RESIDENTIAL LIFE MISSION STATEMENT

"Subject to change"

The Department of Residential Life/Judicial Affairs supports the Student Services mission through the development of safe, comfortable living learning communities that are conducive to academic success and personal and social development.

RESIDENTIAL LIFE HANDBOOK

Blinn College is an educational institution with a residential life program on the Brenham campus. Residence halls and apartments are provided for students to live on-campus to pursue their educational programs. Blinn College considers the residential life program an integral part of the resident student’s educational experience. It provides an opportunity for the young adult to experience group living and contributes to the student’s awareness of the rights of others.

The College has the responsibility to ensure that residential life is supportive of the educational purpose of the institution. These publications state the expectations for all students who attend Blinn College. Additional information that the resident student may find helpful is included.

The resident student is expected to accept and to respect the Blinn College policies and procedures during the academic terms of on campus residence. Lack of familiarity with applicable policies does not constitute a reasonable defense for violation of policies. Residents will acknowledge that Blinn College reserves the right to promulgate additional policies and procedures applicable to Blinn College Housing and to amend or modify any policy or procedure contained herein as Blinn College determines to be appropriate.

EMERGENCY PREPAREDNESS AND PROCEDURES

Blinn Alert System

The Blinn Alert System is an emergency mass notification tool used by Blinn College to inform students and provide safety information in the event of an emergency. This system can alert students via e-mail, phone call, and text message. To be warned of any pending danger, students must update their cell phone, text messaging and/or alternative email contact information by going to MyBlinn portal and proceed with instructions. All residents are expected to activate their Blinn e-mail account and check it regularly as Blinn Alert messages will be sent to this account.

When the College initiates an emergency message the student will be contacted by the method(s) selected. The call sequence will cease, when the affirmative response message has been received.

Enrollment in the program is free. Your cell phone carrier may charge you for a text message if you do not have a plan that includes messaging; consult your carrier for details. The College will not use this contact information except in an emergency that has the potential to affect your health and safety.

Fire/Fire Alarms

When the fire alarm sounds, EVERYONE must exit the building immediately. Follow instructions below.

Primary Escape Route: Emergency exit doors at the end of each hallway.

Secondary Escape Route: Inner common use stairwells.

Prior to Evacuating the Residence Hall Room

1. If your door is hot to touch, **DO NOT OPEN IT!**
   a. Roll up a wet towel and place it at the base of the door to prevent smoke penetration.
   b. Use a secondary means to exit the room.

2. If your door is cool to the touch, **OPEN IT SLOWLY.**
   a. If you encounter heat and/or pressure in the hallway, leave your room carefully, closing the door behind you, and proceed to the nearest exit/stairwell to the designated area to be counted by a staff member. (If possible, alert other students on your way to the exit.)
   b. If the hallway is clear, close your door behind you and proceed to the nearest exit/stairwell. (If possible, alert other students on your way to the exit.)

3. Always use stairs to evacuate the building.

4. If you encounter smoke, take short breaths through your nose and stay close to the floor (crawl if possible.)

5. **DO NOT** attempt to remove personal items.

6. If your clothing catches fire: **STOP...DROP...AND ROLL!!!**

7. Once outside the building, move far away from the building and wait until recalled by an authorized College official.

8. Disabled persons who require assistance in evacuating should alert their Hall Director and Resident Assistant in advance.
9. **ALWAYS REMEMBER YOU ARE NOT EXPECTED TO FIGHT A FIRE YOURSELF.**

**Fire Extinguishers**
Fire extinguishers are provided in the halls as a safety device for use in the event of a fire. As a student, your responsibility is to evacuate the building. **YOU ARE NOT EXPECTED TO FIGHT A FIRE.** If you attempt to fight a fire or use the fire extinguisher, you do so at your own risk.

**Fire Drill**
Fire drills are conducted every semester to educate residents on how to react in the event of an emergency situation. Fire safety and evacuation safety routes and procedures are explained at the first Orientation Meeting. Become familiar with the exit routes, posted at focal points in each building. You are required to participate, if present, in periodic fire drills. **Evacuation is mandatory when the alarm is sounded.**

**Weather Procedures**
In the event of immediate severe weather (i.e., tornado, severe thunderstorm), a Blinn Alert will be sent and Residential Life Staff will help direct students into a location within the Residence Hall to take shelter.
In the event of incoming weather emergencies (i.e., hurricanes, winter weather) Residential Hall Staff will coordinate with students to make arrangements for evacuation or shelter within the halls. Blinn Alerts and Announcements will be used to communicate with students as severe weather situations develop.

