Student Application
(For Admission Summer 2018)
A Letter from our Program Director

Dear Licensed Vocational Nurse – Transition Option Candidate:

Thank you for inquiring about the LVN – Transition Option Program. Enclosed you will find program information, including the admission requirements and an admission application for the LVN-T Program.

The LVN-T Program starts a new class once a year beginning in the Summer I semester (which usually begins about the first week in June). The LVN-T program is designed to be completed in one year.

If you wish to be considered for admission into the program, you must submit evidence of meeting all of the application/admission requirements. The applicant is responsible to ensure all application information has been received at the Blinn College ADN Program office, and that their admission file is complete.

If you have questions, once you have reviewed the application packet, please call 979-691-2012 or email the program administrative assistant, http://www.blinn.edu/twe/adn/faculty.html.

Best wishes in the pursuit of a rewarding career in nursing through our Associate Degree Nursing Program at Blinn College.

Sincerely,

Director
APPLICATION INFORMATION FOR THE LVN-TRANSITION OPTION

This application is a special option available for LVNs who meet specific admission criteria to complete the ADN Program requirements in one calendar year.

Students admitted to the LVN Transition Option take five nursing courses (Transition - Theory and Clinical, Mental Health – Theory and Clinical, and Nursing Skills II) during the summer then join 2nd year generic nursing students in the Fall Semester.

The program allows the applicant to have classes in progress when applying. All program prerequisites must be complete by the end of the semester in which you submit your nursing application. Decisions regarding acceptance are made at the end of the semester in which you apply. Applicants are notified of acceptance shortly after final grades are received or posted.

All applicants are required to provide proof of current Texas LVN/LPN licensure and work status when they submit their nursing application. If accepted into the program, then applicant must complete a drug screen, a health/physical exam, and provide proof of all required tests/immunizations required, at their own expense.
APPLICATION REQUIREMENTS FOR LVN-TRANSITION OPTION

All of the following requirements must be fulfilled and evidence of their completion must be submitted. Failure to submit evidence of ALL application requirements will exclude the applicant from consideration for admission.

☐ Applicant must have a current Texas LVN/LPN license and must have approximately one year of nursing experience.

☐ Complete all Blinn College admission requirements and be admitted to Blinn College (NOTE: previous Blinn students who have not been enrolled in Blinn College for the previous Spring or Fall Semester must reapply to the college). All applicants must be TSI compliant.

☐ All prerequisites (including RNSG 1301 Pharmacology and RNSG 1215 Health Assessment) must be completed prior to admission. The Humanities/Fine Arts Elective is a co-requisite and may be taken after student receives admission to the program.

☐ Submit a completed Associate Degree Nursing Application (LVN-Transition Option) to the ADN office. (NOTE: Admission to the ADN program is a separate process from admission to Blinn College and requires a separate application). Acceptance to Blinn College does not guarantee acceptance into the Associate Degree Nursing Program (LVN-Transition Option).

☐ Submit ALL official college/university transcripts with your nursing application to the ADN office. (NOTE: this includes Blinn College official transcript). It is the applicant’s responsibility to make sure official transcripts are also on file in the Admissions and Records Office at Blinn College.

☐ Highlight all courses on official transcripts that were listed on the Application Degree Worksheet (Page 3 of the application). You may open your official transcript in order to highlight courses. All “prerequisites” and “co-requisites” must be completed with a “C” or above and the minimum overall GPA for those prerequisites and co-requisites must be a 2.5. The three science courses (Anatomy & Physiology I, Anatomy & Physiology II, and Microbiology) must not be more than five years old when you submit your nursing application. (NOTE: Blinn College ADN Program averages all final grades for courses in degree plan. If a course is taken more than once within 5 years, grades for each attempt are averaged.)

☐ Take the ATI TEAS administered by the Blinn College Testing Center. Please see the ATI TEAS information page in this packet for further details. The ATI TEAS must be completed prior to submitting nursing application and the ATI TEAS score sheet must be included in nursing application packet. Student is ineligible for admission if ATI Academic Preparedness Level is “Basic” or “Developmental” on the ATI TEAS.

☐ Students whose first/native language is not English (ESL), are required to take the TOEFL iBT, regardless of US education, or years of residence. (See TOEFL information page in this packet for further details).

