fairness. Strict rules of evidence and procedure are not required so long as the proceedings are conducted in such a manner as to allow both sides the opportunity to fairly and fully explore the circumstances. Discussion regarding the same shall be made by the party who is conducting the hearing.

LEVEL I
The meeting between the student and the faculty member shall represent Level I of the process and shall be considered an informal meeting. If a student has been unable to make contact with the faculty member, the student may make a direct appeal to Level II.

LEVEL II
The conference between the student and the instructional dean represents Level II of the appeal.

Prior to or at the conference, the student and the faculty member shall submit a written statement and copies of all coursework or other appropriate documentation to the instructional dean for review. The instructional dean shall hear and evaluate the student’s complaint and shall then confer with the faculty member.

The instructional dean shall put in writing his or her findings and related decision.

If the conference is not resolved to the student’s satisfaction, the student shall have five class days from his or her receipt of written notification to respond to the instructional dean who will then defer to the appeals process for resolution. The instructional dean will notify the appropriate vice president for instruction of this decision in writing within one class day. If the student does not request a hearing by an appeals committee within five class days provided by this policy, the student will forfeit the right to any additional appeal.

LEVEL III
The appeals committee shall be initiated at Level III of the appeal. This committee is an ad hoc committee chosen by the vice president for instruction or his or her designee and shall be chaired by the appropriate instructional dean.

Upon notification of the student’s decision to pursue further appeal, the instructional dean will notify in writing the student, the faculty member, and the vice president for instruction that the dispute will be referred within five class days to an appeals committee for review. The instructional dean shall submit to the reviewers a copy of the student’s written request for appeal, the student’s statement, and the file related to the dispute.
appeals committee copies of all written documentation obtained from the student and/or the faculty member and written instructions concerning assignments from the faculty member.

Within five to ten days of the receipt of the written materials, the committee chair will convene the appeals committee to review the written materials submitted and shall schedule the date, time, and location of the hearing. The committee chair will notify all parties of the hearing. The student and the faculty member shall receive written notification from the committee chairman that the issue will be reviewed by the committee within the given time frame.

The hearing shall provide an opportunity for both the student and the faculty member to be heard.

No new written evidence may be submitted at the hearing. If witnesses are to be presented, a list must be provided to the chairperson of the appeals committee prior to the scheduled hearing.

The appeals committee shall make a recommendation to the vice president for instruction, who will then make a final decision and notify the student and faculty member in writing.

The decision of the vice president for instruction is final.

**Student Rights and Responsibilities: Student Complaints Policy**

Blinn College is committed to providing an educational climate that is conducive to the personal and professional development of each individual. In order to ensure that commitment, the College District has developed procedures for students to pursue grievances within the college community, should such action become necessary. A student who has an unresolved disagreement or dissatisfaction with the College District, a faculty or staff member, another student, student group or administrator has the right to file a written complaint without prejudice his or her status with the College District. It is the goal of the College District to assist all students in finding fair and just solutions to their concerns.

**DEFINITION**

Complaints under this policy include concerns in areas where policy does not dictate formal appeal/complaint procedures.

Before filing a written complaint under this policy, the student must first have attempted to resolve the issue by discussing the concern with the person involved, if possible, and the appropriate dean or supervisor.

**EXCLUSIONS**

Student complaints regarding discipline, harassment, discrimination and retaliation, final grade appeals, and student housing appeals shall be covered by separate procedures. [See FFD for complaints regarding discrimination, harassment, and retaliation; FFE for initial complaints regarding bullying; FG for complaints regarding student housing; FLDB for course grade complaints; and FMA for discipline hearing procedures]

The complaint process is not intended to address appeals related to decisions made in routine College District matters where appeal processes have been outlined.

For assistance in determining the correct procedure to follow or to identify the appropriate dean or supervisor for informal resolution, students can contact the dean of student success, the dean of distance learning, or one of the campus directors (Sealy and Schulenburg). The college catalog is also a source for policy and procedure details.

**COMPLAINT PROCEDURE**

If a student cannot resolve his or her concern informally as described above, the student may complete a student complaint form found at [http://www.blinn.edu/complaint](http://www.blinn.edu/complaint).

The office of the vice president for student services or designee will review the submitted complaint and may request an appointment with the student to discuss the complaint.

The vice president or designee will make a decision concerning the complaint and communicate the decision to the student in writing within thirty (30) days from when the complaint was filed.

The decision is final and cannot be appealed. The record of the complaint, including the decision, shall be filed in the office of the vice president for student services at 902 College Avenue, 213 Administration Building, Brenham, TX 77833 and at 979-830-4150.

**Student Rights and Responsibilities: Student Expression Policy**

**FIRST AMENDMENT**

A governmental entity, including a college district, shall take no action respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Board for a redress of grievances.

**FORUM ANALYSIS**

**TRADITIONAL PUBLIC FORUM**

A “traditional public forum” includes locations, such as sidewalks and parks, where members of the public have historically been permitted to gather and speak on any topic. An institution’s property is not a traditional public forum, with the exception of sidewalks, streets, and parks that are indistinguishable from surrounding city property.

If an institution’s property is deemed a traditional public forum, the entity may exclude particular content if that entity can assert a compelling governmental interest that is narrowly tailored to address that interest, a standard referred to as the “strict scrutiny” standard. The institution can also enforce viewpoint-neutral time, place, and manner restrictions to meet a compelling governmental interest if a sufficient number of alternative communication channels are available.

**DESIGNATED PUBLIC FORUM**

A “designated public forum” is a forum that a college or university intentionally opens to the general public to discuss matters of public concern. Once designated, an institution may enforce reasonable time, place, and manner restrictions. Any content limitations are subject to the strict scrutiny standard described above.

**LIMITED PUBLIC FORUM**

A “limited public forum” is a forum that an institution opens to a particular group of speakers or for discussion regarding a particular topic. Within a limited public forum, limits on expression must be viewpoint-neutral and reasonable in light of the purpose of the forum. The government may impose reasonable time, place, and manner restrictions, as long as these restrictions do not relate to the content of the expression.

To distinguish between a designated public forum and a limited public forum, courts consider two factors:

(1) the intent of the institution regarding the forum, and

(2) the forum’s nature and compatibility with particular speech.
NONPUBLIC FORUM
If an institution has not opened a public forum, it remains a "nonpublic forum". Although limits on expression must be reasonable and viewpoint neutral even within a nonpublic forum, an institution will have greater discretion to control the content of speech within such a forum.