**Life Safety Emergencies**
In the event of an imminent threat to life safety (i.e., an active shooter on campus, bomb threat) Blinn Alerts will be sent. Please follow all instructions provided within the alerts, or given by emergency response personnel. **When in doubt, find shelter in a safe, secure area.** More information on emergency preparedness can be found at http://www.blinn.edu/emergency_management/

---

**STUDENT CONDUCT**

**Behavior**
Each resident who enrolls in Blinn College accepts the policies of the College and agrees to abide by them. Failure to follow the rules and regulations of the College will lead to appropriate disciplinary action.

Each resident is expected to conduct him/herself in accordance with acceptable standards of good behavior. Behavior of residents and their guests should not be loud, obnoxious, offensive, or unlawful. This behavior should also not disturb the rights, comforts, or conveniences of other persons. Blinn College will determine what constitutes disorder or interference with the rights and comforts of other residents, including roommates and suitemates. Disorderly conduct, harassment of roommates, including wearing their clothing, eating their food and using their appliances without permission etc., is considered an offense. All offenses will be considered on a case-by-case basis. Disciplinary action will be taken when deemed necessary.

**Incident Reports**
An incident report is written whenever a violation, or suspected violation has occurred. When a staff member writes an incident report, all students involved will be issued a summons to visit with the judicial officer by the end of the next business day. **Failure to meet with the Judicial Officer or designated appointee within the time frame allowed will be considered an additional violation.** Incident reports will be written to document any other situations that need to have a recorded record of events.

**Blinn College Disciplinary Point System**
The disciplinary point system is designed to promote consideration and safety for others living in a community. Residential life violations are assessed by the disciplinary point system at the discretion of the Judicial Officer.

**If a resident accumulates any combination equaling six (6) points in an academic school year (this includes fall, spring, minimester, summer sessions and break periods), s/he will be removed from housing for no less than one (1) academic year, and is subject to being issued a criminal trespass warning.** The disciplinary points issued are valid for one full academic year, from August until the following August of that...
year. In addition to the infractions listed on the following pages, illegal activities on or off campus may be grounds for removal from the Residence Halls.

**Restitutions are sanctions for policy violations that are in addition to any disciplinary points assessed.** Restitutions are designed to promote a learning experience for the resident, and assist them with their own development as a member of the on-campus community. These restitutions must be appropriate to the circumstances of the violation and can include, but are not limited to, counseling with a student affairs professional, counseling with an on-campus professional counselor, probation or disciplinary contract, removal from the Residential Life Program, expulsion/suspension from Blinn College, community service, or reflection essays. Plagiarism in reflection essays and/or failure to complete reflection essays will not be tolerated and will result in additional judicial sanctions. Restitutions will be determined and assigned by the Judicial Officer.

COMMUNITY LIVING
POLICIES AND PROCEDURES

Abandoned Property
Abandoned property is defined as items of value that are left when residents check-out of their residence hall room or apartment. A fee of $75 will be charged to the responsible resident. If the property is not picked up within one (1) week of check-out, the items will become the property of Blinn College. Abandoned items will be confiscated and the contents will be disposed. Abandoned cars will be towed at owner's expense.

Aerosol Guns (Darts and Paint Balls)
The use or possession of darts, paint ball, and other aerosol guns is restricted in all residence halls and apartments.

Alcohol
Blinn College prohibits the possession of alcoholic products or alcohol paraphernalia, including promotional materials, on the College premises. Residents found drinking, in possession of, or in the presence of alcoholic beverages, alcoholic containers, or paraphernalia will be immediately reported to the Judicial Officer. These students will face disciplinary action from the College, as well as any penalties issued in accordance with Texas State Law. The individuals in violation will be subject to College discipline or civil charges, even if the resident is of legal age. Residents must not keep empty alcoholic containers in their rooms. Any containers found in a resident's room will be confiscated. Residents who return to the campus and appear to be in an intoxicated state will be subject to College action. Determination of this is left to the discretion of the Residential Life Staff and/or College Police. Residents are responsible for their visitors if they violate this policy. The Department of Residential Life retains the right to have the Blinn College Police Department or the Brenham Police Department enter any residence hall when deemed necessary.

Residents of Blinn College campus housing in possession of alcoholic products on College property will be required to dispose of the alcohol. The resident(s) will be issued a summons to report to the Judicial Officer. The resident will be assessed the points assigned to alcohol and paraphernalia. The resident's parent(s) will be informed of this offense. The resident must complete an alcohol awareness course. This course, monitored by the Judicial Officer, must be completed within 15 days of the date the penalty is issued. If the resident fails to complete this course within the time limit, s/he is subject to losing the privilege of living in campus housing and will receive additional judicial sanctions. If the College Police are called and the student is a minor, a MIP (Minor in Possession) may be issued.

Alterations to the Premises
Alterations, changes, or remodeling of the premises, interior or exterior, are not permitted. Students are expected to report maintenance issues to the Housing Staff.