Summer Admission – Application due or postmarked by March 1st (ADN Office will accept applications beginning January 3rd)
Description of ATI TEAS:

The ATI TEAS is a required test for students submitting application to the Blinn College Associate Degree Nursing Program. The ATI TEAS measures basic essential skills in the academic content area domains of reading, mathematics, science and English language usage. These entry-level skills were deemed important for health science program applicants by a panel of subject matter experts. The structure of the ATI TEAS will remain the same as the TEAS V. The test will have a time limit of 209 minutes and is broken down into the four sections described above.

Preparing for the ATI TEAS:

Students can prepare for the ATI TEAS with several resources including the Official ATI TEAS study manual (sixth edition), now available for purchase. Online practice assessments and the study package are available at www.atitesting.com.

The following items are available for purchase from Assessment Technologies Institute (ATI) at www.atitesting.com

- ATI TEAS Study Manual (6th edition)
- ATI TEAS Online Practice Assessments
- ATI TEAS Transcripts

ADN Program Instructions for taking ATI TEAS:

- Applicant must take ATI TEAS prior to submitting your nursing application. Applicant must include your ATI TEAS score sheet in your application packet.

- Applicant may take ATI TEAS twice during an application period, but must test at least 4 weeks apart. ATI TEAS testing must take place before nursing application due date.

- If applicant has taken the ATI TEAS during a previous application period or for a different nursing program and wants to use those score results, then applicant must make sure that test date is within one year of the application due date.

- If applicant resides out of town/state, the ATI TEAS may be taken at another educational institution or testing facility.

- The Blinn College Testing Center will no longer offer walk in testing on Saturdays. In order to register for a Saturday test students must prepay Monday – Friday in Enrollment Services in Bryan only. Seating is limited! No forms of payment will be allowed on Saturday testing dates. Instructions for completing the ATI TEAS at the Blinn College campus in Bryan, Texas are found on the Blinn College website at http://www.blinn.edu/testing/teas.html.
TOEFL iBT Information

Applicants whose first/native language is not English are required to take the TOEFL iBT, regardless of US education, or years of residence, and provide scores to Blinn College by the nursing application deadline. Suggest students take the TOEFL iBT at least eight weeks prior to the nursing application due date.

- The Blinn College Associate Degree Nursing Program requires ESL applicants to attain a minimum score of 83 on the Internet based test (iBT), with a minimum of 20 in reading, 20 in writing, 20 in speaking, and 20 in listening. TOEFL results will not be considered if they are more than two years old when nursing application is submitted. Information about the TOEFL iBT may be obtained from the following website, www.toeflgoanywhere.org.

*Please Note: the TOEFL score required by the Blinn College Associate Degree Nursing Program is higher than the minimum required by Blinn College.*

TOEFL iBT scores must be sent directly from the testing agency to Blinn College Admissions. The Destination Institution (DI) code for the TOEFL at Blinn College is 6043. Also, applicant should include copy of TOEFL iBT score sheet with nursing application.
Tests and Immunizations Required by Associate Degree Nursing Program

The following is a list of tests and immunizations required by students who are accepted into the Associate Degree Nursing Program (LVN-Transition Option). All ADN applicants must provide documented proof of each requirement below in order to receive full admission into the nursing program. These documents will be required once student has been notified they are accepted into the program. Tuberculosis skin test should be done within 30 days of program start date. (NOTE: Hepatitis B testing and immunization can take several months and applicant needs to plan in advance to meet requirement).

All documentation of the requirements below will be uploaded by each student to CertifiedBackground. CertifiedBackground is a company that serves as a repository for student medical records. Once a student pays a fee and sets up their student profile with CertifiedBackground they will be able to upload their medical records and then view those records. The program director and administrative assistant will also be able to view the medical records for each student to verify they have completed the requirements.

- **Tuberculosis Skin Test (PPD-TB Test) OR Chest X-Ray (required if skin test is positive) MANDATORY:** (skin test or x-ray must be within 6 months of program start date)
  - Recommend student gets PPD test within 30 days of program start date. Student is required to receive PPD test annually while in the nursing program.