PROTECTED SPEECH
The mere dissemination of ideas on the campus of an institution of higher education may not be restricted on the basis of conventions of decency, regardless of how offensive those ideas are to good taste. However, an institution has the authority to enforce reasonable regulations as to the time, place, and manner of speech and its dissemination. DISTRIBUTION OF LITERATURE
Written or printed materials, handbills, photographs, pictures, films, tapes, or other visual or auditory materials not sponsored by the College District shall not be sold, circulated, or distributed on College District premises by any College District student or registered student organization [see FKC], in accordance with this College District policy and administrative procedures adopted pursuant to this policy.

The College District shall not be responsible for, nor shall the College District endorse, the contents of any nonschool literature distributed by students or registered student organizations.

This policy shall not apply to materials distributed under the supervision of instructional personnel as a part of instruction or as part of other authorized classroom or College District-sponsored activities. Additionally, nothing in this policy is intended to preclude the exchange of private notes and materials and like items between individuals who have a personal relationship or kinship.

[For distribution of nonschool literature by nonstudents and organizations that are not registered student organizations, see GF]

LIMITATIONS ON CONTENT
Nonschool literature shall not be distributed by students or registered student organizations on College District property if:

1. The materials are obscene.
2. The materials contain defamatory statements about public figures or others.
3. The materials advocate imminent lawless or disruptive action and are likely to incite or produce such action.
4. The materials constitute unlawful harassment. [See DIA series and FFD series]
5. The materials constitute impermissible solicitation. [See FI]
6. The materials infringe upon intellectual property rights of the College District. [See CT]

TIME, PLACE, AND MANNER RESTRICTIONS
The Senior Vice President of Student Services or designee shall designate times, locations, and means by which nonschool literature that complies with this policy, may be made available or distributed by students or registered student organizations to students or others on College District premises.

Administrative procedures adopted pursuant to this policy shall not discriminate based on the content or viewpoint of the literature or on the expected reaction of others to the literature.

Distribution of the nonschool literature shall be conducted in a manner that:

1. Is not materially disruptive [see FLB];
2. Does not impede reasonable access to College District facilities;
3. Does not result in damage to College District property;
4. Does not include any prolonged or repeated contact with persons who have declined the literature;
5. Does not cause a substantial invasion of the rights of others; and
6. Does not violate local, state, or federal laws or College District policies and procedures.

The distributor shall make a reasonable effort to retrieve and remove any literature that was discarded or not distributed.

DISPLAY OF SIGNS
For the purposes of this policy, "sign" shall be defined as a handheld billboard, decal, notice, placard, poster, banner, or other message-bearing material that can be held or carried by a person, and "posting" shall be defined as any means used for displaying a sign in a fixed location.

Except for signs that violate the limitations on content, as described above, a student may publicly carry a sign in outdoor common areas of the College District in accordance with time, place, and manner rules established by the administration. Hand-carried signs may not be used in a manner that blocks or obstructs windows or pedestrian or vehicular traffic.

A sign shall not be attached or posted to any College District building, lawn, light pole, fence, fixture, shrub, plant, tree, or fire hydrant. Unattended signs are not permitted, except as outlined below.

EXCEPTIONS
Students who live in on-campus housing may place a posting on the doors of their rooms to which they are assigned in accordance with administrative procedures. Registered student organizations may place postings on outdoor community bulletin boards or kiosks that are maintained for that purpose. The signs shall be posted and removed in accordance with administrative procedures. Registered student organizations may request to make postings...
Definitions of terms used in this policy shall be as follows.

STUDENT

A “student” shall mean one who is currently enrolled in the College District. These policies and regulations shall also apply to any prospective or former student who has been accepted for admission or readmission to any component institution while he or she is on the premises of any component institution.

PREMISES

The “premises” of the College District is defined as all real property over which the College District has possession and control.

DISORDERLY CONDUCT

“Disorderly conduct” shall include any of the following activities occurring on premises owned or controlled by the College District:

1. Behavior of a boisterous and tumultuous character such that there is a clear and present danger of alarming persons where no legitimate reason for alarm exists.
2. Interference with the peaceful and lawful conduct of persons under circumstances in which there is reason to believe that such conduct will cause or provoke a disturbance.
3. Violent and forceful behavior at any time such that there is a clear and present danger that free movement of other persons will be impaired.
4. Behavior involving personal abuse or assault when such behavior creates a clear and present danger of causing assaults or fights.
5. Violent, abusive, indecent, profane, boisterous, unreasonably loud, or otherwise disorderly conduct under circumstances in which there is reason to believe that such conduct will cause or provoke a disturbance.
6. Willful and malicious behavior that interrupts the speaker of any lawful assembly or impairs the lawful right of others to participate effectively in such assembly or meeting when there is reason to believe that such conduct will cause or provoke a disturbance.
7. Willful and malicious behavior that obstructs or causes the obstruction of any doorway, hall, or any other passageway in a College District building to such an extent that the employees, officers, and other persons, including visitors, having business with the College District are denied entrance into, exit from, or free passage in such building.

DISCLAIMER

When reasonably necessary to avoid likely confusion, literature distributed by a registered student organization must include a disclaimer indicating that the literature is not sponsored by the College District and does not represent the views of the College District or College District officials, faculty, or staff.

VIOLATIONS OF POLICY

Failure to comply with the policy and procedures regarding distribution of nonschool literature shall result in appropriate administrative action, including but not limited to confiscation of nonconforming materials, suspension of a student’s or registered student organization’s use of College District facilities, and/or other disciplinary action in accordance with the College District’s discipline policies and procedures [see FM and FMA].

APPEALS

The administration shall maintain a procedure providing for a prompt appeal of a decision denying a request. The procedure shall require that the appeal be heard within five business days of the filing of the appeal.

RESPONSIBILITY

Each student shall be charged with notice and knowledge of, and shall be required to comply with, the contents and provisions of the College District’s rules and regulations concerning student conduct.

PROHIBITED CONDUCT

The following behavior shall be prohibited:

FEDERAL, STATE, AND LOCAL LAW

1. Violations of federal, state, or local law or College District policies, procedures, or rules, including the college catalog.

PROHIBITED WEAPONS

2. Possession, distribution, sale, or use of firearms or other prohibited weapons without prior approval. [See FLBF]

Discipline and Penalties: Discipline Hearings Procedures Policy

REPORTS OF ALLEGED MISCONDUCT

Unless another policy governs the processing of a complaint - such as bullying or dating violence [see FFE]; discrimination, harassment and retaliation [see FFD] - College District faculty, staff, and students shall submit an alleged violation or violations of College District policies and procedures, including the rules for student conduct [see FLB], committed by a student to the vice president of student services within thirty (30) calendar days. The allegations must be submitted in writing, through traditional or electronic means, and must describe the alleged violation and any surrounding facts.