Assault – Physical (Bodily Contact, Fighting, Sexual, Harassment)
Assault/sexual assault are considered to be a MAJOR violation of the Blinn College Policy. Residents, who violate this section are subject to suspension from the College. Report assaults or suspicious behavior immediately to the Blinn College Title IX Coordinator at 979-830-4700 or the Blinn College Police Department at 979-830-4100. PLEASE SEE Title IX – Sexual Misconduct section.

Assault – Non-Physical (Verbal, Bullying, Sexual, Harassment, Stalking)
Assault/sexual assault are considered to be a MAJOR violation of the Blinn College Policy. Residents, who violate this section are subject to suspension from the College. Report assaults or suspicious behavior immediately to the Blinn College Title IX Coordinator at 979-830-4700 or the Blinn College Police Department at 979-830-4100. PLEASE SEE Title IX – Sexual Misconduct section.

Attendance Policy
Students who live in campus housing are required to enroll in a minimum of 12 credit hours per semester and remain enrolled in 12 hours throughout the semester. Regular class attendance is essential for student success. Students are required to attend all of their classes regularly. Faculty keep an attendance record from the first day the
student's name appears on the roster through final examinations. If the student accumulates two weeks' of absences, s/he will be administratively withdrawn from class.

When a resident is dropped below 12 semester hours, the resident has 5 class days to complete the academic reinstatement process. If reinstatement is not approved and the resident remains below the 12 credit hour semester limit, the resident has 48 hours to move out. If there is an extenuating circumstance, the resident may appeal to the Vice President of Student Services.

Appeals will be heard by the Housing Director or designated staff member and will take academic performance, discipline record, and other circumstances into consideration. If a resident is approved to remain with nine (9) semester hours and commits a discipline violation, he/she must move from campus housing within 48 hours of notification. The resident cannot drop below nine (9) hours and remain in housing. All class drops must be approved by the Housing Office. The move-out date determines if a room refund is appropriate.

Bathroom Facilities
Opposite gender visitors have restroom privileges only in residence hall guest restrooms (where provided) or restrooms in the Commons Building. Students in suites or apartments are responsible for maintaining sanitary conditions of the bathroom facilities by cleaning the sinks, toilets and showers regularly and taking out the trash daily. Do not use drain cleaners in clogged drains. For clogged drains, notify the housing staff who will notify maintenance. In halls with community baths, custodians clean regularly, but students are expected to help keep the bathroom neat and clean and not damage the facilities or products put there for the residents' convenience. No foreign objects, including food, should be put in toilets, sinks or shower drains. Students will be responsible for damage resulting from misuse.

Bicycles
Bicycles racks are provided near Residence Halls. Bicycles cannot be stored in hallways, stairwells, or resident rooms in the residence halls. Bicycles may be stored in the apartment bedroom, clear of any door, and not against the wall or furniture. Bicycles should not be stored or chained to outside stairwells. Blinn College is not liable for damage to or loss of bicycles. If bicycles are left chained to bicycle racks more than one (1) week after the end of a semester, the bicycles will become property of the Blinn College Police Department and will be removed. It is recommended that you register your bicycle with the campus police department. The Blinn College Police Department is located on the first floor of the Student Center.

Camera (Surveillance) System
To help deter theft, damage, and to monitor the traffic flow in and out of the residence halls, surveillance cameras are installed. Tampering with surveillance camera equipment is viewed as a threat to community safety and will subject the individual to damage charges, removal from housing, and possible legal action. Recorded activity may be used as evidence in the campus judicial system or in legal proceedings.

Check-in/Check-out Procedures
Check-in and check-out procedures are crucial. Students must complete all check-in paperwork before occupying a room. Prior to leaving campus at the end of every semester, every student must complete specific check-out procedures. Students are expected to check out within 24 hours of their last final or by the designated campus housing closing date and time, whichever comes first.

CHECK-OUT DATES ARE POSTED ON COLORED SIGNS IN THE HALLWAYS AND APARTMENT UNITS PRIOR TO HOLIDAYS AND THE END OF EACH SEMESTER. Residents must check out with the Hall Director or Apartment Manager or Resident Assistant. Failure to follow the procedures, which include leaving on time, could result in the resident being charged a $25.00 per day check-out fee. Residents are expected to check-out and complete a check-out form for Thanksgiving Break, Winter End of Semester, and Spring Break. Residential Life staff will inspect and collect these forms. Fines will be assessed for improper check-out.

Three Criteria
In order to leave things in rooms between semesters, residents must meet three criteria. The resident must: (1) be returning to the same room, (2) be registered for the next semester, and (3) pay their next semester bill paid IN FULL or have verification that Scholarship or Financial Aid will cover the costs. If the resident does not meet these 3 criteria, all possessions must be removed from the room. Leaving items will incur a $75 “abandoned property fee.”
When a resident leaves early, s/he must remove ALL his/her possessions. Items cannot be stored in the room with the roommate or another resident. Charges will be placed on the former resident’s account. The abandoned items will be confiscated and the contents will be disposed.

