This presentation provides COVID-19 safety training that is required for all students enrolled for the Spring 2021 semester, including those who enrolled in Fall 2020. The training takes approximately 10 minutes to complete and is not finalized until the student has clicked the hyperlink on the final page and submitted their Student Agreement.

For questions or information regarding this training, please email survey@blinn.edu.
Blinn College’s highest priority is the safety of its students, faculty, staff, and visitors. All members of the Blinn community play an important role in keeping our campuses safe by doing their part to stop the spread of Covid-19.
Learning Objectives

By the end of this training, students will be able to:

• identify the ways COVID-19 can spread,

• list concrete ways you can combat the spread of COVID-19,

• identify the steps for proper handwashing,

• recognize how to protect others in the Blinn community from the spread of COVID-19,

• and identify actions to take if you suspect you may have COVID-19 or been exposed to someone who has.
How COVID-19 and Other Viruses Spread

**DIRECT CONTACT**
Skin-to-skin contact (shaking hands, hugging, kissing, etc.)

**DROPLET SPREAD**
Spray produced when a person sneezes, coughs, sings, or talks

**AIRBORNE TRANSMISSION**
Agents carried by dust or small droplets suspended in the air

**VEHICLES**
Spread by food, water, blood, and fomites (objects like door handles, phones, elevator buttons, etc.)
People with COVID-19 report a wide range of symptoms, from mild to severe illness. Symptoms appear 2-14 days after exposure to the virus. Some may not experience symptoms at all, but may still be able to spread the infection to others.

If you feel any of these symptoms, call the Baylor Scott & White Health Clinic at 979-209-7269 for virtual appointments.
Limiting the Spread of COVID-19
Important Ways to Prevent the Spread of the Virus

1. Avoid close contact with people who are sick.
2. Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
3. Avoid touching your eyes, nose, and mouth.
4. Clean and disinfect frequently touched objects and surfaces.
5. Stay home when you are sick, except to get medical care.
6. Wash your hands often with soap and water for at least 20 seconds.
Buccaneers
Wear a mask
and practice
social distancing.
**How to Wear a Face Mask Correctly**

1. Clean your hands with soap and water or hand sanitizer.
2. Hold the mask by the ear loops and place a loop around each ear.
3. Mold or pinch the stiff edge to the shape of your nose.
4. Pull the bottom of the mask over your mouth and chin.
5. Avoid touching the front of the mask when wearing.

**DO NOT** wear your mask below your nose. **DO** wear your mask above your nose and below your chin.
Wash Your Hands Frequently

• When soap and water are not available, hand sanitizer should be used.

• Hand sanitizer is available in all Blinn buildings.

• Hand sanitizers may not be as effective when hands are visibly dirty or greasy.

• Use hand sanitizers with at least 60% alcohol concentration.
Help Prevent the Spread of COVID-19 by Washing Your Hands

Wash your hands with soap and water at least 20 seconds.

1. Wet your hands
2. Apply soap
3. Rub your palms
4. Rub between your fingers
5. Rub the back of your palm
6. Clean thumb
7. Rub the back of a finger
8. Clean fingertips and nails
9. Rub over the wrist
10. Rinse hands
11. Dry using a towel
12. Your hands are clean
Practice Social Distancing – Stay at Least 6 Feet From Others

- Limit gatherings.
- Have virtual meetings when possible.
- Limit the number of people in communal spaces.
- Respect reduced elevator capacities.
- Avoid crowded stairwells and hallways. Wait to enter until they are not crowded.
- Do not share phones, computers, make-up, or other personal items.
Self-Certifying App
To ensure the safety of our **campus community**, Blinn has partnered with Ivy.ai to create an easy, one-step self-certification process for students and employees.

All Blinn College employees, students, and visitors are required to complete a daily self-certification using the free Campus Clear app before entering any Blinn facility.

Get **Back to Campus** Safely with a FREE COVID-19 Self-Screener and FastPass

www.CampusClear.com
Self-Certifying App – Campus Clear

Visit [www.campusclear.com](http://www.campusclear.com) to complete your daily self-certification via the web app, or download Campus Clear on your smartphone.

How to install the Campus Clear app on your cell phone.

1. Go to the Apple App Store (iPhones) or Google Play Store (Android phones) and search for #CampusClear. Download the app and install following the prompts displayed.
Self-Certifying App – Campus Clear

2. Intro screen
3. Identify yourself as a Blinn student.
4. Enter your Blinn email address.
5. After the user clicks “Start,” they will be presented with the one-question survey. Users can select more than one option.
Self-Certifying App – Campus Clear

You are Good to Go!

as of August 13, 2020

Please ensure you are wearing your face covering and following social distancing guidelines. Enjoy your time on campus.

You are NOT cleared for campus access

I'm sorry you are still not feeling well. We're here if you need us.

What to do if you feel ill or you test positive for COVID-19
If You are Sick or Think You Might Have COVID-19

• **Stay home.** Most people with COVID-19 have mild illness and can recover at home without medical care. Do not leave your home, except to get medical care. Do not visit public areas.

• **Take care of yourself.** Get rest and stay hydrated. Take over-the-counter medicines, such as acetaminophen, to help you feel better.

• **Avoid public transportation,** ride-sharing, or taxis.
If You are Sick or Think You Might Have COVID-19

SEPARATE YOURSELF FROM OTHER PEOPLE

• As much as possible, stay in a specific room and away from other people and pets in your home. If possible, you should use a separate bathroom. If you need to be around other people or animals in or outside of the home, wear a mask.

• Additional guidance is available for those in close quarters and shared housing at cdc.gov.
If You are Sick or Think You Might Have COVID-19

• **Call ahead** before visiting your doctor and tell them you have or may have COVID-19. This will help the office protect themselves and other patients.

• Be sure to get care if you have trouble breathing, or have any other emergency warning signs, or if you think it is an emergency.

• Many medical visits are being done by phone or telemedicine.
As a member of the Blinn College community, I agree to:

- Follow the College’s physical distancing guidelines;
- Follow the College’s guidelines regarding face masks;
- Follow the College’s recommended hygiene and personal protection practices, including washing my hands frequently and staying home if I begin to feel sick or if I believe I may have been exposed to COVID-19;
- Keep my personal space and shared common spaces clean for use by others;
- Stay informed of changing COVID-19 health updates;
- Be supportive and sensitive to other members of the Blinn College community who may be experiencing physical and mental health challenges;
- Complete a daily health via the campus clear app or other approved method;
- Contact health care providers if I feel ill;
- Follow all of the additional health check and safety requirements of the College, my housing director, athletic team, choir, band, etc. This may include, but is not limited to, participating in testing, self-quarantining, and contact tracing.

I have read, understand, and agree to comply with this Back With Blinn agreement. I understand that COVID-19 is a highly contagious virus and it is possible to contract the COVID-19 disease even if I follow all of the College’s safety recommendations and comply with the agreement. I understand that if I do not honor my pledge, I would be failing to comply with a legitimate College directive and pursuant to College policies, I will be subject to the appropriate accountability measures and disciplinary actions. As Buccaneers, “We Take Care of Each Other.”

I agree to follow all health and safety protocols as outlined on the Back With Blinn webpage, the Student Agreement, and all information provided to me through my official Blinn Buc email account.