The vice president of student services or designee shall investigate the matter as necessary. If an allegation is deemed to be unfounded, the vice president of student services or designee shall dismiss the alleged violation and shall provide the student who is the subject of the allegation a written notice that the allegation of misconduct was made against the student and that the allegation was dismissed.

CONFERENCE

If, however, the vice president of student services or designee determines that the allegation warrants further consideration, the vice president of student services or designee shall require the student who is the subject of the allegation to attend a conference to be held within a reasonable time frame, not to exceed ten (10) College District business days, following the receipt of the alleged violation of misconduct.

At the conference, the vice president of student services or designee shall notify the student of the allegation(s) and provide the student an opportunity to respond.

UNFOUNDED ALLEGATIONS

After conferring with the student, if the vice president of student services or designee determines that the student did not commit a violation of College District policies and/or procedures, including the rules of student conduct, then the allegation(s) shall be dismissed as unfounded. The student shall be provided written notice of the dismissal.

MISCONDUCT WARRANTING A SANCTION

If the vice president of student services or designee determines that the student committed a violation of College District policies and/or procedures that warrants a sanction, the vice president of student services or designee shall inform the student in writing of the determination and the student’s right of disciplinary appeal.

INTERIM DISCIPLINARY SUSPENSION

In a situation where it is determined that a student’s continued presence at the college constitutes an immediate threat of harm to the student, other individuals, and/or College property or presents a threat of disrupting the educational environment, the vice president of student services or designee may suspend a student pending final disposition of the case through the College discipline process.

STUDENT RIGHT OF DISCIPLINARY APPEAL

A student has the right to appeal an initial administrative disposition to the chairperson of the disciplinary appeals committee. The chairperson shall notify the student and the committee of the appeal date, time, and location to review the administrative disposition in question. Following the appeal process, the chairperson will notify the student of the committee’s decision, and this decision will serve as the concluding administrative action regarding the violation. Except when a student has been suspended from the campus by the District President or designee, all penalties except interim suspension or expulsion shall be held in abeyance until the student accepts the penalty given or the appeals process has ended.

DISCIPLINARY APPEALS COMMITTEE

The disciplinary appeals committee shall be convened:

1. At the request of a student appealing an administrative disposition. The request must be filed in writing, on a form provided by the College District, within one (1) College District business day of the receipt of the administration’s disposition; or
2. At the request of the vice president of student services or an appointed designee.

STUDENT REQUEST OF DISCIPLINARY APPEAL

When a student refuses administrative disposition of a violation and appeals the disposition, the student is entitled to a hearing before the disciplinary appeals committee. This request must be made in writing to the chairperson within one (1) College District business day following administrative disposition. The request shall include:

1. Name, address, and student I.D. number;
2. Description, date(s) and place(s) of alleged act(s) for which the student was disciplined;
3. Date of administrative disposition;
4. Nature of disciplinary measure; 
5. Circumstances that the student feels should be reviewed; 
6. The student’s signature and date; and
7. The student’s intention, if any, of having an attorney present for the hearing. The attorney will not be allowed to question witnesses but only to advise the student except in hearings brought under Section 51.233-234 regarding withdrawal of
consent to remain on campus during periods of disruption or if there is a determination that the student is unable to question witnesses due to extenuating circumstances.

STUDENT NOTIFICATION OF APPEAL HEARING

The chairperson of the disciplinary appeals committee shall notify the student by letter of the date, time and location of the appeals hearing. Unless the student and the vice president of student services or designee otherwise agree, the appeal shall take place within a reasonable time period, not to exceed five (5) College District business days, after the date of the student’s request for the appeal.

The chairperson of the disciplinary committee shall notify the student of the appeal date, time, and location of hearing and shall advise the student of the right to:
1. Have a private hearing;
2. Appear alone or with legal counsel;
3. Have the student’s parents or guardian present at the hearing;
4. Require the production of documentation and other evidence possessed by the College District regarding the alleged violation; and
5. Arrange to have a stenographer present at the hearing to make a transcript of the hearing at the student’s expense (the student is not permitted to record the hearing by electronic means).

FAILURE TO APPEAR FOR HEARING

The disciplinary appeals committee may impose appropriate sanctions upon a student who, without good cause, fails to appear at his or her designated appeal hearing. For purposes of assessing sanctions, the committee may proceed with the hearing.

PROCEDURE

The hearing shall be informal, and the chairperson shall provide reasonable opportunities for witnesses to be heard. The College District may be represented by legal counsel if the student is to be represented by legal counsel. The hearing shall be closed, except that, with the consent or on invitation of the student, members of the student’s immediate family and the student’s attorney may attend. The committee shall proceed as follows during the hearing:
1. The chairperson shall read the description of the alleged violation.
2. The chairperson shall inform the student of his or her rights.
3. The vice president or designee shall present the College District’s case.
4. The student shall present the student’s response.
5. The designated College District official or representative shall present rebuttal evidence.
6. The student shall summarize his or her case.
7. The designated College District official or representative shall summarize the College District’s case.
8. The committee members shall meet alone to deliberate the case. The committee members shall vote on the issue of whether or not the student violated the College District policies and procedures.
9. Based on a majority vote, if the committee finds the student in violation, the committee will determine the appropriate sanction.
10. The chairperson shall inform the student of the committee’s decision and sanction, if any, immediately following the hearing.

EVIDENCE

Legal rules of evidence shall not apply to hearings brought under this policy. The committee may admit and consider evidence that possesses probative value and is commonly accepted by reasonable persons in the conduct of affairs. The committee shall exclude irrelevant, immaterial, and unduly repetitious evidence. Committee members may freely question witnesses, but committee members are not subject to questioning. The committee shall presume no violation has occurred and will make its decision based on the evidence presented. All evidence shall be offered to the committee during the hearing and made part of the hearing record. Documentary evidence may be admitted in the form of copies. Tangible evidence may be photographed or described for the records. The committee shall decide whether a violation has occurred and an appropriate sanction solely on the basis of preponderance of the evidence. The committee may consider a student’s grades and disciplinary record only in determining an appropriate sanction after finding the student in violation.

RECORD

The hearing record shall include a copy of the notice of hearing, all documentation and other evidence offered or admitted at the hearing, minutes of the hearing, and the committee’s decisions.

The committee chairperson, shall send the record to the District President, vice president of student services, and designated College District administrators, with a copy to the student, within one (1) College District business day of the hearing.

SANCTIONS

A student shall be subject to disciplinary sanctions for violations of College District policies and procedures per FM (Local).