**Child Care**
Because of a liability issue, childcare is not permitted in campus housing. No student is allowed to house a child in their living space.

**Cleaning Supplies**
Residents must supply their own cleaning products. Trash can liners are available in the residence halls. All residents must supply their own toilet tissue except in hall facilities with community bathrooms where the custodians will place and re-stock toilet tissue. If the supply is depleted, check with the hall director. Apartment residents furnish their cleaning products and toilet tissue. DO NOT use Clorox to clean. Spills cannot be corrected.

**Criminal Background Check**
Blinn College conducts criminal background checks on all housing residents prior to acceptance into campus housing and prior to each semester. An additional background check may be conducted at any point during the school year. Should, during the course of a semester, a student be charged with a criminal offense which would preclude them from being a housing resident, that resident will not be eligible to remain in housing. The student may reapply for housing at a later date, but will be subject to all housing requirements.

**Damages/Charges**
General and specific damages including destruction of College property, defacing signs, walls, doors, windows, floors, trim; creating holes in doors, trim, walls; leaving stains, glue, and putty residue will be charged directly to the resident’s account. Residents may be held accountable for any abnormal wear, damages, and cleaning of public areas of their hall or apartment. **Returning residents must pay these charges before they are permitted to register for the next semester.**

**Damages/Vandalism Charged to Group Billing**
Residents are collectively accountable for abnormal cleaning or damages occurring as a result of horseplay or vandalism to the hall or apartment. This includes billing for damages to an entire apartment or residence hall if these damages cannot be attributed to a specific resident or unit. The College will determine the amount of loss or damage. **Bags of trash left in hallways, laundry rooms, community bathrooms, on porches, walkways or balconies will incur a charge of $10 per bag. This charge could be an individual charge or a group billing.**

**Decorations: Walls and Ceilings**
Residents are expected to use good taste and common sense in decorating their rooms or apartments. Windows are viewed from the outside. No articles may be displayed in the windows. No objectionable material should be displayed in the room. Due to a fire code, do not attach anything to the ceiling. **Do not use screws, nails, bolts, and hooks on interior or exterior walls or ceilings. All interior and exterior doors must remain free of nails, white boards, bulletin boards, or any other additions to the original surface.** Push pins may not be used to attach pictures or posters to walls. Residents will be charged for damage caused by any decorations that mark, deface, or mar the interior or exterior of the residence hall. Seasonal decorations must be fire retardant.

**Disruptive or Violent Conduct toward Yourself and/or Others**
Disruptive behavior is inappropriate behavior that interferes with functioning and flow of the College such as yelling, using profanity, waving arms or fists, verbally abusing others and refusing reasonable requests for identification. Threatening behavior includes physical actions short of actual contact/injury (e.g., moving closer aggressively), general oral or written threats to people or property (You better watch your back” or “I’ll get you”) as well as implicit threats (“You’ll be sorry” or “This isn’t over”). Violent behavior includes any physical assault, with or without weapons; behavior that a reasonable person would interpret as being potentially violent (e.g., throwing things, pounding on a desk or door, or destroying property), or specific threats to inflict physical harm (e.g., a threat to shoot a named individual) toward yourself or others. A violation of Blinn policy could result up to a maximum of 6 points and immediate removal from Residence Life Program.

**Doors: Entry and Exit**
Each resident is issued entry door keys or an access card. For security reasons and to conserve energy, room/apartment doors and windows should remain locked. **All residents should keep their bedrooms doors and apartment/suite entry...**
doors locked at all times. When housing staff find an unlocked door, the room will be inspected. After the room inspection is complete, the door will be locked. Leaving these doors unlocked jeopardizes your security and the security of residents in the hall or occupants of the apartment. **Entry and Exit doors remain locked 24-7 in the Residence Halls.** Residents must meet their visitors at the entry door of the residence hall. Violators who prop entry doors open will face disciplinary action because this action breaches the safety and security of all residents. Do not permit “tailgating,” (allowing persons to follow you into the building.) Do not leave windows and doors unlocked for illegal entry. Tampering with a room door lock (i.e. pin locking) will be assessed a $25 charge, plus damage charges. After 4:30 p.m., the charge for pin locking the door will increase to $50.

**Dress Code**
Residents and their guests are expected to dress appropriately, following generally accepted community standards of neatness, cleanliness, modesty and good taste. Clothing should remain free from pornographic, vulgar images or language. Pants are to be worn around the waist at all times. “Sagging” will not be tolerated. Workout clothing must **not** be worn outside of residence halls or gym facilities (i.e., sports bras, ripped t-shirts, spandex shorts/shirts). Shoes must be worn in the lobby and dayrooms of the residence halls, and when entering or exiting the building. No student may walk barefooted.

