

USER PROGRESS

The **User Progress Area** contains reports of your progress in all areas of the course.

The screenshot displays the user progress area for Accounting 102. The top navigation bar shows 'My Home > Accounting 101' and the user's name 'Chris Tennant'. The main content area is titled 'Progress Summary' and includes a 'Print' and 'Help' button. Below the title are filters for 'Last 7 Days', 'Last 30 Days', and 'All Time'. The 'Grades' section shows a table with columns for Current Grade, Maximum Grade, Minimum Grade, and Class Average. The current grade is 64.57%, the maximum is 75.2%, the minimum is 64.57%, and the class average is 71%. A progress bar indicates 64.57% completion. Below the grades, there are three expandable sections: 'Grades Received: 9', 'Objectives', and 'Content'. The 'Objectives' section shows 'Learning Objectives Passed (Achieved)' as 80% (4/5) and '1 failed (Not Achieved)'. The 'Content' section shows '# Visits', 'Time Spent', and 'Topics Visited'. The left-hand column contains a navigation menu with options: 'Accounting 102' (64.57%), 'Summary', 'Grades', 'Objectives', 'Content', 'Discussions', 'Dropbox', 'Quizzes', 'Checklist', 'Surveys', and 'Login History'. A callout box highlights the 'Summary view of your progress' in the main content area.

Current Grade	Maximum Grade	Minimum Grade	Class Average
64.57 %	75.2 %	64.57 %	71 %

Learning Objectives Passed (Achieved)	Failed (Not Achieved)
80 % (4/5)	1 failed (Not Achieved)

You will first see a summary view in the right panel, showing all your progress at a glance. The headings can be expanded to show more details.

The left-hand column lets you view more specific breakdowns of your progress. Click on each section for more details.