Once a sanction has been imposed by the committee, the chairperson shall notify the student of the committee’s decision, and this decision shall serve as the concluding administrative action regarding the violation. There is no right to appeal to the vice president of student services, District President, Board, or any appointed designee(s), however, the vice president of student services, District President, Board, and any appointed designee may amend the committee’s findings at their sole discretion.

SECTION 51.234 PROVISIONS

If a student is notified in accordance with Section 51.234 of the Texas Education Code that consent to remain on the campus or facility under the control of the College District has been withdrawn due to reasonable cause to believe that the person has willfully disrupted the orderly operation of the campus or facility and will constitute a substantial and material threat to the orderly operation of the campus or facility, the student may request a hearing. A student requesting a hearing under this provision has the following rights:
1. The right to be represented by counsel;
2. The right to call and examine witnesses and to cross-examine adverse witnesses;
3. The right to have all matters upon which the decision may be based introduced into evidence at the hearing in the student’s presence;
4. The right to have the decision based solely on the evidence presented at the hearing;
5. The right to prohibit the introduction of statements made against him or her unless the student has been advised of the content and the names of the person who made the statements and has been given the opportunity to rebut unfavorable inferences that might otherwise be drawn; and
6. The right to have all findings made at the hearing be final, subject only to the student’s right to appeal to the District President and the Board.

Blinn Board Policy FMA (LOCAL)
Student Welfare:
Freedom from Discrimination, Harassment, and Retaliation Policy

Note: This policy addresses discrimination, harassment, and retaliation targeting College District students. For the College District's response regarding discrimination, harassment, and retaliation targeting College District employees, see DIA.

STATEMENT OF NONDISCRIMINATION

The College District prohibits discrimination, including harassment, against any student on the basis of race, color, religion, gender, national origin, disability, age, or any other basis prohibited by law. Retaliation against anyone involved in the complaint process is a violation of College District policy and is prohibited.

DISCRIMINATION

Discrimination against a student is defined as conduct directed at a student on the basis of race, color, religion, gender, national origin, disability, age, or on any other basis prohibited by law, that adversely affects the student.

PROHIBITED HARASSMENT

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student's race, color, religion, gender, national origin, disability, age, or any other basis prohibited by law that is so severe, persistent, or pervasive that the conduct limits or denies a student’s ability to participate in or benefit from the College District’s educational program.

EXAMPLES

Examples of prohibited harassment may include offensive or derogatory language directed at another person’s religious beliefs or practices, accent, skin color, or need for accommodation; threatening, intimidating, or humiliating conduct; offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

SEXUAL HARASSMENT BY AN EMPLOYEE

Sexual harassment of a student by a College District employee includes unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when a College District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct. The conduct is so severe, persistent, or pervasive that it limits or denies the student’s ability to participate in or benefit from the College District’s educational program.

BY OTHERS

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it limits or denies a student’s ability to participate in or benefit from the College District’s educational program.

EXAMPLES

Examples of harassing behavior include, but are not limited to, unwelcome and inappropriate touching, sexually suggestive remarks or gestures, unsolicited pornographic materials, obscene messages sent via text or computer, pressure for sexual activity, and sexual assault and rape.

SEXUAL VIOLENCE

Sexual violence is a form of sexual harassment. Sexual violence includes physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol or due to an intellectual or other disability.

Sexual assault is defined as any unwanted, non-consensual sexual contact against any individual by another. Sexual assault can occur either forcibly (against a person's will) or when a person cannot give consent (under the age of consent, intoxicated, developmentally disabled, or mentally/physically unable to consent).

Rape is defined as nonconsensual sexual intercourse that involves the use of threat of force, violence, or immediate and unlawful bodily injury or threats of future retaliation and duress. When the person is incapable of giving consent because he or she is incapacitated from alcohol and/or drugs, or if a mental disorder or developmental or physical disability renders the victim incapable of giving consent, this is nonconsensual.

EXAMPLES

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; rape; sexual assault; sexual battery; sexual coercion; and other sexually motivated conduct, communications, or contact.

Physical contact not reasonably construed as sexual in nature is not sexual harassment.

GENDER-BASED HARASSMENT

Gender-based harassment includes physical, verbal, or nonverbal conduct based on the student’s gender, the student’s expression of characteristics perceived as stereotypical for the student’s gender, or the student’s failure to conform to stereotypical notions of masculinity or femininity. For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct limits or denies a student’s ability to participate in or benefit from the College District’s educational program.

EXAMPLES

Examples of gender-based harassment directed against a student, regardless of the student’s or the harasser’s actual or perceived sexual orientation or gender identity, may include offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

RETALIATION

The College District prohibits retaliation by a student or College District employee against a student alleged to have experienced discrimination or harassment or another student who, in good faith, makes a report of harassment or discrimination, serves as a witness, or otherwise participates in an investigation.

EXAMPLES

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

FALSE CLAIMS

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a College District
investigation regarding discrimination or harassment shall be subject to appropriate disciplinary action.

**PROHIBITED CONDUCT**

**REPORTING PROCEDURES**

A person who holds a professional license requiring confidentiality, such as a counselor, or who is supervised by such a person shall not be required to disclose a report of prohibited conduct without the student’s consent.

A person who is a non-professional counselor or advocate designated in administrative procedures as a confidential source shall not be required to disclose information regarding an incident of prohibited conduct that constitutes personally identifiable information about a student or other information that would indicate the student’s identity without the student’s consent, unless the person is disclosing information as required for inclusion in the College District’s annual security report under the Clery Act [see GAC].

**RESPONSIBLE EMPLOYEE**
For purposes of this policy, a “responsible employee” is an employee:
1. Who has the authority to remedy prohibited conduct.

The District President or designee shall serve as coordinator for purposes of College District compliance with all other antidiscrimination laws.

**ALTERNATIVE REPORTING PROCEDURES**
A student shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the ADA/Section 504 coordinators or the Title IX coordinator/specialist may be directed to the District President or designee.

A report against the District President or designee may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

**TIMELY REPORTING**
Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the College District’s ability to investigate and address the prohibited conduct.
INVESTIGATION OF THE REPORT
The College District may request, but shall not require, a written report. If a report is made orally, the College District official shall reduce the report to written form.

INITIAL ASSESSMENT
Upon receipt or notice of a report, the College District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the College District official shall immediately authorize or undertake an investigation, except as provided below at CRIMINAL INVESTIGATION.

INVESTIGATION
If the College District official determines that the allegations, if proven, would not constitute prohibited conduct as defined by this policy, the College District official shall refer the complaint for consideration under the appropriate College District process.

INTERIM ACTION
If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, the College District shall promptly take interim action calculated to address prohibited conduct prior to the completion of the College District’s investigation.