**Driveways, Sidewalks, Passageways and Stairs**
Driveways, sidewalks, passageways, and stairs along with other public areas must not be obstructed at any time.

**Drugs**
Blinn College supports a **zero tolerance policy** for the possession, use, sale, or distribution of narcotics, dangerous drugs and related paraphernalia on campus. Any student who possesses, participates, is in the presence, under the influence of, uses, sells, manufactures or distributes illegal drugs and/or mood enhancing substances will be subject to disciplinary action and/or criminal proceedings. **Drug odor and drug paraphernalia, including bongs, promotional materials, hookah pipes, clips, residue seeds, a smoke-filled residence hall room, or any other items used in the preparation or consumption of the illegal drugs and/or mood enhancing substances, are not permitted on the Blinn College campus.** Random room inspections by authorized staff accompanied by independent contractors with canine units may be conducted periodically to enforce the Blinn College zero tolerance policy. This policy refers to the unlawful possession, use, sale, or distribution of illicit drugs/alcohol on campus premises. This includes vehicles. Illegal or unauthorized items may be confiscated and appropriate action taken against the resident(s) involved. Criminal charges may apply. Room inspections are subject to, but not limited to, an individual room, whole apartment, or entire facility.

The resident’s parent(s) will be informed of this offense. The resident must complete a drug awareness course. This course, monitored by the Judicial Officer, must be completed within 15 days of the date the penalty is issued. If the resident fails to complete this course within the time limit, s/he is subject to losing the privilege of living in campus housing and will receive additional judicial sanctions.

**E-mail Accounts for Students**
The student e-mail account is the primary electronic communication method between Blinn College and students. **Students are required to activate their account to receive College communications. Failure to activate the account does not relieve the responsibility of not receiving important messages sent to the student.** Blinn College is partnered with Microsoft Windows Live @ Edu to provide e-mail accounts to future, current and former Blinn students. **Each student is provisioned an account once their application is complete.**

To verify your e-mail address in MyBlinn

Evading Arrest
No student should intentionally flee from a law enforcement officer who is attempting to arrest or has arrested him/her. A disciplinary summons will be issued if a student is found to be evading arrest.

Failure to Evacuate during a Fire Drill/Alarm
When a fire alarm is in effect for a building (sirens/flashing lights), students are expected to evacuate in a timely manner. Students are also expected to follow instructions of staff and emergency personnel on site. Failure to respond and take action when a drill or alarm is occurring will result in a disciplinary summons.

Failure to Meet with Judicial Officer
When a student is issued a disciplinary summons, the student must meet with the Judicial Officer within 24 hours. Allowances may be made if incident occurs over weekend (the student may have until the next business day.) Students can call 979-830-4461 to arrange an appointment with the Judicial Officer. Failure to schedule a meeting, show up for a scheduled meeting, or correspond with the Judicial Officer may result in additional disciplinary summons.

Failure to Show ID
All students of Blinn College are expected to carry their current semester student ID on their person at all times. Failure to present student ID regardless of reason to any Blinn staff member or appropriate personnel will result in a disciplinary summons.

Fire Code Violations
No open flames of any type are permitted in any room. The use of acetate, cellophane, tissue paper, or combustible materials near the light fixture is considered a violation. Space heaters, electric blankets, other heating devices, halogen lamps, lava lamps and personal microwaves are prohibited. These items will be confiscated. Each residence hall is equipped with several fire alarm pull stations located throughout the building. If you see a fire, activate a pull station on your way out of the building. A false fire alarm is a violation of state law! Violators could face $100.00 in fines and damages.

Appliances
Cooking is not permitted in the residence hall rooms. Electrical appliances permitted in the residence halls are: computer, television, coffee/tea maker, and refrigerator up to 4.0 cubic feet. Surge protectors are required when plugging in multiple items. Do not use extension cords and multi-plug adapters without a switch. Keep cords away from walkways. Illegal appliances include, but not limited to: hot plates, heaters, microwaves, appliances with a heating element, and grills. After one warning, the item will be confiscated and held until the resident leaves for the semester.

Candles and Incense
Candles, incense, potpourri pots, “scentsy” type heaters, scented plug-ins, or anything that melts wax, creates smoke, embers or ashes are a fire hazard and are prohibited. These items will be confiscated. Scented aerosol sprays are allowed. A repeat offense will be considered a major violation and could result in removal from housing.