- **Tetanus, Diphtheria, Pertussis (TDAP) MANDATORY:**
  - One Tdap Booster (within 10 years)

- **Measles (Rubeola) MANDATORY:** Those born on or after January 1, 1957, must show proof of either:
  - A. Serologic test positive for measles antibody/immunity
  - OR if necessary, without serologic evidence of immunity or prior vaccine:
  - B. Two doses of MMR Vaccine at least 4 weeks apart

- **Mumps MANDATORY:** Those born on or after January 1, 1957, must show proof of either:
  - A. Serologic test positive for mumps antibody/immunity
  - OR if necessary, without serologic evidence of immunity or prior vaccine:
  - B. Two doses of MMR Vaccine at least 4 weeks apart

- **Rubella MANDATORY:** Those born on or after January 1, 1957, must show proof of either:
  - A. Serologic test positive for rubella antibody/immunity
  - OR if necessary, without serologic evidence of immunity or prior vaccine:
  - B. Two doses of MMR Vaccine at least 4 weeks apart

- **Varicella (Chicken Pox) MANDATORY:** must show proof of
  - A. Serologic test positive for varicella antibody/immunity
  - OR if necessary, without serologic evidence of immunity or prior vaccine:
  - B. Two doses of varicella at least 4 to 6 weeks apart

- **Hepatitis B Immunity MANDATORY:**
  - There is potential of exposure to Hepatitis B during clinical assignments. All students must have had the Hepatitis B series of vaccinations. The CDC recommends (and we require) serologic testing for all Health Sciences Students, except Vet Tech students. Specifically, we require a quantitative Hepatitis B surface antibody (anti-HBs) to document immunity. If the test comes back with a protective concentration of less than 10 mIU/mL, student needs to be revaccinated with 3 doses (over 4-6 months). This is followed by another serologic test for immunity 1-2 months after the third dose.

- **Influenza MANDATORY:**
  - All healthcare providers and students in these professions will receive annual vaccination against influenza. One dose of influenza vaccine annually, live inactivated injectable influenza vaccine IM or live attenuated influenza vaccine (LAIV) intranasally (ONLY for non-pregnant, healthy HCP aged 49 or younger).

- **Meningococcal (Meningitis) Vaccine (MCV4):** MANDATORY FOR ALL “NEW” STUDENTS <22 YEARS OF AGE WHEN THE ACADEMIC TERM BEGINS. VACCINE MUST BE ADMINISTERED AT LEAST 10 DAYS PRIOR TO THE START OF THE SEMESTER. All students must follow Blinn’s policy regarding the Bacterial Meningitis requirements. Go to www.blinn.edu/immunization.html for all information.
ASSOCIATE DEGREE NURSING

Contact Information

If you wish to mail your application, the mailing address is:

Blinn College Associate Degree Nursing
Texas A&M Health Science Center
Clinical Building 1, Suite 2500
8441 State Highway 47
Bryan, Texas 77807

If you wish to deliver your application in person the address is:

Blinn College Associate Degree Nursing
Texas A&M Health Science Center
Clinical Building 1, Room 2502 or 2505
8441 State Highway 47
Bryan, Texas 77807

Phone: 979-691-2012
Email: ADN@blinn.edu
ASSOCIATE DEGREE NURSING (LVN-Transition Option)
APPLICATION CHECKLIST
(Must be included with application)

Please initial each item below and submit this checklist with the application packet. Submit the completed Application packet in the following order.

1. ______ Application Checklist
2. ______ Employment History
3. ______ Completed Associate Degree Nursing Program Application (LVN-Transition Option) (3 pages)
4. ______ ATI TEAS Score Sheet
5. ______ TOEFL iBT Test Score if ESL student
6. ______ Official Transcripts from Colleges/Universities with courses highlighted
7. ______ Proof of current Texas LVN/LPN licensure

All applications must be submitted in person or by mail. We do not accept applications that are faxed or submitted via email.

Please place application packet in brown 9 x 12 envelope with your name on the envelope if you are submitting the packet in person.

Summer Admission – Application due or postmarked by March 1st
(ADN Office will accept application beginning January 3rd)

I have read and understand all the requirements and pre-requisites for the Associate Degree Nursing Program (LVN-Transition Option).