COLLEGE DISTRICT INVESTIGATION
The investigation may be conducted by the College District official or designee(s) or by a third party designated by the College District, such as an attorney. The investigator shall have received appropriate training regarding the issues related to the complaint and the relevant College District’s policy and procedures.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

CRIMINAL INVESTIGATION
If a law enforcement or regulatory agency notifies the College District that a criminal or regulatory investigation has been initiated, the College District shall confer with the agency to determine if the College District’s investigation would impede the criminal or regulatory investigation. The College District shall proceed with its investigation only to the extent that it does not impede the ongoing criminal or regulatory investigation. After the law enforcement or regulatory agency has completed gathering its evidence, the College District shall promptly resume its investigation.

CONCLUDING THE INVESTIGATION
Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for the College District to delay its investigation, the investigation should be completed within ten College District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the College District official overseeing the investigation.

NOTIFICATION OF OUTCOME
The College District shall provide written notice of the outcome, within the extent permitted by the Family Educational Rights and Privacy Act (FERPA) or other law, to the victim and the person against whom the complaint is filed.

COLLEGE DISTRICT ACTION

PROHIBITED CONDUCT
If the results of an investigation indicate that prohibited conduct occurred, the College District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct in accordance with College District policy and procedures [see FM and FMA].

CORRECTIVE ACTION
Examples of corrective action may include a training program for those involved in the complaint, a comprehensive education program for the College District community, counseling to the victim and the student who engaged in prohibited conduct, follow-up inquiries to determine if any new incidents or any instances of retaliation have occurred, involving students in efforts to identify problems and improve the College District climate, increasing staff monitoring of areas where prohibited conduct has occurred, and reaffirming the College District’s policy against discrimination and harassment.

EXCEPTION
The College District shall minimize attempts to require a student who complains of sexual harassment to resolve the problem directly with the person who engaged in the harassment; however, if that is the most appropriate resolution method, the College District shall be involved in an appropriate manner. Mediation shall not be used to resolve sexual harassment complaints.

IMPROPER CONDUCT
If the investigation reveals improper conduct that did not rise to the level of prohibited conduct, the College District may take disciplinary action in accordance with College District policy and procedures or other corrective action reasonably calculated to address the conduct.

CONFIDENTIALITY
To the greatest extent possible, the College District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

APPEAL
A student who is dissatisfied with the outcome of the investigation may appeal through FLD (LOCAL), beginning at the appropriate level. A student shall be informed of his or her right to file a complaint with the United States Department of Education Office for Civil Rights.

RECORDS RETENTION
Retention of records shall be in accordance with the College District’s records retention procedures. [See CIA]

ACCESS TO POLICY, PROCEDURES, & RELATED MATERIALS

and procedures shall be readily available at the College District’s administrative offices and shall be distributed to a student who makes a report.

If the allegations could constitute both prohibited conduct and bullying, the investigation under FFD shall include a determination on each type of conduct.

INVESTIGATION OF THE REPORT
The campus police or campus director or designee shall conduct an appropriate investigation based on the allegations in the report. The campus police or campus director or designee shall promptly take interim action calculated to prevent bullying or retaliation, as defined by this policy, during the course of an investigation, if appropriate.

Absent extenuating circumstances, the investigation should be completed within ten College District business days from the date of the initial report alleging bullying or retaliation, as defined by this policy; however, the campus police or campus director or designee shall take additional time if necessary to complete a thorough investigation.

The campus police or campus director or designee shall prepare a final, written report of the investigation. The report shall include a determination of whether bullying or retaliation, as defined by this policy, occurred. A copy of the report shall be sent to the District President or designee.

CORRECTIVE ACTION
Examples of corrective action may include implementing a training program for the individuals involved in the complaint, implementing a comprehensive education program for the College District community, conducting follow-up inquiries to determine if any new incidents or any instances of retaliation have occurred, involving students in efforts to identify problems and improve the College District climate, increasing staff monitoring of areas where bullying or retaliation has occurred, and reaffirming the College District’s policy against bullying and retaliation.

IMPROPER CONDUCT
If the investigation reveals improper conduct that did not rise to the level of bullying or retaliation as defined by this policy, the College District may take disciplinary or any other appropriate corrective action.

To the greatest extent possible, the College District shall respect the privacy of the complainant, persons against whom a report is

Employers can access the system to post job vacancies and to search the available supply of students and graduates. Blinn College has teamed with College Central Network (CCN) to make this a powerful and efficient on-line job placement system. To access the system, use the following website: [www.collegecentral.com/blinncollege](http://www.collegecentral.com/blinncollege).

In addition to the job posting system mentioned above, Blinn College also lists part time jobs from local employers. These jobs are posted in the Academic Advising and Counseling Office, Room 206 of the Administration Building on the Brenham Campus.

Quick Facts:
- Open Monday-Thursday 9 am-8 pm and on Friday 9 am-1 pm

- tutors can help with all writing stages: understanding an assignment, choosing a topic, planning, revising, editing, and documenting sources.

THE DEVELOPMENTAL READING & WRITING LABS (Bryan)
Parallel Studies is home to two computer labs (L-257 & L-249) that exist to guide students through their developmental courses. Our aim is to encourage academic achievement. These labs are used as a supplement to class time and give students the opportunity to work with their instructor or a tutor in a quiet, friendly, individualized setting.

Students may use the lab to complete work for a developmental course or to receive tutoring on a particular concept they are struggling with. Degreed tutors can answer questions about assignments, reading, writing and course computer programs.

BRENHAM CAMPUS HOUSING
Living on campus provides an overall educational experience that contributes to the student’s development. Group living challenges each student to develop a new personal awareness, to exchange ideas, and to explore serious commitments to learning. Group living also requires a development of respect for the rights of others.

Students are expected to observe a proper standard of conduct at all times which calls for respect for order, respect for authority, courtesy and good judgment. Procedures, compiled in accordance with state law and college regulations, provide an atmosphere of health and safety for the residents. The Residence Life Handbook is available online for student review and reference. Students are expected to review all Blinn College Housing and Residential Life policies and procedures upon arrival in Blinn College Housing. Refer to the website (www.blinn.edu/housing) for updates.

Applying for Housing
A prospective housing student must first apply for admission to Blinn College. When admitted, the student will receive instructions for logging into his/her myBlinn account.

NOTE: If a student’s admission file is incomplete due to missing documents or application materials, the student will not be able to access the housing links in his/her myBlinn account. When the prospective student has access to his/her myBlinn account, he/she will follow the instructions for Login of myHousing. Students requesting to live in on-campus housing must complete the online housing application and pay a NON-REFUNDABLE $125 application fee in order to be considered for a housing assignment.