Fire Extinguishers/Smoke Alarms
Fire extinguishers are installed in each residence hall and apartment. Smoke alarms are in each room. These safety devices must not be disarmed, removed or maliciously discharged. The safety devices are checked regularly. Disabling or misuse of fire safety equipment is a serious violation. Replacement of a missing fire extinguisher is $75. The cost of refilling the extinguisher is $50 plus damage and cleanup charges, if applicable. To rewire or replace a smoke alarm is $50 plus cost of equipment. There is no cost to replace batteries unless it becomes excessive. Tampering with smoke alarms will result in charges and possible removal from housing.

Fireworks
Possession of fireworks or any explosive device is prohibited by city ordinance. Possession will result in disciplinary action for the violator(s) and damage charges, if applicable.

Food
To live in a healthy, pest-free environment, food must be stored in a sealed container. Do not leave food containers and packages open. DO NOT DISPOSE OF FOOD THROUGH SINKS, WATER FOUNTAINS, SHOWERS OR COMMODES. Plumbing repair bills are charged to the room or hall.
**Furniture**

Interfering with normal operations and other users:
- The execution of any program or instructions with the intent of:
  - Disrupting the normal operations of the network, software, or computers at the College;

- Making unauthorized copies of copyrighted material. The general assumption should be that all software, music, graphic images and similar items are copyright protected. Both copying and downloading without authorization from the copyright holder is a violation of copyright law and subject to prosecution. More information about copyright laws can be found at the US Copyright Office, [http://www.copyright.gov/](http://www.copyright.gov/)

Blinn College reserves the right to investigate any unauthorized or improper use of College information technology resources. Violations of the College’s information technology use policies by ResNet users will be reported to the Executive Director of Residential & Student Life. The appeal of any suspension, termination of access or other disciplinary actions shall be governed by the due process procedures outlined in the Blinn College Board Policy Manual and the College’s Student Handbook. Violations of local, state, and federal laws will be reported to appropriate authorities for investigation and prosecution.

Unit Condition Form
The evaluation of the room condition and the inventory of the furnishings must be recorded on the Inventory/Room Condition Form. It must be signed and returned to the housing staff prior to move-in in order to be valid. A complete listing of existing room damages, missing furniture and other irregularities is imperative. At the end of the semester, a copy of this form listing the charges for the damages, missing items or cleaning fees occurring after move-in will be mailed to the student.

Loitering on College property is defined as lingering idly or aimlessly in any areas of the campus without official authority between the designated hours. This policy is not intended to be a curfew. Students going from the library, cafeteria or other locations to their residence halls, apartments, vehicles, etc. are not considered loitering as long as they are in route to their destination.

The primary responsibility for enforcement of this policy will rest with the Blinn College Police Department. Visitors who are deemed as loitering will be removed from the campus during this period and students may be issued a Summons or Citation.

Locks
Each resident is issued entry door keys or an access card. For security reasons and to conserve energy, room/apartment doors and windows should remain locked. All residents should keep their bedrooms doors and apartment/suite entry doors locked at all times. When housing staff find an unlocked door, the room will be inspected. Unregistered Guest (Non-Housing Student)
Residents are required to check their guest in at each residence hall. Residents who fail to check-in any guest properly may be subject to a disciplinary summons. Please refer to the Visitation portion of this handbook for a better understanding of Blinn College Housing & Residential Life visitation policies.

Unsanitary Living
Residents must maintain an orderly living area, using reasonable sanitation and safety standards. Empty wastebaskets and clean your room, bathroom area, and common area (if applicable) on a regular basis. Keep dirty clothes in laundry containers. Random room/apartment inspections will be conducted. Safety checks will be conducted periodically. Residents must correct any unsafe or unsanitary condition so noted. Failure to respond to warnings concerning poor room conditions could result in the resident being asked to move from campus housing and/or not being permitted to return for another semester. Disciplinary summons for unsanitary living conditions may be issued at any time, including first warnings.

Verbal Abuse/Assault
Respect for all Blinn students, Blinn College personnel, the Residential Life Staff, and campus constituents and guests is mandatory. Staff members must sometimes remind residents and/or their guests about policies and procedures along with document policy violations. The staff members are doing their job. No resident should abuse them through shouting, being argumentative, or making rude, vulgar, indecent or obscene comments and/or gestures toward the staff. Rude acts of commission or omission toward the staff will not be tolerated. Abusive language or verbal assault directed toward any Blinn employee will result in disciplinary action being taken and additional restitution will be required.

Visitation
The visitation guideline ensures privacy to students of the residence hall or apartment. “Visitor” is defined as anyone who is not assigned to live in that specific room/hall/apartment. If a visitor becomes abusive, even verbally, he/she must leave the premises immediately. Lack of compliance will necessitate the summoning of the College Police. Non-Blinn Students, other than the students’ immediate family, are not allowed to visit.
RESIDENCE HALL and APARTMENT VISITATION HOURS ARE 11:00 AM TO 11:00 PM. IN THE DAYROOM, LOBBY OR COMMUNITY ROOM Monday through Sunday.

