Service Learning Project

Name:_______________________________   Class:__________________

If you decide to do a Service Learning Project, you must complete 10 hours of community services. You need to type up a paragraph what you have learned on separate page each time you attend the community service. Please attach your typed pages after this page. Make sure you get a name of employer, supervisor’s email address and signature, and community hours you attended for verification.

Deaf Social Events

Name:_______________________________   Class:__________________

You must complete 3 Deaf Social Events. You must converse and get involved with a Deaf person at least 20 minutes each. You need to type up a paragraph what you have learned and type 15 new signs on separate page each time you attend the Deaf Social Event. Please attach your typed pages after this page and give it to me after you have completed all of them. Make sure you get a name of the Deaf Social Event, Deaf person’s signature or someone who is in charge and attended hours for verification.