A “Thank You” confirmation page will be emailed when the Housing Application is completed successfully. It is recommended that students apply early for housing, as spaces are limited. Please check the Buc email on a regular basis. Students can also visit www.blinn.edu/housing for more housing information and future housing application dates.

Room Assignments
To receive an assignment, a student must be enrolled in a minimum of 12 semester hours at Blinn College and must pass a criminal history record review. Summer school assignments are made prior to or during summer session registration. The Director of Housing reserves the right to make hall and room assignments. The prospective resident is placed on the waiting list prior to the assignment process. To be eligible for the waiting list the applicant must complete the online housing application. The applicant’s name appears on the waiting list according to the date the application is accepted.

An assignment letter will be sent by e-mail and by mail to the student’s address on file. The assignment letter has very important information: the assigned housing placement, move-in dates, move-in requirements.
All unclaimed rooms will be declared vacant at 5:00 p.m. on the last designated move-in day. Students unable to claim their room by this date and time should call (979) 830-4461 or email housing@blinn.edu. There is no reduction in cost for the late arrival.

Housing Agreement
The student must agree to the terms of the Housing Agreement at the time of application in order to complete the application process. The Housing Agreement is a legal and binding agreement for the full academic year (9 months) and expires at the end of the spring semester. The agreement specifies provisions for cancellations, occupancy, room entry, property damages, and liabilities. Any student wishing to move from college housing should consult the Housing Agreement for the provisions applicable for release from the agreement. Authorization for off-campus housing does not relieve the student of agreement obligations which have been assumed with Blinn College for on-campus housing.

Room Cancellations
Students who cancel their rooms prior to the first day of fall classes and prior to the first day of spring classes will receive a full payment refund for room rent.

Refunds
The refund for room rent will be prorated for students who withdraw or are removed from housing prior to the eighth week for the regular semester and prior to the second week of the summer session. A student who drops or is dropped below 12 semester hours will have 5 class days to complete the academic reinstatement process. If the appeal is unsuccessful the resident must move out of housing. The move-out date determines if a meal plan and room rent refund is appropriate.

A Blinn College parking permit will be provided free of charge to Blinn students who are registered for Health Science classes and have purchased a Health Science Center parking permit. The Blinn College and Health Science Center parking permits must be issued during the same semester as the student’s HSC classes. In order to receive a free Blinn College parking permit, HSC students must provide the following, in person, to Enrollment Services on the campus where Blinn classes will be attended.  
• Health Science Center parking permit paid receipt (hard copy only)  
• Student’s name must appear on the paid receipt  
• Picture ID

NOTE:  Students who did not have HSC classes for the Fall semester and purchased a Blinn permit in the Fall, but now have HSC classes for the Spring semester, are not eligible to receive any type of refund or credit for their Fall permit purchase.

Citation Appeal Procedure:  
Blinn College citations must be appealed electronically through the Blinn College website within 10 class days of the citation issue date. The appeal will be reviewed by the Blinn College Parking Appeals Committee. After the committee evaluates the appeal, a final decision of either ‘Granted’ or ‘Denied’ will be electronically submit-ted to the email address provided on the appeal form. Decisions of the Committee are final and are not subject to further appeal. ‘Granted’ appeals will be removed from the student’s account. ‘Denied’ appeals may be paid at Enrollment Services. If not paid, a ‘Business Office Hold’ will be placed on the student’s account.

To appeal a citation received on the Brenham Campus, please complete this Brenham Campus Parking Citation Appeal Form and submit to Enrollment Services. To appeal a citation received on the Bryan Campus, please complete this Bryan Campus Parking Citation Appeal Form and submit to Enrollment Services. For further assistance, contact the Enrollment Services Department:  
Brenham Campus (979) 830-4800  
Bryan Campus (979) 209-7200

Towing Procedure:  
Parking and Traffic Regulations are enforced at all times, including weekends, holidays and vacation periods. Blinn College reserves the right to regulate the use of its vehicle parking facilities and lots, including the authority to impound vehicles. The responsibility of locating a legal parking space rests with the operator of the vehicle. The most effective way to avoid having a vehicle towed is to adhere to all posted regulations; and in the event of receiving a citation, to pay or appeal the citation in a timely manner. Vehicles may be towed for violations of the State of Texas Transportation Code, Blinn College Parking and Traffic Regulations or in emergency situations. All towing expenses will be the responsibility of the vehicle owner. A vehicle may be towed for, but not limited to the following examples:

- Vehicle is restricting pedestrian and wheelchair routes; and the owner cannot be located within a reasonable amount of time
- Vehicle is blocking or partially blocking a service drive, or roadway
- Vehicle is non-operable
- Vehicle has been deemed abandoned by the Blinn College Police
- Vehicle is parked in a handicap space; and the owner cannot be located within a reasonable amount of time
- Vehicle is blocking an area which creates a danger to safety and welfare of persons and property (fire lanes, service areas, traffic lanes, walkways or posted areas)

FINANCIAL AID  
There are a number of financial aid programs available to assist students attending Blinn College. For information about financial aid, students should visit www.blinn.edu/finaid or contact the Financial Aid Office at (979) 830-4144 or (979) 209-7230, or via email at finaid@blinn.edu.

How to Apply  
To apply for federal, state, or institutional funding, students must complete the Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov. The Blinn College Federal School Code is 003549. Students and parents are encouraged to use the IRS Data Retrieval Process when completing the FAFSA. The Data Retrieval Process allows the applicant to view and transfer IRS tax return data directly from the IRS website into the appropriate fields on the FAFSA. Using the Data Retrieval Process may help students avoid having to submit additional documents to the financial aid office.

Most, but not all, programs require a student to demonstrate financial need. Awards may include grants, work-study jobs and student loans. Students with demonstrated need are always considered for gift aid first, then student loans. Students may accept or decline all or any part of their award offer. Students who have been enrolled at other postsecondary institutions must supply the Blinn Admissions Office with an academic transcript from each of those institutions (even if no aid was received).

To receive the maximum consideration for limited financial aid resources, students must submit the FAFSA and all required materials by June 1 2016 prior to the beginning of the Academic year (Fall semester) or by October 1, 2016 for the Spring semester. Summer awards may be available for incoming and continuing Blinn students who notify the office of their intent to attend summer school by April 15, 2017. Please visit our website at www.blinn.edu/finaid for more details on all the financial aid programs available at the Blinn College.
Establishing and Maintaining Eligibility
In addition to establishing financial eligibility the student must be enrolled, or accepted for enrollment, as a “regular student” in an eligible program of study and must maintain satisfactory academic progress. A “regular student” is one who has graduated from high school, has a GED, or has completed a secondary school education school under State law. A student in an “eligible program of study” is one who is seeking a degree or certificate at Blinn College and is enrolled in courses leading to that goal.