VISITATION BY THE OPPOSITE SEX IN THE RESIDENTS' ROOMS IS NOT PERMITTED. One guest per resident may visit in the residence hall/apartment dayroom or community room. The hall resident must meet the guest at the entry door. The guest, escorted by the resident, must sign in with the residence hall staff and leave his/her ID with the staff. Visitors are not allowed to remain in the building unaccompanied by the resident. The guest must pick up his/her ID when the guest leaves.

Residence hall stairs, outside and inside, are off limits at all times to members of the opposite sex from that housed in the residence hall. Residents may not "loan" their key(s) to a nonresident. Residents allowing another person to live in their assignment, or found to be cohabitating with a person not assigned to their room by the housing office are subject to removal and housing privileges could be forfeited. Individuals who have been removed from housing lose visitation rights to any College housing. **Trespass Warnings will be issued.**

BLINN COLLEGE PARK APARTMENTS: One guest per resident may visit in the common area of the apartment between the hours of 11:00 AM until 11:00 PM. Visitors are not allowed to remain in the room or apartment unaccompanied by the resident. There can be **NO MORE THAN 8 PEOPLE IN A 4 BEDROOM APARTMENT AND 4 IN A TWO BEDROOM APARTMENT.** No outside group gathering will be allowed. Quiet hours are from 10:00 PM to 10:00 AM. Visitation is not allowed when the College is closed.

If one of the principals involved in a visitation violation does not live in College housing, (1) he/she will be issued a Trespass Warning by the Blinn Police, (2) will not be permitted to visit in any campus housing, and (3) can be arrested for further violations.

Washing Non-Residents Clothing
Residents are providing access to a washer and dryer within their living facility. This is an amenity given to students who live on campus. Students found to be taking advantage of this amenity by washing a non-residents’ clothing will be issued a disciplinary summons.

Weapons
Under NO circumstances will weapons be permitted in the rooms and/or stored in vehicles* that are located on College property. A resident commits an offense if s/he brings a prohibited, illegal, or any weapon into a residence hall. The presence of any weapon may be hazardous to the health or safety of residents on College property. This includes, but is not limited to Air-Soft guns, pellet, BB guns, stun guns, sling shots, arrows, bows, axes, machetes, nun chucks, throwing stars, rifles, handguns, firecrackers, or knives. These items will be confiscated by the College Police. Possession of weapons or explosives may lead to disciplinary action, including suspension. Criminal charges may apply. **If you are a Licensed Concealed Handgun (CHL) holder, you are allowed to conceal said firearm in a locked vehicle.**

Windows/Blinds
Windows should remain closed and locked to provide security and to conserve energy. Blinds should be closed to conserve energy and for safety. Fire safety requires that windows not be obstructed. Windows are never used to enter or exit a room, except in an emergency. Use only tension rods for curtains.

Title IX – Sexual Misconduct
Blinn College is committed to creating and maintaining an environment free of harassment, and sexual violence. At Blinn such behaviors are not tolerated and are prohibited both by law and by College policy. The College will respond promptly to effectively address reports of sexual harassment, sexual violence, and stalking—making certain to take appropriate action.

The federal law prohibiting sex discrimination in educational institutions is Title IX of the Educational Amendments Act of 1972 (amending the Higher Education Act of 1965). This act is codified as Title 20, United States Code, Chapter 38, and Sections 1681-1686. The act was also amended by the Civil Rights Restoration Act of 1987 (“Title IX”). The law states that “no person in the United States shall on the basis of sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance”. The amendment in 1987 expanded the definition of program or activity to include all the operations of an educational institution, governmental entity or private employer that receives federal funds. Title IX forbids sex discrimination in all university student services and academic programs including, but not limited to, admissions, financial aid, academic advising, housing, athletics, recreational services, College residential life programs, health services, counseling services, psychological services, Registrar's office, classroom assignments, grading and discipline. For this reason, it is vital to report acts of sexual violence to campus authorities.

What is Sexual Violence?
- Sexual violence includes sexual assault, sexual battery and sexual coercion. All such acts are forms of sexual harassment and covered under Title IX.
- Sexual violence can happen to female AND male students.

What is Sexual Harassment?
- Sexual Harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical contact of a sexual nature. Sexual harassment is conduct that explicitly or implicitly affects a person's employment and/or education. Sexual harassment also interferes with a person's work, educational performance creating an environment such that a reasonable person would find the conduct intimidating, hostile, or offensive.
- Some examples of harassing behavior include, but are not limited to:
  - Unwelcome or inappropriate touching
  - Sexually suggestive remarks or gestures
• Unsolicited pornographic materials
• Obscene messages (via text or computer)
• Pressure for sexual activity
• Sexual assault and rape

What is Sexual Assault and Rape?