Summer Transient students are not eligible for aid. Students who are co-enrolled at Blinn and another college may not be eligible to receive aid. Recipients are expected to enroll and attend as at least halftime students.

Disbursement of Aid
Each semester, financial aid disbursement begins no earlier than the 12th day of classes, or “day of record”. Students who have satisfied all application and disbursement requirements and met the conditions of the award at least two weeks to prior to the beginning of registration, will have financial aid automatically credited to their student account as payment.

All students who have accepted a loan must complete entrance counseling and Master Promissory Note requirements before loan funds will be requested. Student loan funds for first time freshman borrowers cannot be released until 30 days after classes begin.

If the student has financial aid remaining after all charges are fully paid, an institutional refund will be issued to the student. Financial aid funds must be used for education related expenses. Students whose financial aid credit is not sufficient to cover charges must be prepared to pay the difference.

Students who withdraw from school prior to receipt of aid funds will not receive those funds. Any indebtedness they incur from registration will be the student’s responsibility.

Revisions and Cancelations of Aid
Blinn College reserves the right to review, revise, or cancel all financial aid at any time due to changes in the student’s financial and/or academic status or failure to comply with federal or state laws and regulations, including financial verification, audit procedures, and institutional policies. In addition, all financial aid is subject to revision based on the funds received by the College from the federal or state government and any changes to federal or state laws, regulations, or policies.

If the student registers for classes on financial aid credit and the student reduces the number of enrolled hours, financial aid will be adjusted to reflect semester registration. If the reduced enrollment results in less eligibility for aid, the student will be responsible for any charges due.

Satisfactory Academic Progress (SAP)
Federal regulations require Blinn College to implement Satisfactory Academic Progress (SAP) policies to ensure that students receiving federal student aid are making adequate progress toward completing their degree programs. Satisfactory Academic Progress will be monitored for all periods of enrollment whether or not the student has received financial aid. The satisfactory academic progress policy applies to all Federal, State and institutional aid, including Federal and State loan programs. Private loans that require school certification may also be subject to SAP policies.

Blinn’s financial aid SAP policies are similar, but not identical, to the College’s Academic Standing policies. Students should review both sets of policies and ask for clarification as needed. Questions about financial aid SAP policies should be directed to the Financial Aid Office; questions about the College’s Academic Standing policies should be directed to the Registrar’s office.

Measurements of Satisfactory Academic Progress (SAP)
Blinn measures academic performance based on three standards: grade point average (GPA), pace and maximum time. See below for a detailed description.

Minimum Satisfactory Academic Progress (SAP) Standards

<table>
<thead>
<tr>
<th>Cumulative GPA</th>
<th>Cumulative Total Attempted Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>A 4.0</td>
<td>(Hrs. Completed/Hrs. Attempted)</td>
</tr>
<tr>
<td>B 3.0</td>
<td>(Including Transfer Credits)</td>
</tr>
<tr>
<td>C 2.0</td>
<td>Minimum 2.0</td>
</tr>
<tr>
<td>D 1.0</td>
<td>67%</td>
</tr>
<tr>
<td>F 0.0</td>
<td>96</td>
</tr>
</tbody>
</table>

Special Note: Hours earned in repeated courses count only once in calculating GPA and the highest grade is used. An "F" will only be replaced by a passing grade. A "W" or "Q" will not replace an "F" or higher. An "F" will replace a "W" or "Q". Incomplete (I) and "QF" are treated as an "F."

1. Grade Point Average: Students must maintain a cumulative grade point average of 2.0 (equivalent to C average) on a 4.0 scale.
   A 4.0
   B 3.0
   C 2.0
   D 1.0
   F 0.0

2. Pace of Completion: Students must successfully complete 67% of their overall attempted hours to stay on pace to complete their degree. The following formula is used to determine a student’s Pace:
   (# of credits earned at Blinn + Transfer hours accepted by Blinn)
   ________________________________
   (# of credits attempted at Blinn + Transfer hours accepted by Blinn)

3. Maximum Timeframe: In addition to the above GPA and Pace requirements, all students must complete their programs of study by attempting no more than 150% of the hours normally required for completion. For example, an associate’s degree from Blinn is normally completed with 64 credit hours; financial aid eligibility will be suspended once a student has attempted 96 credit hours or more. All attempted credits are counted toward the maximum timeframe. Consideration of eligibility includes all terms of enrollment, whether or not a student received financial aid during those terms.

Evaluation of Satisfactory Academic Progress
Blinn College calculates SAP annually at the end of the spring semester. Reviews will occur once grades are published in the College’s system. If the student meets all three of the conditions listed above, they remain eligible to receive federal student aid funds until the next evaluation period.

Financial Aid Suspension
If a student fails to meet the minimum SAP standards, they will be placed on Financial Aid Suspension and will not be eligible to
receive financial aid. Students may appeal their financial aid suspension by submitting a SAP appeal. Students who have been academically suspended but who are subsequently given permission to re-enroll are not automatically eligible to continue to participate in federal, state, or institutional aid programs. Admissions decisions are separate from funding decisions.

**Students with an Associate’s Degree and/or Bachelor’s Degree:**
Students who have earned an Associate’s Degree and/or Bachelor’s Degree and continue enrollment at Blinn College are not making satisfactory academic progress and will be placed on financial aid suspension. A suspended student may submit a SAP appeal to the Financial Aid Office. Students must be degree seeking at Blinn College and have their chosen major and degree already declared prior to submitting their Appeal.

**First-time freshman students:**
First-time freshman students are meeting the satisfactory academic progress (SAP) requirements as long as they have:
- Been accepted as a regular student in an eligible program.
- A high school diploma or recognized equivalent of a high school diploma, typically a general education development (GED) certificate. Students who have been homeschooled are reviewed on a case by case basis. Blinn College reserves the right to deny financial aid to any student who does not have a high school diploma or GED from a recognized and accredited institution.

**Notification of SAP standing**
Students are notified through the myBlinn portal of their SAP status. Students who are not meeting the SAP standards are told what aspect of their academic history caused them not to meet SAP standards. Emails are sent to the student’s Blinn Buc email account.

**Appeal Process**
Students are allowed to appeal their financial aid suspension once a year. Students may submit a Satisfactory Academic Progress (SAP) Appeal Form. The appeal may not be based upon the student’s need for the assistance OR lack of knowledge that their assistance was in jeopardy. It is the student’s responsibility to provide 3rd party documentation showing that their failure to meet the SAP standards was caused by something outside of their control. Examples of possible situations include documented serious illness, severe injury, or death of a family member.