• **Sexual assault** is defined as any unwanted, non-consensual sexual contact against any individual by another. Sexual assault can occur either forcibly (against a person's will) or when a person cannot give consent (i.e., an individual under the age of consent, intoxicated, developmentally disabled, or mentally/physically unable to consent).

• **Rape** is defined as non-consensual sexual intercourse that involves the use and/or threat of force, violence, immediate and unlawful bodily injury. Rape also includes threats of future retaliation and duress. When the person is incapable of giving consent because s/he is incapacitated from alcohol and/or drugs, suffers from a mental, developmental or physical disorder/disability renders the victim incapable of giving consent, the resulting sexual intercourse is therefore considered non-consensual (i.e., rape).

• **To be consensual, "the person must act freely and voluntarily . . ."**

Are women the only victims of sexual harassment or sexual violence?

• **NO**, both females and males can be victims of sexual harassment and/or sexual violence.

If you feel that you are a victim of sexual misconduct, where do you go?

• Sexual harassment and acts of sexual violence should be reported to:
  o Title IX Coordinator, Brenham Campus, Administration Building Room 238, 979-830-4700
  o Blinn College Police Department, Brenham Campus, Student Center, 979-830-4755

What is a Title IX Coordinator?

• The Title IX Coordinator is the university official responsible for ensuring that Blinn College complies with Title IX. This includes responding to and investigating all complaints of gender discrimination (including sexual harassment and sexual violence) at Blinn College

Who is the Title IX Coordinator at Blinn College?

James A. Reed
Executive Director of Housing and Student Life
Phone: 979-830-4700
Email: james.reed@blinn.edu
Office Location: Administration Building Room 238, 902 College Avenue, Brenham, TX 77833

Will my complaint remain confidential?

• A report of sexual harassment or sexual violence may result in the gathering of extremely sensitive information. While such information is considered private, University policy regarding access to public records and disclosure of personal information may require disclosure of certain information regarding a report of sexual harassment. In such cases, every effort will be made to redact the records in order to protect the privacy of individuals.
Individuals who make reports of sexual harassment must understand that certain College employees, such as the Title IX Coordinator, managers, supervisors, and other designated employees responsible for responding to reports of sexual harassment, have an obligation to report the incident, even if the individual making the report requests that no action be taken.

The expressed wishes of individuals regarding the confidentiality of reports of sexual harassment will be considered in determining an appropriate response. However, such wishes will be considered in the context of the College’s legal obligation to ensure a working and learning environment free from sexual harassment. It is imperative that the due process rights of the accused to be informed of the allegations and their source also not be violated. Some level of disclosure may be necessary to ensure a complete and fair investigation, although requests for confidentiality will be maintained to the extent possible.

Once I turn in a complaint, what is the process?

When a report of sexual misconduct is obtained the following courses of action will take place:
- An immediate investigation will be conducted by Blinn College Title IX investigators
- During the investigation phase, both the victim and the accused have the right to attend class and other campus events with any and all proper precautions. This includes a no contact requirement between the involved parties.
- Both parties have the right to a fair hearing.
- Both parties have the right to have a representative present during the investigative meeting.
- Both parties have the right to receive counseling services.
- Once the investigation phase has been completed, the Title IX investigators will present their findings to the Blinn College Title IX coordinator or deputy. The Title IX investigator and/or deputy will conduct a hearing, then make a decision based on the evidence presented.
- Once a judgment is rendered both parties involved have the right to appeal the decision of the Title IX coordinator to the Disciplinary Appeals Committee.
- If either party appeals the decision, an appeal hearing will take place. The decision provided by the Disciplinary Appeals Committee will be the final outcome of the reported incident.

What resources do I have?

- Title IX Coordinator 979-830-4700
- Campus Police Department 979-830-4100
- Student Conduct Office 979-830-4461
- Counseling Center 979-830-4196

I’m concerned that reporting might make matters worse. Should I still file a complaint?

If you have concerns for your safety, Blinn can provide escort services and take other steps to assist you. In addition, Blinn College has a strong retaliation policy that is aggressively enforced. Therefore, if a complainant or a witness is retaliated against for participating in a Title IX investigation disciplinary actions will be taken.

My friend told me he or she was sexually assaulted, what should I do?

- Be supportive.
- Listen to what she or he has to say.
- Encourage your friend to report the incident to the Blinn College Police or to the Title IX Coordinator. You should also consider reporting the incident yourself, as a third party reporter. You may also suggest that they contact Blinn College’s Counseling Services.

Where can I find Blinn Colleges Title IX Complaints Procedures?
Title IX and other student polices can be found on the Blinn College Policy website under the following titles:
  - Student Welfare FFD Legal
  - Student Welfare FFD Local