**Appeal Approval Conditions**
Appeals are reviewed on a case by case basis. Each student’s prior academic history, letter, and 3rd party documentation is reviewed. Students who are denied may submit a Review of Denied Appeal by contacting the Financial Aid Office. A Review of Denied Appeal can only be submitted if an additional situation arose or additional documentation was unavailable when the first appeal was submitted.

If a student’s appeal is approved they are placed on tougher academic standards and will be expected to maintain those stricter standards until they are meeting SAP, graduate, or no longer attend Blinn. If a student fails to meet the conditions of their appeal their aid will be denied for the remainder of the academic year (Fall/Spring/Summer). Students who are denied will not be able to appeal again until the beginning of the new academic year (Fall).

**Financial Aid Appeal Decisions**
Students whose appeals are approved will receive aid on a conditional basis. Students will be placed on a strict semester-by-semester contract (academic plan) with the Financial Aid Office. Failure to meet any section of the contract will jeopardize future Financial Aid eligibility. If the student does not have grounds to appeal, or the appeal is denied, the student may submit additional documentation or request a Review of Denied Appeal. The decision on the Review of Denied Appeal is final and cannot be appealed.

Students awaiting a decision on their financial aid appeal are responsible for paying their tuition fees by the payment deadline to avoid being dropped from classes or to avoid late fees.

**Regaining Eligibility for Financial Aid**
To regain financial aid eligibility after Financial Aid Suspension, or denial of a SAP appeal, a student must meet all of the following:
- Complete at least 100% of the attempted cumulative hours;
- Not exceed the maximum time frame;
- Achieve the required 2.0 cumulative GPA;
- Enroll in 6 or more hours. All hours enrolled will be reviewed, or
- Students who were on appeal and did not meet conditions must meet overall SAP in order to regain eligibility within the same academic year.

**Withdrawal**
For any student receiving Federal Title IV Funds that officially or unofficially withdraws or fails to earn a passing grade in all courses, federal regulations require a refund calculation to be performed. The calculation of the return of these funds may result in the student owing a balance to the college. In addition, any future aid will be canceled.

Withdrawing from classes will impact the student’s Satisfactory Academic Progress and may cause the student to be ineligible for future financial aid. All students should contact the financial aid office prior to withdrawing.

**Vocational Rehabilitation Aid**
The Texas Rehabilitation Commission offers assistance for tuition and required fees to eligible students in Texas colleges and universities. Eligibility for such assistance is based on permanent disabilities. Applications should be made to the Texas Rehabilitation Commission, 1002 W. Main, Brenham, Texas 77833.

**Veterans Educational Benefits**
The Office of Veterans Affairs, housed in the financial aid office, provides assistance and information to veterans and dependents of veterans. Students may review information and steps to apply for and receive VA and Hazlewood benefits by going to http://www.blinn.edu/veterans/index.html. Students or parents may also speak with a Financial Aid Advisor by calling (979) 209-7230 or (979) 830-4144 or emailing veteran.services@blinn.edu

Certification requests must be made by the veteran or their eligible dependents two weeks before the payment deadline for each semester so that The Office of Veterans Affairs can certify enrollment to the Veteran Administration, (VA). All students are responsible for paying all tuition and fee charges that are not paid directly to Blinn College under chapter 33 (post 9/11) or Chapter 31 (Vocational Rehabilitation) benefits. Payment for tuition and fees will be due at the time of registration unless a payment plans or satisfactory arrangements have been made. The fees may
include but are not limited to parking, books, late registration, class change fees, housing and meal plans. It is the responsibility of the veteran or veteran’s eligible dependent to contact the Office of Veterans Affairs concerning enrollment certification or any change in enrollment status.

Requirements for Certifications
The veteran or veteran's eligible dependent must submit the following to the Office of Veteran’s Affairs prior to enrollment certification.

1. Copy of DD-214 member 4 copy or DD-2384 (Notice of Basic Eligibility). These are the separation papers for Prior Active Duty and Reservist/National Guardsmen respectively.
2. Transcript of any previous college course work from each institution attended (if applicable), and official military transcript (JST) from appropriate service branch.
3. Appropriate THEA or Assessment Test scores to document any eligible Development courses being certified (if applicable).
4. Certificate of Eligibility from the Department of Veteran’s Affairs indicating proof that veteran or dependent is eligible to receive educational benefits. This can be obtained by applying for benefits at www.gibill.va.gov.
5. Veteran’s Request for Certification (VAROC) form. Must be submitted every semester. This form can be obtained online at www.blinn.edu/veterans

Educational Objectives
The veteran or their eligible dependent must choose an associate degree or certification program and must decide on a major within the associate degree plan after completing thirty-two, (32), semester hours. The VA will compute benefits based only on those courses required for the selected course of study. Courses taken at other institutions must be evaluated prior to enrollment certification from Blinn College. The VA will only permit payment for courses that have been taken and passed with a “D” or better at a previous institution.

In order to qualify for maximum educational benefits, the veteran or veteran’s eligible dependent must enroll in a minimum of twelve (12) semester hours in a long semester or four (4) hours in a short semester.

A veteran or veteran’s eligible dependent must notify the Office of Veterans’ Affairs before changing their course of study. The veteran or veteran’s eligible dependent must also notify the VA of a change of program or place of training.

Standards of Academic Progress
Students utilizing any VA educational benefits must maintain a minimum cumulative 2.0 GPA. Under the guidelines of the Veterans Administration, the Veteran Services Office at Blinn College monitors and notifies VA any time a student, utilizing VA educational benefits, is not maintaining a cumulative GPA of a 2.0 or better. Students should refer to Blinn College's Academic Good Standing and Scholastic Probation or Suspension rules in the Admissions and Records section of the catalog for academic requirements and consequences.

Veterans who transfer from another institution without the required 2.00 GPA, must visit the Coordinator of Veterans Affairs to determine if they are eligible for certification. Veterans who are placed on scholastic suspension will not be certified again until they receive written approval from the VA. Additional information can be found in this catalog under the heading Scholastic Probation. Recipients must notify the Veteran Services Office and the VA when dropping a class. A veteran or veteran's eligible dependent who drops a class or classes during the semester may expect to receive an overpayment statement from the VA requiring the veteran to repay that portion of the benefits received.

Hazelwood Act
The Hazelwood Act, (Article 2654B-1), aids Texas veterans who have exhausted all of their VA educational benefits. A legal resident of Texas is exempt from all tuition and fees, excluding student services fees, if they meet certain criteria. Please contact the Office of Veterans Affairs to find out if more information.
